Talent Next <talent.next@wipro.com>   Mon, May 6, 2024 at 4:22 PM

Dear TPO/WCF Professors,

   Warm Greetings and welcome to this year **TalentNext** student training Engagement program. Hoping to have a successful learning journey for your students. As discussed in the orientation call today, find below the details of next steps and the process flow to take this journey forward. Requesting you to kindly go through the below and proceed accordingly. The required templates and the guide presented during orientation is attached herewith.

1. **Nominations & Training Schedule**

   Batch Training Schedule

   - The WCFs should prepare the training schedule and update the same on the Batch Schedule template [Template attached]. Use Java / DotNet as per the training/batch planned.

     o To follow the process as explained during the orientation call.

     o Only WCF to be assigned a batch for training and each batch – per WCF should not exceed a max of **150 students** for Java FSD and max **100 students** for .Net FSD

   - Start Date can be on the **3rd week of May**. In case of any specific requirement or concerns on this change, provide justification on the remarks.

     o The training program along with assessments should be completed by August end.

     o All assessment dates to be clearly mentioned and ensure that assessments are planned only on **Week Days [Mon-Fri]** and only one day should be allocated to one assessment.

     o In case of any change on these dates, it should be intimated to us at least **3 days prior** so as to plan accordingly.

     o If there are multiple batches from your college taken by multiple WCFs, ensure that all batches will be having the same assessment dates.

   - Student Nomination with WCF and Batch Mapping

     - All the batches student nominations should be filled in the nomination template [Template attached]
     - Kindly ensure the basic checks before sending the nominations to us, avoid having duplicates, incorrect email id etc.
     - Ensure that all students have valid E-Mail IDs. The same will be used for all assessments and further tasks.
     - Against each student, provide the batch number and the WCF assigned. For the batch numbers, use only Batch 1, Batch 2 etc..

Note: Both the Batch Schedule and Nomination should be as per the template provided and should reach us on or before **10th May [Friday] 5.00 PM** to take it forward.

2. **Pre-Checks, Approval, Enablement**

- Post receiving the Batch Schedule and nominations, the TalentNext team verifies and validates the same.

- Any clarifications required will be taken up and confirmation on the same will be provided.

- Once the list is finalized, according to the WCFs mapped to the training, PBLApp access to the professors [WCF] will be provided first. Separate communication to the WCF on the same will be sent.

- PBLApp access to the nominated students would be activated 2 days prior to the start date of the training and will be communicated to the college TPOs and WCFs.

- No Direct communication from TalentNext team to the students will happen.

- Assessment pattern and its related details will be shared with your separately in another mail.

- Guidelines to kick start the training program will be sent along with the confirmation/approval mail post verification of the schedule and nomination.

If there are multiple WCFs in your college, requesting you to identify one WCF as a **SPOC** and inform us the same. Going forward communications from us will be sent to the TPO and the identified SPOC.

All the nominations and schedules from a college has to be consolidated and send to us a one single mail. No individual mail from each of the WCFs is entertained.

For any queries/clarification/concern regarding this student engagement, feel free to write to talent.next@wipro.com

Thanks and Regards

Dear TPO/Professors,

Warm Greetings from **TalentNext.**   Hope that the training to your students as part of TalentNext is going fine as planned.

Assessments:

Assessment is integral part of this learning journey and as you are aware, there will be **4** learning phase milestones and each milestone will have its respective assessment.

Kindly find below the results of the milestone assessments completed till **27th Sep, 2024**

-

College Name: **Gayatri Vidya Parishad College of Engineering for Women, Visakhapatnam**

	Java Full Stack				DotNet Full Stack			
	# of Pass	# of Fail	# of Absent	#Total	# of Pass	# of Fail	# of Absent	#Total
Milestone 1	241	50	32	323				
Milestone 2	249	27	47	323				
Milestone 3	234	66	23	323				
Milestone 4	266	23	34	323				

• Refer to the attached sheet for student wise details.

Note :

• Kindly look into the category of students who were **Absent** during the assessment and ensure that the students take the assessment without fail.

• Check for the # of students getting passed in each milestone and ensure that the student prepare well for the assessment.

- Ensure that the students prepare well for the assessment and so clearing the assessments. Each student should secure 60% for clearing an assessment.

