5.3.2 Presence of an active Student Council and representation of students in academic and administrative bodies/committees of the institution: Describe the Student Council's activities and students' role in academic and administrative bodies/committees (within a maximum of 200 words)

The institution places a strong emphasis on ensuring meaningful student representation across academic, administrative, co-curricular, and extracurricular domains. Mechanisms for student involvement are structured, transparent, and aligned with established institutional norms.

GVPCEW hosts nearly fifteen active clubs and cells each designed to promote leadership, skill development, holistic growth and collectively contribute to institutional governance and development.

Student representation is evident in several key institutional bodies, including the **Institute-Level Quality Assurance Committee (IQAC)**, the **Industry-Institute Partnership Cell (IIPC)**, the **Entrepreneurship Development Cell (EDC)**, and the **Institute Innovation Council (IIC)**. These bodies enable students to participate in planning, feedback mechanisms, and quality enhancement activities, thereby strengthening academic and professional engagement.

Additionally, students play an active role in **class committees**, **professional body chapters**, and **departmental associations**, where they are involved in academic discussions, feedback processes, and departmental activities. To support student welfare and inclusive campus development, the institution has established committees such as the **Anti-Ragging Committee**, **Hostel Committee**, and **Literary and Cultural Committee**. Furthermore, creative and extracurricular engagement is promoted through clubs such as the **Music Club** and **EcoTech Club**. The **NSS** and **Sports Committee** contribute to the physical well-being of students by organizing events and encouraging participation in athletic activities.

AIMERS CLUB

DEPARTMENT OF CSE (AI&ML)

AIMERS: Artificial Intelligence and Machine Learning Engineers

Vision:

- To be a premier student-run organization fostering a collaborative learning environment for students pursuing Artificial Intelligence and Machine Learning at Gayatri Vidya Parishad College of Engineering For Women.
- To become a hub of innovation and intellectual exchange, empowering students to excel in their academic and professional pursuits related to AI & ML.

Mission:

- To build a passionate AI & ML community through knowledge sharing and project development.
- To bridge the gap between theory and practice with workshops, guest lectures, and industry exposure.
- Nurture well-rounded individuals with strong technical skills, communication abilities, and ethical considerations in AI.
- To create an inclusive, welcoming community for all students passionate about AI and ML, making AIMERS a space for growth, learning, and shared aspirations.

Summary:

AIMERS, standing for Artificial Intelligence and Machine Learning Engineers is a student-driven club dedicated to excellence in AI and ML. Through collaboration, mentorship, and a commitment to innovation, AIMERS empowers students to shape the future of AI and ML, bringing them together in a shared journey of knowledge and achievement.

TEAM EXPLANATION

1. Tech Innovators:
   - Responsibilities: Sharing insights on cutting-edge technologies, innovative methods, andtech journeys.
   - Focus Areas: Artificial Intelligence, Machine Learning, AR, VR , Big Data, emerging technologies.
   - Tasks: Curating and disseminating tech-related content, staying updated on industrytrends, and showcasing technological advancements.
   - Examples: Organizing workshops on AI, ML, AR/VR, hosting talks by industry experts,sharing articles and resources on emerging technologies.

2. Open Source Contributors:
   - Responsibilities: Facilitating coding support, fostering innovation, and providing platforms for collaboration.
   - Focus Areas: Open-source projects, coding communities, resolving coding queries.
   - Tasks: Engaging with coders, offering coding resources, organizing coding events, and encouraging contributions to open-source projects.

3. Social Coordinators:
   - Responsibilities: Curating engaging content for social media, assisting non-tech individuals in content creation, and promoting opportunities.
   - Focus Areas: Social media content creation, community engagement, event promotion, Resume writing.
   - Tasks: Creating compelling content, coordinating outreach efforts, and fostering community interaction, concentrating on resume building, and strong communication skills.
   - Examples: Creating career-oriented content, organizing workshops on resume writing and communication skills, connecting individuals with relevant job opportunities, providing resources for career development.

4. Social Media Handlers:
   - Responsibilities: Ensuring timely and engaging social media posts, fostering engagement with followers, and amplifying event visibility.
   - Focus Areas: Event promotion, real-time updates, follower engagement.
   - Tasks: Posting event updates, engaging with followers, responding to inquiries, andleveraging social media platforms for event promotion.

- Examples: Creating engaging content for social media platforms, promoting upcoming events, responding to comments and messages, conducting live Q&A sessions.

5. Student Innovators:

- Responsibilities: Empowering students to explore new ideas, seize opportunities, andinnovate.
- Focus Areas: Student engagement, innovation support, mentorship.
- Tasks: Providing guidance on project ideas, organizing innovation workshops, connecting students with resources, and fostering a culture of innovation.
- Examples: Organizing ideation sessions, conducting brainstorming workshops, connecting students with mentors and industry experts, providing resources for projectdevelopment.

6. Knowledge Exchange Hub:

- Responsibilities: Providing academic support and guidance to students who needassistance.
- Focus Areas: Academic mentorship, subject tutoring, study skills development.
- Tasks: Offering tutoring sessions, organizing study groups, providing resources for academic improvement, and offering guidance on academic challenges.
- Examples: Conducting doubt-clearing sessions, organizing subject-specific workshops,sharing study materials and resources, providing guidance on project development.

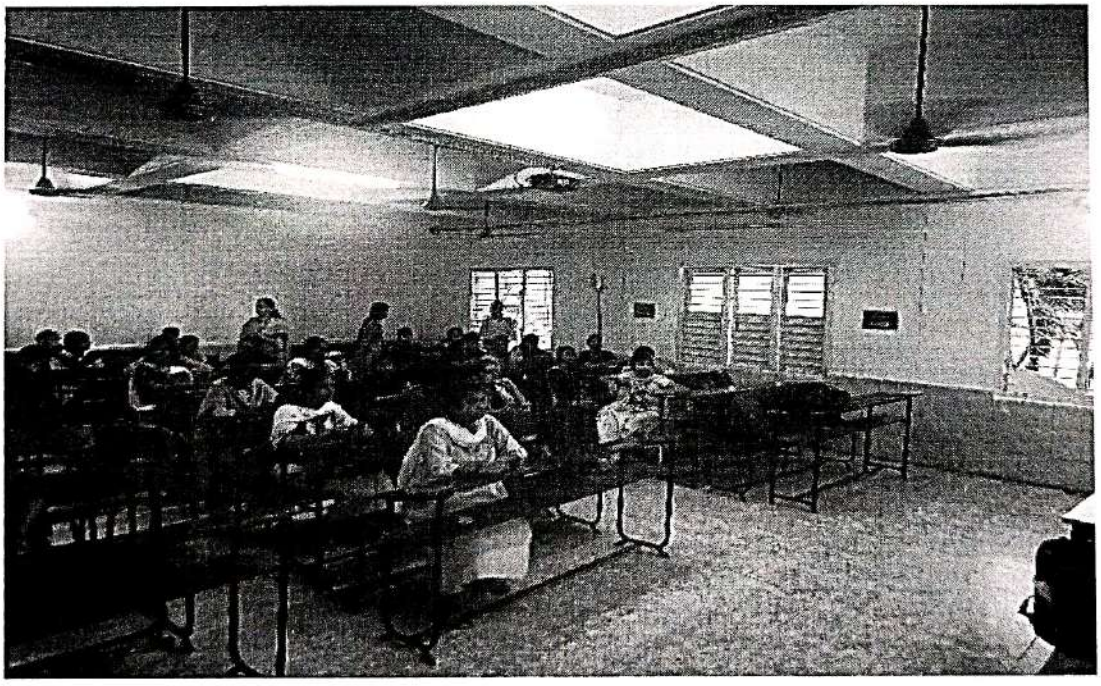

GVP COLLEGE OF ENGG. FOR WOMEN * VISAKHAPATNAM *

AIMERS CLUB ACTIVITIES

1. Beyond Bytes Event:

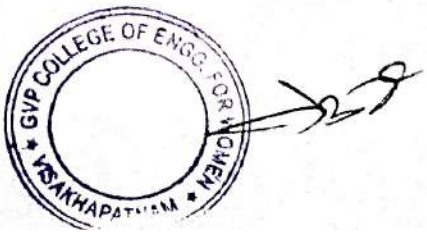

- **Date:** 8th November
- **Timings:** 3:20 p.m - 4:10 p.m
- **Overview:** This Beyond bytes is one of the events Conducted to the students of second year by the Aimers Club. This Session includes questions on basic programming languages which helps in improving their skills in programming like C, Java, Data Structures etc., This session covers the basics of all the programming languages that are covered in their past semesters.
- **Objective:** The challenge aimed to evaluate and improve participants' problem-solving skills, programming abilities, and understanding of computer science principles. It provided tasks covering various areas, helping participants refine their coding skills. By engaging in these kind of activities, participants deepened their understanding of programming concepts

Winner: Yasaswini Chebolu(2CSM-1)

2. Quiz:

- **Date: 7th November**
- **Time: 3:20pm - 4:10pm**

- **Overview:** This Session includes questions from aptitude which shows their ability to answer the logical reasoning, verbal and non-verbal reasoning, etc.... The major of the questions asked are from the subjects of Java OOPS, Fundamentals of C, etc.

