Guest Lecture on "Opportunities in VLSI" by Mr. A. Venkat Krishna - 16/03/2019

Semi-conductor Industry, in particular the Electronics System Design Manufacturing (ESDM) sector is given a high priority by the present government. In order to make students knowledgeable on the present-day VLSI industry in India, IETE Students' Forum, GVPCEW conducted a guest lecture on "Opportunities in VLSI" by Mr. A. Venkat Krishna, Technical Head, QSOCS Technologies Pvt. Ltd, Bangalore on 16th March, 2019.

Mr. Krishna in his lecture started with the importance of silicon material for VLSI industry. Then he focused on the extent to which VLSI Industry has grown in our country.

He also added about the prospective increase in Indian VLSI sector in the next 5 years. Mr. Krishna in his lecture also gave some insight on the accomplishments of his company and provided knowledge on how internships can be an advantage to enter into VLSI industry.

His informative and motivational lecture inspired the audience.