- One Re-Test per milestones can be scheduled for the Absent/Failed students, post completion of all the 4 learning phase milestones. Kindly do not disclose the same to students before completion of all 4 regular learning phase assessments.

For any clarifications and support, feel free to write to talent.next@wipro.com

Thanks and Regards

Dear TPO/Professor,

        As we had informed in our earlier mail dt. 8th Oct, we have delivered the course completion certificate to all the eligible students via our DICE ID App. Inform your students to follow the steps mentioned in the FAQ document sent along with the earlier mail and download their certificates.

        Kindly inform your students NOT to write direct mails to talent.next@wipro.com or support@diceid.com which would be difficult to track and will not be responded.

        Any concerns on certificates, requesting you to consolidate all those into a single excel file and then send to us so that it can be checked and sorted out. Only emails from WCFs or TPOs on this will be responded.

        Also find attached the summary list of the certificates delivered. Column **Cred_URL** in the attached excel file has the links for the certificate against each student. You can refer the same.

Thanks and Regards

Dear TPO/Professors,

Warm Greetings from **TalentNext.**

Thanks for being part of this year training engagement for your nominated students on **Java Full stack /DotNet Full Stack** skills and successfully completing the training program along with required assessments.

Kindly find below the overall results of assessments. We have already shared with you **final** detailed results file yesterday.

Students who had cleared **all 4 milestones with 60% and above** will receive Java Full Stack / DotNet Full Stack certificate based on the stream being trained.

You can filter column **BK** [Milestones Passed Cleared] for value 4 to get all milestones cleared students from yesterday's report.

The course completion certificates to all the eligible students as per the above criteria will be processed and sent via our certificate credentials platform DICE by this week **[07th to 11th Oct]** in batches.

Kindly inform the students that they will be getting a mail this week from no-reply@diceid.om with the instructions and QR code to get it via DICE ID app.

The TPO E-mail ID will also get a consolidated list for all the certificates dispatched with links to view/download individual certificates.

College Name: **Gayatri Vidya Parishad College of Engineering for Women, Visakhapatnam**

	Java Full Stack	DotNet Full Stack
# Nominated Students	**323**	
# Students Certified	**200**	

Kindly share the below instructions and the attached DICE FAQ to the respective students for reference and inform them that they should **NOT** delete the DICE ID app.

Process for receiving the certificates by students.

- All students eligible for certificate will be receiving a mail from no-reply@diceid.com with a subject line "**Wipro – TalentNext – Student Training Engagement - Course Completion Certificate via DICE ID Credential Platform**".
- As per the instructions provided on the mail, the student must download the DICE ID app.
- Post installation of DICE ID app should scan the QR code provided on the mail to get the credentials of certificate.
- From DICE app, can get the details of the certificate and the link to open/download the certificate.

In case of any issues faced, inform the student **NOT** to directly write to support@diceid.com. Rather to you and college can send us a consolidate file with issues to talent.next@wipro.com so that it would be easy to support.

Below screen shot shows what they will get once they scan the QR code received via mail on DICE ID app
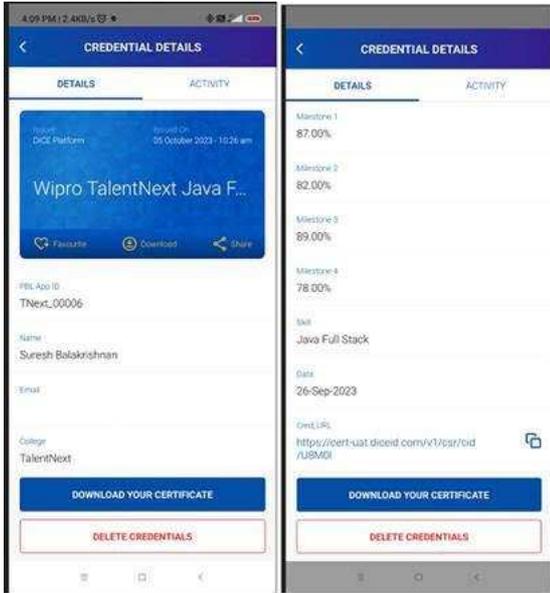

For any clarifications and support, feel free to write to talent.next@wipro.com

Thanks and Regards