- **Objective:** The quiz was to provide valuable insights into Aptitude and logical reasoning and coding .And help many identify their individual level of vocational strengths and weaknesses, intelligence which can make them learn more effectively and achieve their goals .The event successfully fostered an environment of learning and constructive competition.
- **Winners : B. Niharika**
  L. Sravani
  P. Sai Geethika
  CH. Sriya Meenakshi

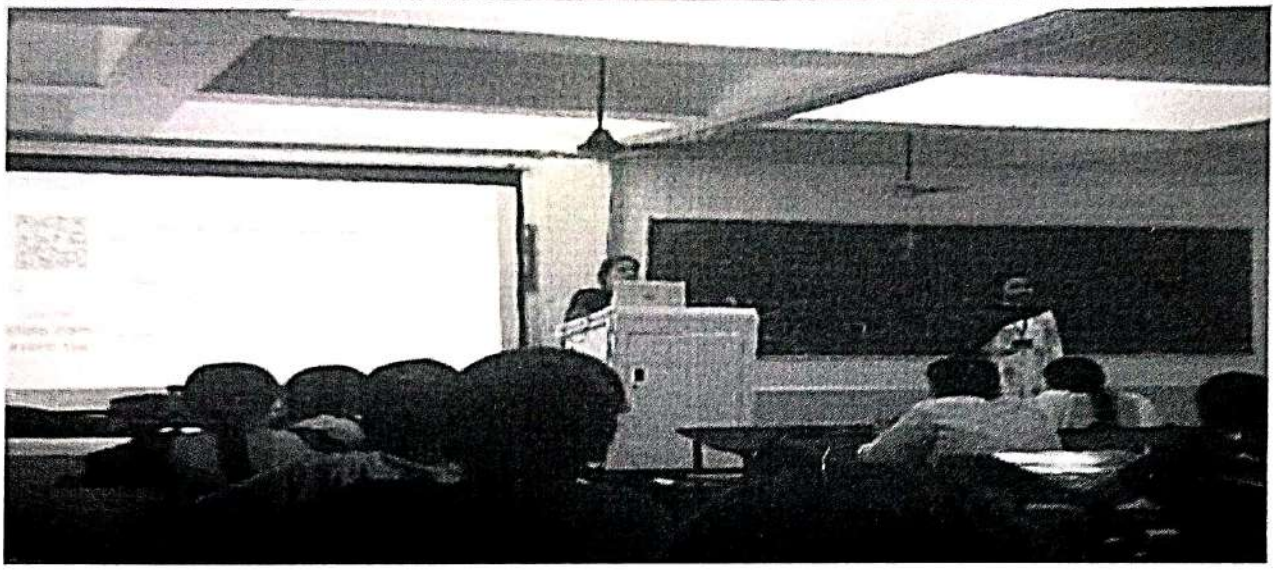

3. Insightful Session By Tech Innovators:

- **Date: 8th November**
- **Time: 3:20pm – 4:10pm**
- **Overview:** The technical event tested participants on programming and computer science basics through multiple-choice questions. It also included exercises where participants had to find and fix errors in code snippets.
- **Objective:** The challenge aimed to evaluate and improve participants' problem-solving skills, programming abilities, and understanding of computer science principles. It provided tasks covering various areas, helping participants refine their coding skills. By engaging in these kind of activities, participants deepened their understanding of programming concepts
- **Winners :**

GVP COLLEGE OF ENGG. FOR WOMEN * VISAKHAPATNAM *

INAUGURATION DAY

Unveiling **AIMERS** - Artificial Intelligence & Machine Learning Engineers

- **Date:** 16th November 2024
- **Venue:** Gayatri Vidya Parishad College of Engineering for Women (GVPCEW)
- **Start Time:** 11:00 AM
- **Agenda of the Program**
    - **11:00-11:05:** Inviting Dignitaries to the Dias
    - **11:06-11:09:** Prayer Song
    - **11:10-11:15:** Lighting the Lamp
    - **11:16-11:30:** Badges Distribution of AIMERS by Dignitaries
    - **11:31-11:36:** Address by president
    - **11:37-11:42:** Address by HOD sir
    - **11:43-11:48:** Address by HOD of CSE Department Gitam University Gondi Lakshmeeswari mam
    - **11:49-11:51:** Introduction of Guest of honor
    - **11:52-11:57:** Address by Guest of honor
    - **11:58-12:00:** Introduction of chief guest
    - **12:00-12:05:** Address by chief guest
    - **12:06-12:16:** Felicitation
    - **12:17-12:27:** Prize distribution
    - **12:27-12:30:** Vote of thanks by vice-president
    - **12:30-12:50:** Guest lecture by Gondi Lakshmeeswari mam
    - **1:30:** Culturals

1. Inviting Dignitaries to the Dias(11:00-11:05): The event commenced with the welcoming of esteemed dignitaries to the stage, setting the tone for the auspicious occasion.

2. Prayer Song (11 :06 - 11 :09): A solemn moment of prayer, setting a reflective ambiance for the proceedings.

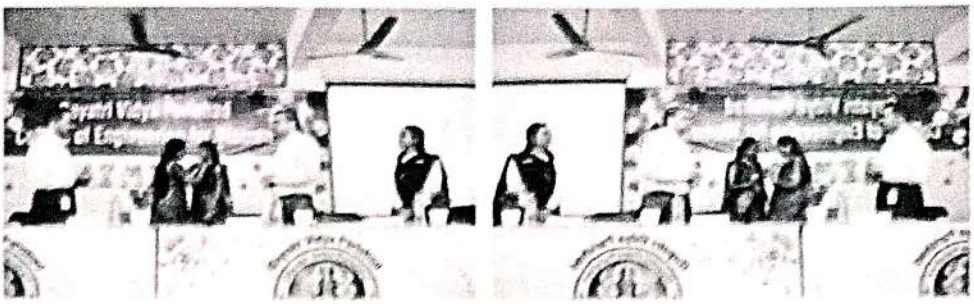

3. Lighting the Lamp (11 : 10 - 11 : 15): Symbolic of enlightenment and auspicious beginnings, the lamp was lit by the dignitaries, marking the inauguration of the event

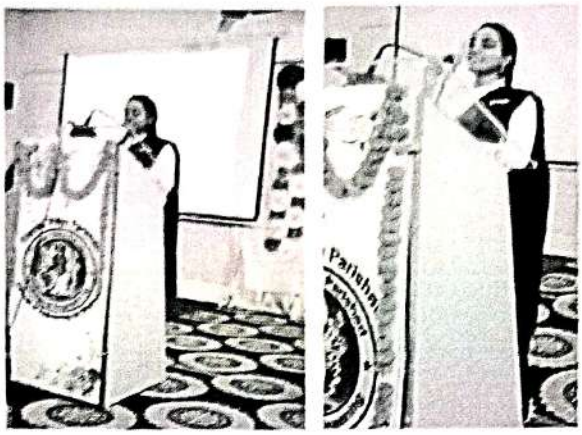

4. Badges Distribution of AIMERS (11:25 - 11:30): Dignitaries presented badges to our team of AIMERS, recognizing their dedication and leadership.

GVP COLLEGE OF ENGG. FOR WOMEN • VISAKHAPATNAM •

5. President's Address (11:31 - 11 :36): The President, Ms. Swapna, addressed the audience, expressing her experience in leading the club.

6. HOD's Address Dr. Dwiti Krishna Bebarta, HOD of CSM, delivered a speech offering his support and guidance.
7. Address by HOD of CSE Department Gitam University Gondi Lakshmeeswari mam(11 :43 - 11 :48): Gondi Lakshmeeswari mam, provided an inspirational message.
8. Introduction and Address by Guest of Honor (11 :49 - 11:57): Introduction of the Guest of Honor, Mr. Alok Soni, followed by his speech.
9. Felicitation (12:06 - 12:16): The felicitation of the Chief Guest and Guest of Honor by the department heads, which include the Vice Principal, the Dean of Research and Development, and the Head of Department for CSE (AI&ML), will serve as a formal gesture of respect and appreciation towards their distinguished presence and invaluable contributions to the event and the field of education.
10. Prize Distribution (12:17 - 12:27): In the journey through CSM, filled with challenges and opportunities like hackathons and competitions, AIMERS organized events to boost student participation in technical and ethical fields. Dignitaries rewarded outstanding achievements, motivating students to excel in different areas.
11. Vote of Thanks (12:27 - 12:30): The Vice President extended gratitude to all participants, organizers, and dignitaries for their invaluable contributions to the success of the event.
12. Guest Lecture by Tirumalesh Konathala (12:30 - 12:50): An enriching session by the

GVP COLLEGE OF ENGG. FOR WOMEN • VISAKHAPATNAM •

13. Chief Guest provided insights into emerging trends in the field of technology

14. Cultural Program (1:30 onwards): The cultural extravaganza captivated the audience, igniting a shared appreciation for diversity and talent, and fostering a warm atmosphere of togetherness

Event Highlights:

- Unveiling of AIMERS - Artificial Intelligence & Machine Learning Engineers, marking a significant milestone in the college's journey.
- Inspiring addresses by eminent personalities, motivating students to strive for excellence. - Recognition of student achievements through badge distribution and prize ceremonies.
- Enriching guest lecture providing valuable insights into the future of technology.
- Cultural program showcasing the vibrant talent within the college community.

Python Sessions Report

Presentators :

BEERAKA ANUSHA (322103282011) (SOCIAL MEDIA HANDLER LEAD)
GOLLAPUDI APARNA (322103282032) (SOCIAL COORDINATOR)

Day 1 Session
Date: 25/3/25
Trainers: Beeraka Anusha & Gollapudi Aparna
Topic: Introduction to Python & Basic Programming Concepts

---

1. Overview

Day-1 focused on introducing Python and covering all foundational concepts required for beginners. The session included explanations, demonstrations, and discussion-based learning.

---

2. Topics Covered

2.1 Introduction to Python

- What is Python
- Features of Python
- Where Python is used (Web Dev, Data Science, AI/ML, Automation)
- Python as a high-level, interpreted, and beginner-friendly language
- Programming paradigms supported by Python

2.2 Variables

- What variables are
- How Python stores data
- Dynamic typing
- Naming rules and conventions

2.3 Operators

- Arithmetic operators
- Comparison operators
- Logical operators
- Assignment operators
- Bitwise operators
- Membership operators

2.4 Conditional Statements

- if condition

GVP COLLEGE OF ENGG. FOR WOMEN * VISAKHAPATNAM *

- if-else structure
- if-elif-else ladder
- Real-life decision-making examples

2.5 Loops

- Purpose of loops
- for loop usage
- while loop usage
- Understanding iteration and repetition

2.6 Strings

- Introduction to strings
- Characteristics of strings
- Operations performed on strings (concatenation, slicing, indexing)

2.7 String Functions

- Case conversion (upper, lower, title, etc.)
- Splitting and joining
- Checking properties (isalpha, isdigit, etc.)
- Removing spaces (strip, lstrip, rstrip)
- Searching and counting occurrences
- Replacing text

---

3. Student Engagement

- Students participated actively
- Multiple small examples were explained
- Students interacted by answering concept questions
- Several doubts on conditions and loops were clarified

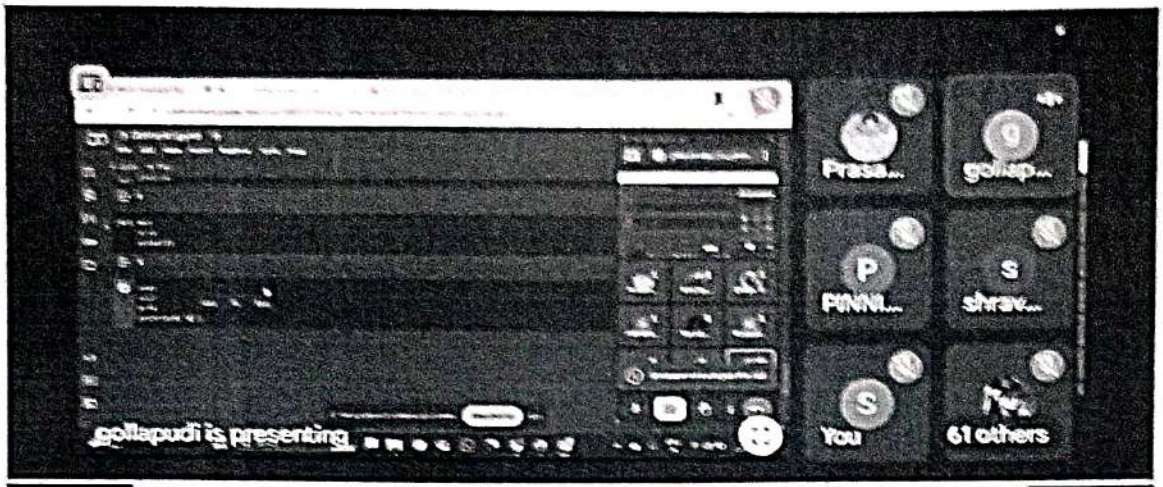

---

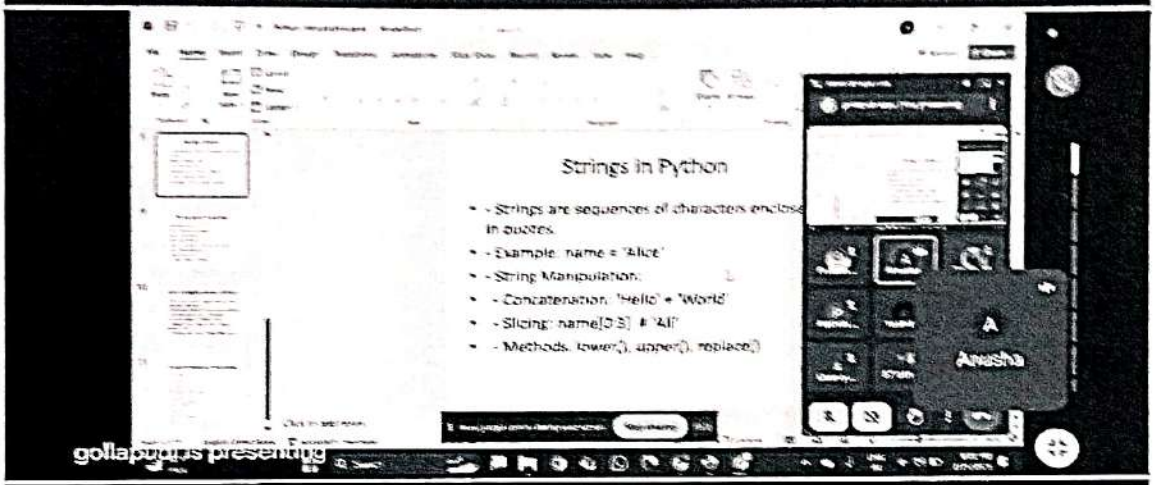

4. Learning Outcomes

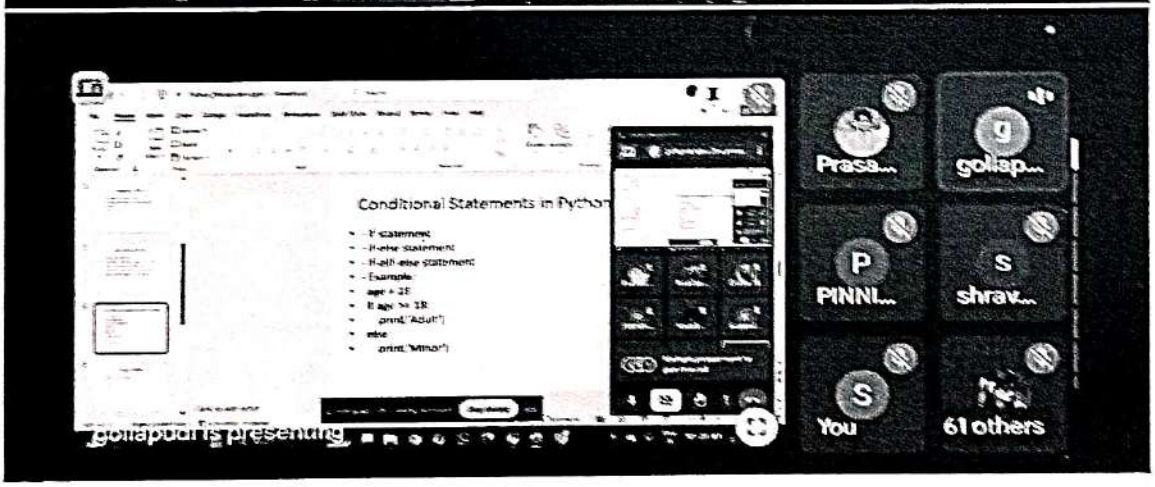

By the end of Day-1, participants understood:

- Basics of Python programming
- How variables and operators work
- How to write conditional statements
- How loops help in repeating tasks
- How to work with strings and apply various string functions

GVP COLLEGE OF ENGG. FOR WOMEN
VISAKHAPATNAM

Day 2 Session
Date: 26/3/25
Trainers: Beeraka Anusha & Gollapudi Aparna
Topic: Python Coding Practice – Variables, Operators, Conditionals, Loops & Strings

---

1. Overview

Day-2 was focused entirely on **practice-based learning**. Students solved multiple beginner-level and intermediate-level Python questions across variables, operators, conditional statements, loops, and strings.

The aim was to strengthen logic-building and apply concepts learned on Day-1.

---

2. Topics Covered / Practice Areas

2.1 Variables & Operators – Practice Questions

Students practiced problems involving:

- Swapping values
- Calculating areas
- Performing arithmetic operations (sum, difference, product, quotient)
- Checking even/odd numbers using operators

These questions reinforced the use of **variables, arithmetic operators, and basic I/O.**

2.2 Conditional Statements – Practice Questions

Problems covered:

- Checking if a number is positive, negative, or zero
- Finding the largest among three numbers
- Checking eligibility conditions (e.g., voting age)

Students strengthened their understanding of **if, elif, else** structures and logical decision-making.

2.3 Loops – Practice Questions

Participants solved tasks involving:

- Printing sequences of numbers
- Calculating values using repeated iteration
- Reversing numbers
- Understanding when to use for vs. while

This improved clarity on **iteration, counters, and loop-controlled execution.**

2.4 String Manipulation – Practice Questions

The session included:

- Checking if a string is a palindrome
- Counting vowels
- Converting string cases
- Removing spaces and special characters

This helped students explore **string functions and text-processing logic.**

GVP COLLEGE OF ENGG. FOR WOMEN * VISAKHAPATNAM *

2.5 Bonus Challenge Questions

Students were also given higher-level logic-building tasks:

- Creating star/pyramid patterns
- Implementing a simple calculator (concept-wise)
- Finding the second largest element in a list
- Finding unique values from repeated elements without using extra memory
- Predicting the output of chained string operations (as a quick quiz)

These questions encouraged **problem-solving, optimization, and understanding built-in functions**.

---

3. Student Interaction & Activities

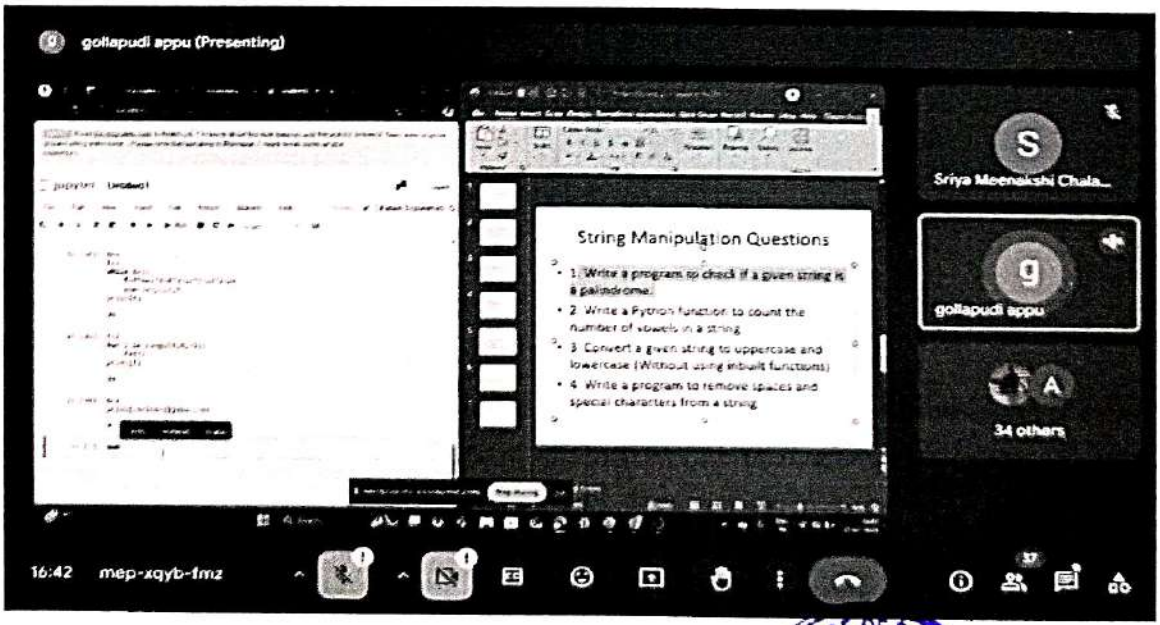

- Students actively attempted multiple questions.
- Trainers discussed logic step-by-step to strengthen conceptual understanding.
- A live Q&A session was conducted to test understanding (example: predicting output of string transformations).
- Students raised hands and participated in output-prediction tasks.

---

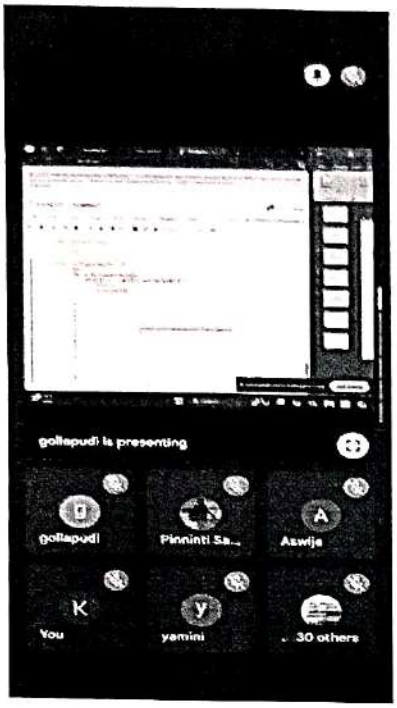

4. Learning Outcomes

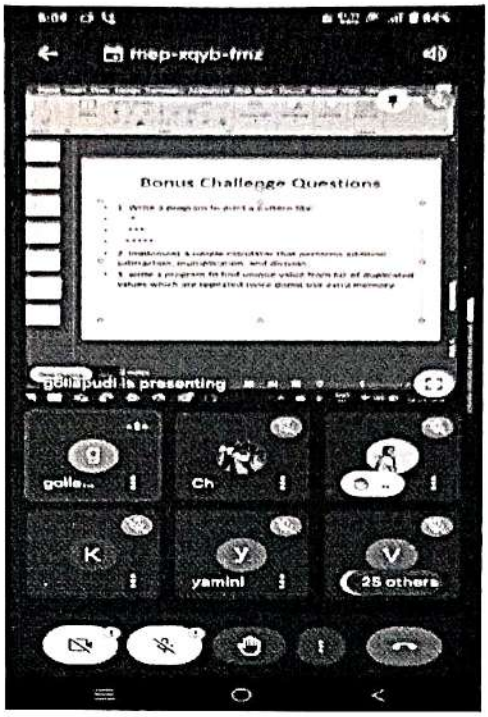

By the end of Day-2, students were able to:

- Apply Python fundamentals in solving real problems
- Use operators and conditions effectively
- Build logic using loops
- Process and analyze text through strings
- Approach problems with structured reasoning
- Improve confidence through repeated practice

GVP COLLEGE OF ENGG. FOR WOMEN • VISAKHAPATNAM •

Day 3 Session
Date: 1/4/25
Trainers: Beeraka Anusha & Gollapudi Aparna
Topic: Python Data Structures – Lists, Tuples, Sets & Dictionaries

---

1. Overview

Day-3 focused on **Python's core data structures**, which help students store, organize, and manage data efficiently. The session explained the characteristics, operations, and commonly used methods for each data structure. Students explored how mutability, ordering, and uniqueness differ across lists, tuples, sets, and dictionaries.

---

2. Topics Covered

2.1 Lists in Python

Students learned:

- Lists as **ordered and mutable** collections
- How lists store multiple values in a sequence
- Basic operations like indexing and slicing
- Common list actions such as:
    - Adding elements
    - Removing elements
    - Sorting
    - Reversing
- Real-life scenarios where lists are most useful

2.2 Tuples in Python

GVP COLLEGE OF ENGG. FOR WOMEN * VISAKHAPATNAM *

Covered concepts:

- Tuples as **ordered but immutable** collections
- How tuple immutability improves speed and safety
- Accessing elements using indexing and slicing
- Basic built-in tuple functionalities such as:
  - Counting occurrences
  - Finding the position of a value
- Importance of tuples in fixed-data situations

2.3 Sets in Python

Students learned:

- Sets as **unordered collections** with **unique elements**
- Why sets avoid duplicates
- Set operations such as:
  - Union
  - Intersection
- Common set methods:
  - Adding elements
  - Removing elements (with and without errors)
  - Removing random items
  - Clearing all items
  - Updating with multiple elements
- Introduction to **frozenset** (immutable version of a set)

2.4 Dictionaries in Python

Discussion included:

- Dictionaries as **key-value pair** collections
- How keys enable fast data lookup
- Accessing values using keys
- Adding & updating entries
- Common dictionary methods like:
  - Getting all keys
  - Getting values
  - Viewing key-value pairs
  - Safe value retrieval

- Removing specific entries
- Updating the dictionary with new pairs

- Practical usage like storing structured data (e.g., student info, item price maps)

---

3. Student Interaction

- Students compared data structures based on mutability, ordering, and usage.
- Multiple examples were discussed during the session.
- Learners practiced identifying which data structure is suitable for different problem types.

---

4. Learning Outcomes

By the end of Day-3, students were able to:

- Understand the differences between lists, tuples, sets, and dictionaries
- Know when to choose which data structure
- Perform core operations on each structure
- Recognize mutable vs immutable data types
- Apply data structures effectively in coding tasks

Day 4 Session
Date: 5/4/25
Trainers: Beeraka Anusha & Gollapudi Aparna
Topic: NumPy – Arrays, Vectorized Computation & Numerical Operations

---

1. Overview

Day-4 focused on **NumPy**, one of the most important libraries for numerical computing in Python. Students learned how NumPy arrays work, how they differ from Python lists, and how to perform fast mathematical operations using vectorization.
The session included conceptual explanations and demonstrations using arrays, indexing, broadcasting, and linear algebra.

---

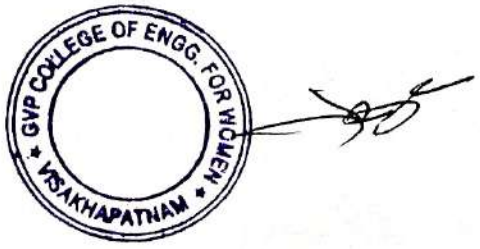

2. Topics Covered

2.1 Introduction to NumPy

- Meaning of NumPy (Numerical Python)
- Importance of NumPy in data science, ML, scientific computing
- How NumPy stores data internally in continuous memory
- Why NumPy is faster than Python lists (vectorization + C-level operations)

2.2 NumPy Arrays (ndarrays)

- What is an ndarray (multi-dimensional array object)
- Creating NumPy arrays from lists
- Understanding:
  - Dimensions (ndim)

- Shape (shape)
- Size (size)
- Data types (dtype)

- Creating special arrays:
  - zeros, ones, identity matrix
  - arange, linspace
  - full arrays

2.3 Array Data Types

- Different numeric types (int, float, etc.)
- How NumPy stores elements in fixed-type format
- Converting array data types (casting)
- Why dtype matters for performance and memory

2.4 Arithmetic & Vectorized Computation

- Element-wise operations between arrays
- Scalar operations applied to entire arrays
- Broadcasting and broadcasting rules
- Fast mathematical operations using vectorized computation instead of loops

---

2.5 Indexing & Slicing

- 1D, 2D, and multi-dimensional indexing
- Slicing rows and columns
- Array slices as *views* (not copies)
- Extracting sub-arrays using slicing

2.6 Boolean Indexing

- Using boolean conditions to filter arrays
- Selecting data that matches certain conditions
- Modifying array elements using boolean masks

2.7 Fancy Indexing

- Indexing arrays using lists/arrays of integer positions
- Row/column selection using index arrays
- Differences between fancy indexing & slicing

2.8 Transposing & Swapping Axes

GVP COLLEGE OF ENGG. FOR WOMEN * VISAKHAPATNAM *

- Transposing arrays
- Using .T, transpose(), and swapaxes()
- Working with higher-dimensional arrays

2.9 Universal Functions (ufuncs)

- Fast element-wise operations
- Unary functions (sqrt, abs, exp, etc.)
- Binary functions (add, maximum, etc.)
- Importance of ufuncs for optimized computation

2.10 Array-Oriented Programming Concepts

- Using np.where() for vectorized conditional logic
- Mathematical & statistical functions such as:
    - sum, mean, max, min
    - cumsum, cumprod
- Methods for boolean arrays:
    - any(), all()

2.11 Sorting & Set Operations

- Sorting arrays along different axes
- Flattened sorting
- Unique values and set-like operations

2.12 File Input & Output

- Saving arrays to disk using:
    - save, load (binary formats)
    - savez for multiple arrays
- Understanding .npy and .npz formats

2.13 Linear Algebra with NumPy

- Introduction to numpy.linalg module
- Matrix operations:
    - Matrix multiplication
    - Transpose
    - Inverse
    - Determinant

- Trace
- Diagonal
- Rank

- Solving linear equations
- Eigenvalues and eigenvectors

2.14 Random Number Generation

- Using numpy.random
- Generating:
  - random floats
  - random integers
  - normal distribution samples
- Importance of seeds for reproducibility
- RandomState for isolated random generators

---

3. Student Interaction

- Students explored array operations live
- Compared Python list operations vs NumPy performance
- Hands-on demonstrations for indexing, slicing, broadcasting
- Students asked questions about memory, shapes, and errors

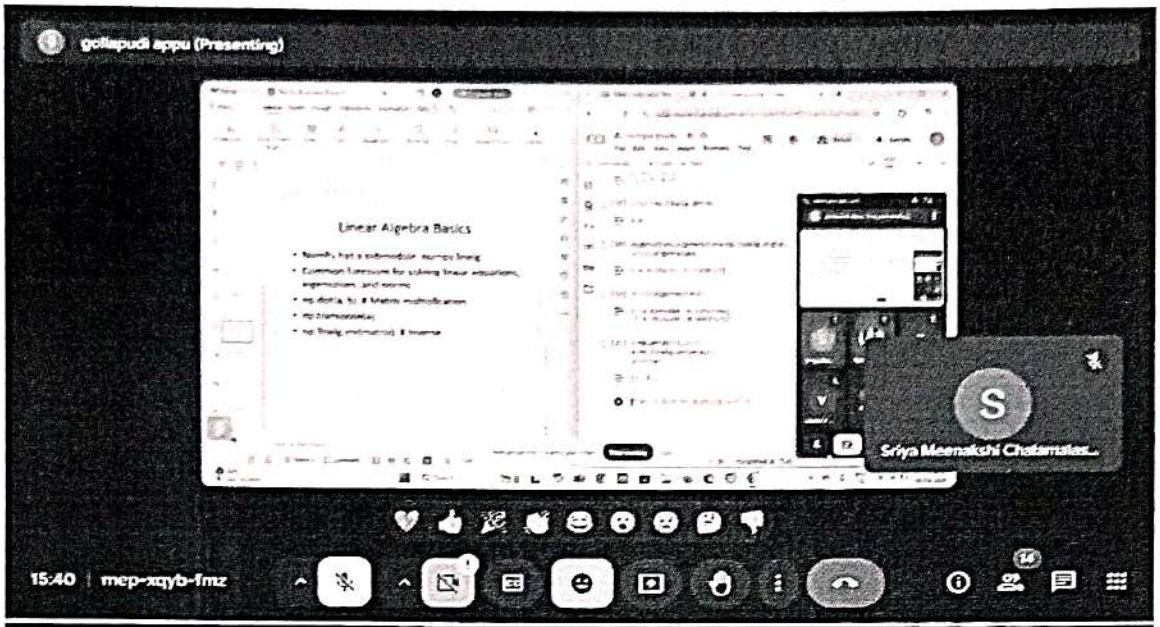

---

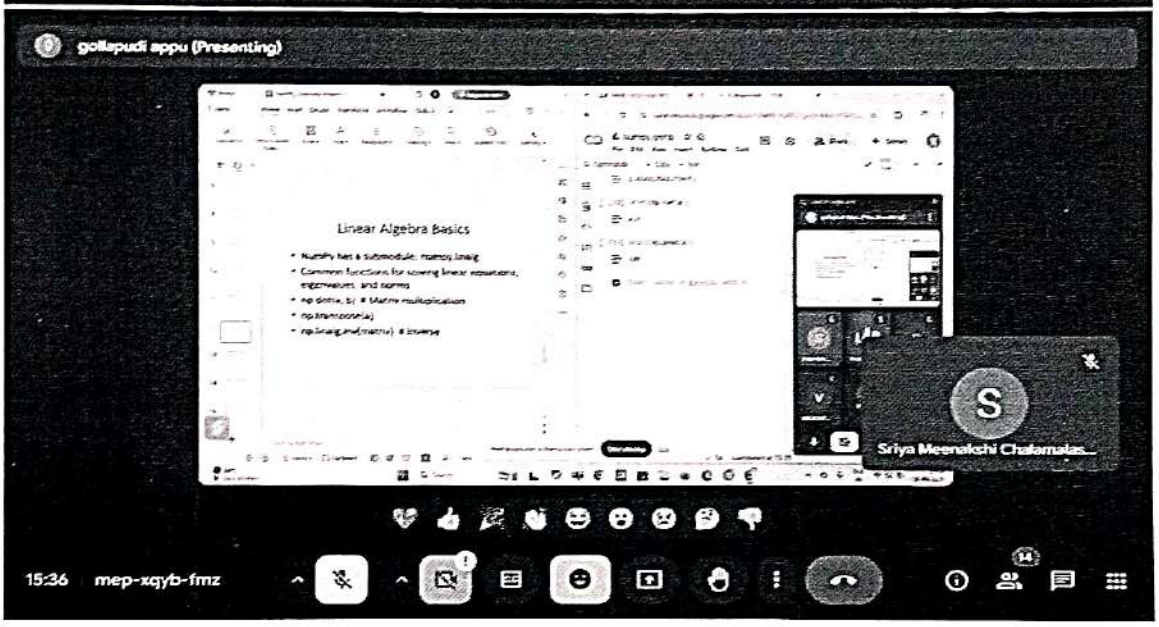

4. Learning Outcomes

By the end of Day-4, students were able to:

- Understand NumPy arrays and their advantages
- Perform mathematical operations efficiently
- Use indexing, slicing, and masking to extract data
- Apply universal functions and vectorized computations
- Work with linear algebra operations using NumPy

GVP COLLEGE OF ENGG. FOR WOMEN
VISAKHAPATNAM

Insightful Sessions from Open-Source Contributors

Course Name: Power BI
Team: Open-Source Contributors

Session 1: Introduction to Power BI

Date: 26-05-2025
Mode: Online

Session Objective:
To introduce participants to Power BI and its key functionalities, and demonstrate how to import and visualize data from multiple sources.

Topics Covered:

1. Overview of Power BI
    - Components: Power BI Desktop, Power BI Service, Power BI Mobile
    - Real-life applications: Business reporting, KPI tracking, sales analysis
2. Importing Data
    - Supported data sources: Excel, CSV, SQL, Web APIs
    - Data connectivity and live vs. static data
3. Basic Visualization
    - Creating charts, tables, and cards
    - Customizing visuals (colors, labels, tooltips)

Outcome:
Participants will gain a foundational understanding of Power BI, its interface, and basic data visualization capabilities.

Session 2: Power Query for Data Transformation

Date: 27-05-2025
Mode: Online

Session Objective:
To introduce the Power Query Editor and demonstrate how to clean, shape, and transform raw data before loading it into Power BI.

Topics Covered:

1. Data Cleaning
    - Removing duplicates and null values
    - Changing data types and renaming columns
2. Data Transformation

- Merging and appending tables
- Splitting and combining columns
- Using conditional columns

3. Query Management
    - Applied steps
    - Refreshing and loading data into Power BI

Outcome:
Participants will understand how to use Power Query to import data from various sources and perform essential data cleaning operations like filtering rows, removing columns, merging tables, and applying transformations.

Session 3: DAX for Creating Custom Calculations

Date: 28-05-2025
Mode: Online

Session Objective:
To explain Data Analysis Expressions (DAX) and teach how to write calculated columns and measures.

Topics Covered:

1. Calculated Columns vs Measures
2. Common DAX Functions: SUM, CALCULATE, FILTER, time intelligence functions
3. Creating KPIs using DAX formulas

Outcome:
Participants will be able to create meaningful metrics and KPIs using DAX formulas and understand how to use functions like SUM, CALCULATE, FILTER, and time intelligence functions.

Session 4: Relationships Between Tables

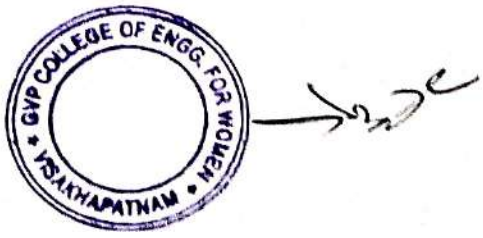

Date: 29-05-2025
Mode: Online

Session Objective:
To help learners understand the importance of data modeling and establishing relationships between tables in Power BI.

Topics Covered:

1. Types of Relationships: One-to-One, One-to-Many, Many-to-Many
2. Data Modeling Best Practices: Star schema vs snowflake schema, avoiding circular dependencies
3. Relationship Management: Using Manage Relationships, direction of relationships

Outcome:
Participants will be able to create and manage relationships between tables, understand cardinality, and resolve issues related to many-to-many relationships.

Session 5: Creating Interactive and Dynamic Dashboards

Date: 30-05-2025
Mode: Online

Session Objective:
To design and develop interactive dashboards that provide real-time insights and enable data-driven decision making.

Topics Covered:

1. Adding visuals and charts
2. Using bookmarks and buttons for navigation
3. Designing dashboards for storytelling

Outcome:

1. Developed interactive dashboards with real-time data visualization
2. Enabled stakeholders to explore and analyze data dynamically
3. Improved decision-making capabilities through data-driven insights
4. Enhanced user experience with initiative and customizable dashboards

Session 6: Utilizing Slicers & Filters Effectively

Date: 31-05-2025
Mode: Online

Session Objective:
To teach how to use slicers and filters to enhance interactivity and user-driven data exploration in reports.

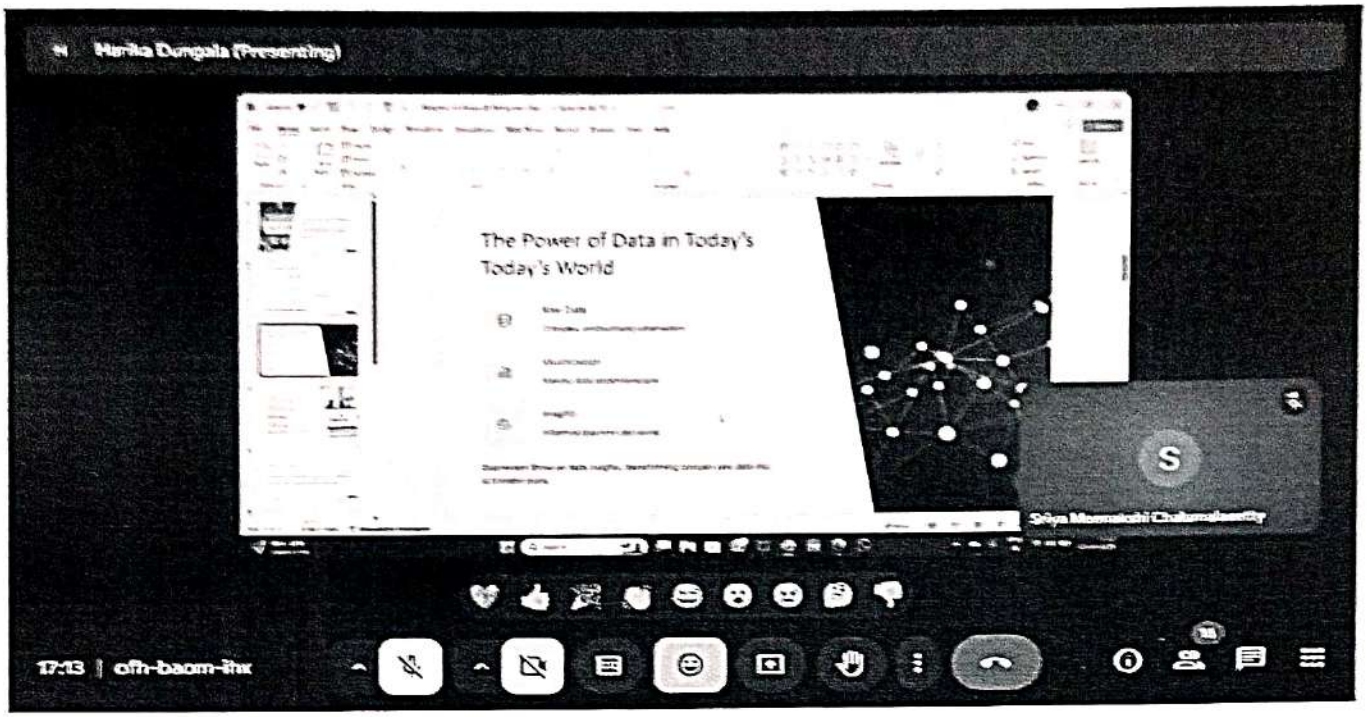

Topics Covered:

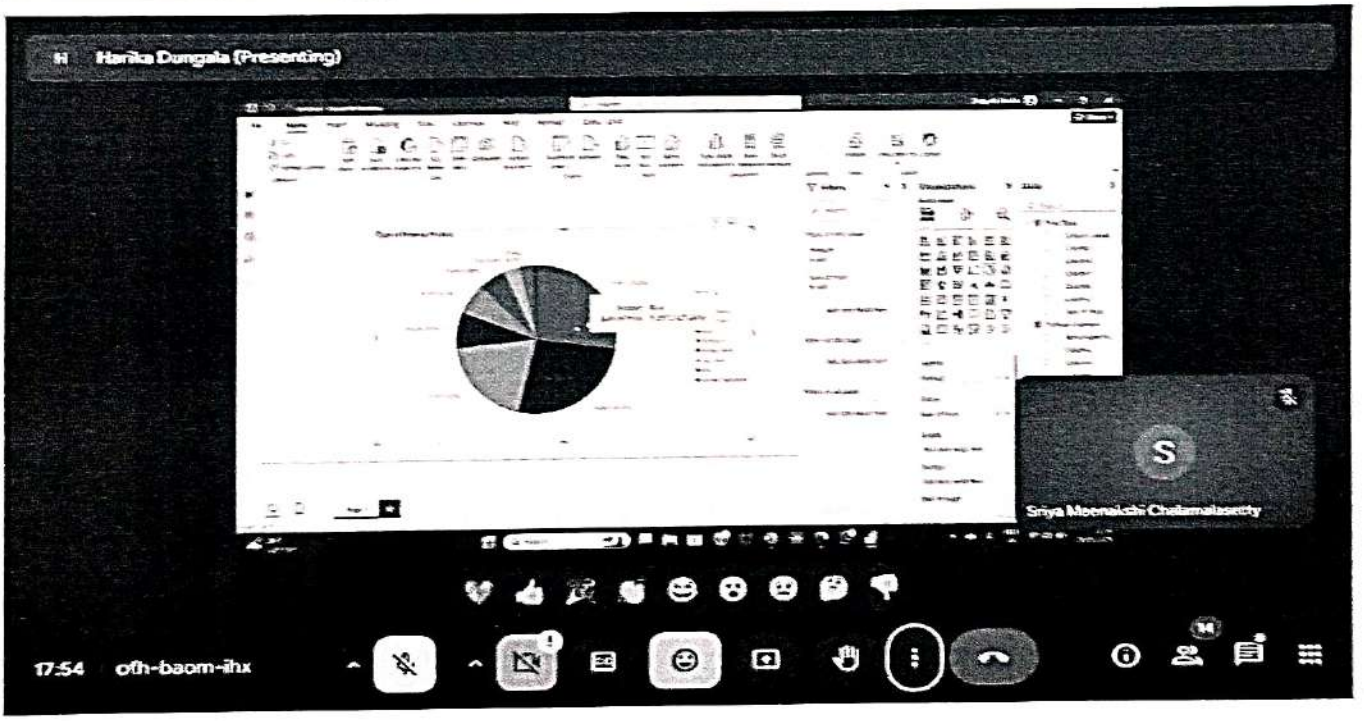

1. Visual-Level Filters
2. Page-Level Filters
3. Report-Level Filters
4. Slicers for interactive exploration

Outcome:
Participants will be able to add and configure slicers, visual-level filters, page-level filters, and report-level filters to allow customized data views for end-users.

Insightful sessions from Tech Innovators

Session 1: Foundations of Machine Learning
Date: 02-06-2025
Mode: Online

Session Objective
To introduce juniors to the foundations of **Machine Learning (ML)**, its core principles, real-world applications, and types of learning approaches used in ML systems.

Topics Covered

1. **Introduction to AI & ML**
   - What is Artificial Intelligence?
   - What is Machine Learning?
   - Real-life applications: Spam detection, image recognition, fraud detection, and predictive analytics.
2. **Unique Attributes of Machine Learning**
   - **Data-Driven Decisions**
   - **Adaptive Learning** based on continuous data input
3. **Historical Overview**
   - Evolution of AI and ML concepts over time
4. **Types of Machine Learning**
   - **Supervised Learning**: Algorithms like Linear Regression, SVM, k-NN; used in spam detection and fraud detection
   - **Unsupervised Learning**: Clustering (K-Means), PCA; used in customer segmentation
   - **Semi-Supervised Learning**: Combines labelled and unlabelled data
   - **Reinforcement Learning**: Learning through feedback from the environment; used in robotics.
   - **Batch vs Online Learning**
5. **ML Workflow**
   - Data Collection
   - Preprocessing and Feature Engineering
   - Model Training and Evaluation
   - Deployment
6. **Challenges in ML**
   - Data quality issues
   - Model overfitting/underfitting
   - Choosing the right algorithm

GVP COLLEGE OF ENGG. FOR WOMEN * VISAKHAPATNAM *

Session 2: Data Preprocessing & Exploratory Data Analysis (EDA)
Date: 03-06-2025
Mode: Online

---

1. Data Preprocessing

A critical step in preparing data for machine learning models. It involves transforming raw data into a clean, structured format.

a. Data Collection

- Sources: CSV, Excel, databases, web, sensors.
- Example: pd.read_csv('titanic.csv')

b. Data Cleaning

- Missing values: fillna(), dropna(), isnull()
- Duplicates: duplicated(), drop_duplicates()
- Data types: astype(), to_datetime()

c. Encoding Categorical Data

Method	Description	Example Tool
Label Encoding	Converts categories to numbers	LabelEncoder()
One-Hot Encoding	Creates separate binary columns	pd.get_dummies()
Ordinal Encoding	Encodes ordered categories	OrdinalEncoder()

d. Feature Scaling

Ensures all features contribute equally:

- Min-Max Scaling: Scales data between 0 and 1.
- Standardization: Mean = 0, Std = 1

e. Train-Test Split

- Splits data for training & testing (e.g., 80-20%)
- Prevents overfitting

2. Exploratory Data Analysis (EDA)

Analyzes data to summarize characteristics using statistics and visualization.

a. Tools

- Pandas: Summary stats (describe())

- Seaborn: Visualizations (histograms, countplots, heatmaps)

b. Example – Titanic Dataset

- Cleaned columns: Age, Embarked
- Encoded: Gender, Embarked
- Visualizations:
  - Survival Count: sns.countplot()
  - Age Distribution: sns.histplot(kde=True)
  - Correlation Heatmap: sns.heatmap(corr)

c. Model Training

- Logistic Regression used.
- Evaluated using accuracy score, confusion matrix, classification report.

Session 3: Supervised Machine Learning
Date: 04-06-2025
Mode: Online

Session Objective
To introduce juniors about supervised machine learning, supervised machine learning algorithms and evaluation metrics of machine learning models.

Topics Covered

1. **Introduction to Supervised Machine Learning**
   - What is Supervised Machine Learning?
   - Types of Supervised Machine Learning Algorithms
2. **Linear Regression**
   - What is Linear Regression?
   - Mathematical Example of Linear Regression
   - Pros, Cons and Applications of Linear Regression
3. **Logistic Regression**
   - What is Logistic Regression?
   - Mathematical Example of Logistic Regression
   - Pros, Cons and Applications of Logistic Regression

4. **K-Nearest Neighbours**
    - What is K-Nearest Neighbours?
    - Mathematical Example of K-Nearest Neighbours
    - Pros, Cons and Applications of K-Nearest Neighbours
5. **Decision Trees**
    - What are Decision Trees?
    - Mathematical Working of Decision Trees
    - Pros, Cons and Applications of Decision Trees
6. **Evaluation Metrics of Machine Learning Models**
    - What is Confusion Matrix?
    - Evaluation Metrics like Accuracy, Precision, Recall, F1-Score and ROC Curve
7. **Working on Hands-on Titanic Dataset**
    - Loads Titanic data
    - Preprocess the data
    - Trains a logistic regression mode
    - Evaluates it using confusion matrix,ROC Curve and classification report

Session 4: Unsupervised Learning & Model Optimization
Date: 05-06-2025
Mode: Online

Clustering

- Definition: Unsupervised learning method to group similar data points.
- **K-Means Clustering**
    - Choose K clusters
    - Assign points to nearest centroid
    - Update centroids iteratively
    - Pros: Simple, fast
    - Cons: Need to choose K, sensitive to outliers
- **Hierarchical Clustering**
    - Builds a dendrogram (tree)
    - Types:
        - Agglomerative (bottom-up)

- Divisive (top-down)
  - Pros: No need for K, shows hierarchy
  - Cons: Slow and memory-heavy

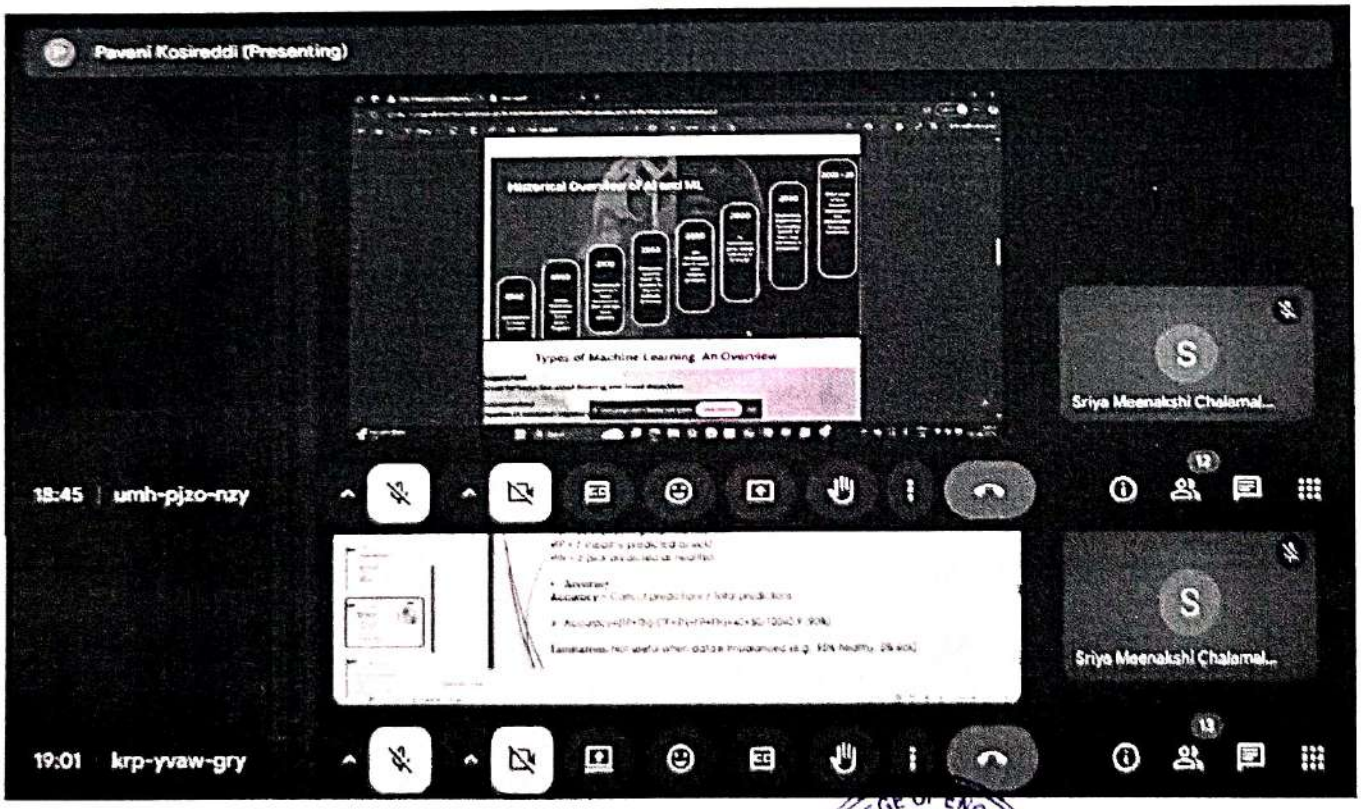

Dimensionality Reduction (PCA)

- Purpose: Reduce number of features to simplify models and improve performance.
- PCA (Principal Component Analysis)
  - Transforms features into uncorrelated principal components
  - Maximizes variance with fewer dimensions
  - Steps: Standardize → Covariance matrix → Eigenvectors → Select top components → Transform
  - Benefits: Simplifies data, improves visualization, reduces overfitting

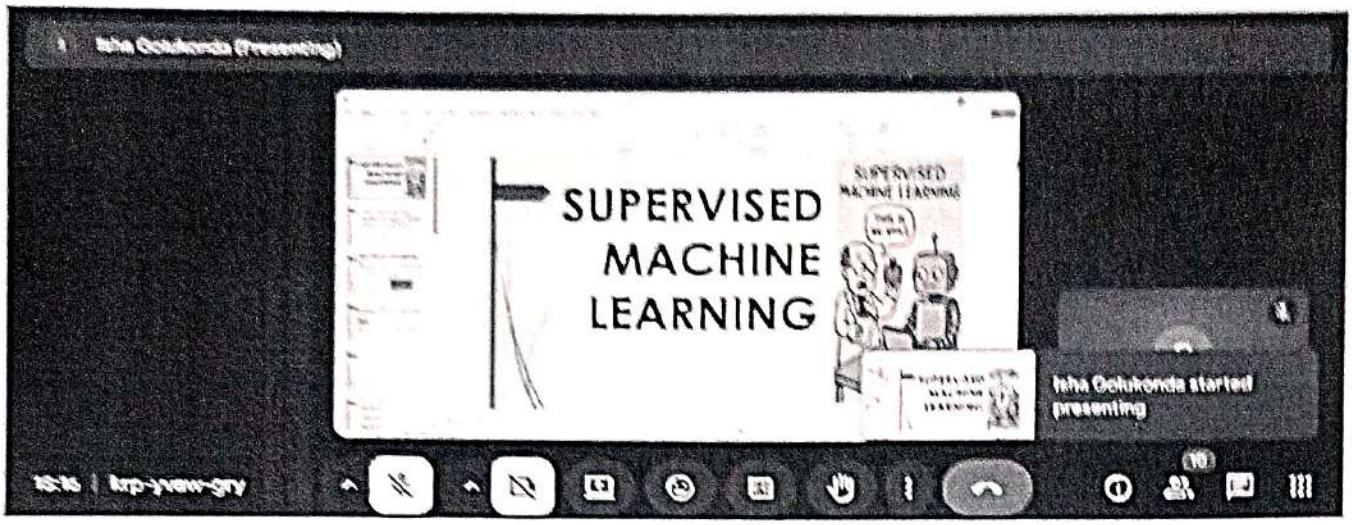

Model Fitting

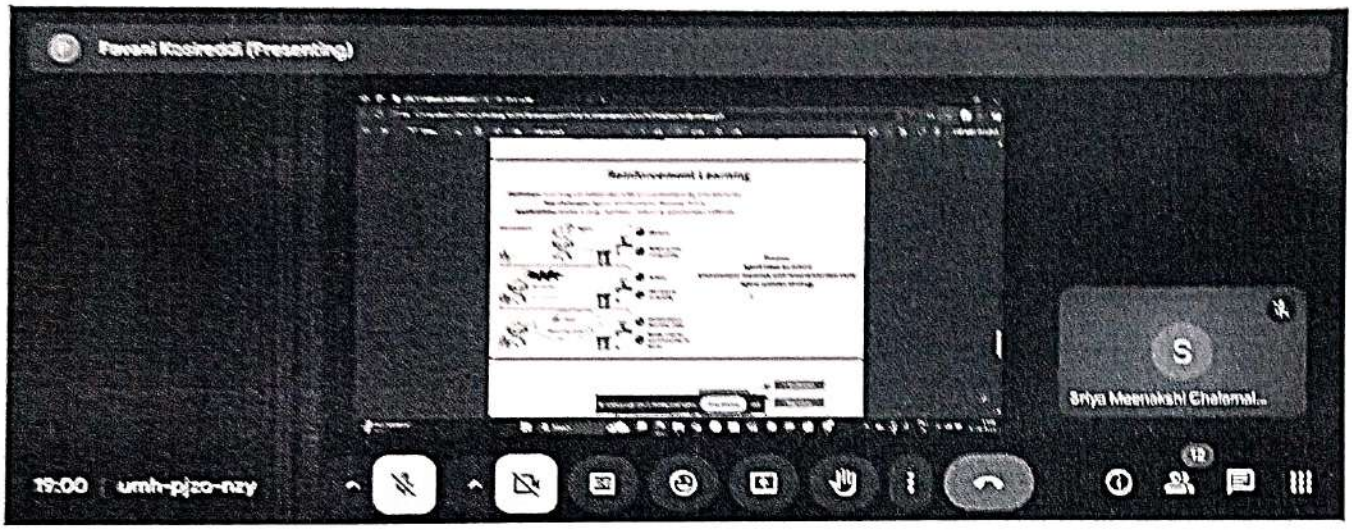

- Overfitting: Model is too complex; high training accuracy but low test accuracy
- Underfitting: Model is too simple; poor performance on both training and test data
- Prevention:
  - Overfitting: Cross-validation, regularization, simpler models, more data
  - Underfitting: Complex models, more epochs, better features

INTERNAL CIRCULAR

Date: 19-09-2025.

With the intention of benefiting students and enhancing their skill set, the following new office bearers for the TESLA – Student Association of the Department of EEE has been formed for the academic year 2024–2025.

Association governing members:

Dr R.V.S.Lakshmi Kumari (HOD EEE)	-	Honorary President		
Dr A.S.V.Vijaya Lakshmi	-	Faculty Coordinator		
Mr. D.Srinivas Reddy	-	Faculty Coordinator/Treasurer		
Ms. A. V. P. Supriya	-	President	-	IV EEE
Ms. D. Samatha	-	Vice President	-	III EEE
Ms. B. Dhamani	-	Secretary	-	III EEE
Ms. B. Kusumanjali	-	Joint Secretary	-	II EEE
Ms. D. Gowthami	-	Treasurer	-	III EEE
Ms. G. Sai Priya	-	Media Coordinator	-	IV EEE
Ms. V. Dharani	-	Member	-	IV EEE
Ms. K. Sathvika	-	Member	-	III EEE
Ms. K. Pravalika	-	Member	-	II EEE

TESLA ACTIVITY

Name of the Activity: QUIZ COMPETITION

Venue: 319

Date of the Activity: 19th SEPTEMBER 2024

Participation: III YEAR - EEE

Description of the Event:

The primary objective of the event was to Enhance Subject knowledge, Encourage healthy academic competition, and Promote positive communication among students. The quiz also aimed at improving language proficiency and deepening students' understanding of core subjects through an engaging and interactive format

A total of 25 students enthusiastically participated in the competition. These students were divided into 5 teams, each comprising 5 members. As a unique feature of the quiz, each team was asked to choose one subject.

Report on Quiz Competition Conducted under TESLA Activities

Date: 19th September 2024
Class: III Year EEE

As part of the **TESLA Activity Series**, a **Quiz Competition** was successfully conducted on **19th September 2024** for the students of **III Year EEE**. The primary objective of the event was to enhance subject knowledge, encourage healthy academic competition, and promote positive communication among students. The quiz also aimed at improving language proficiency and deepening students' understanding of core subjects through an engaging and interactive format.

A total of **25 students** enthusiastically participated in the competition. These students were divided into **5 teams**, each comprising 5 members. As a unique feature of this quiz, each team was asked to **choose one subject** from a set of **five core subjects**. Once a subject was chosen by one team, it was no longer available for selection by other teams, ensuring diversity and broader subject representation in the competition.

The quiz comprised **two rounds**:

- **Round 1 – Multiple Choice Questions (MCQs):**

  Each team was given **5 questions** from their chosen subject, with **options provided** for each question. This round tested their foundational knowledge and quick decision-making skills.

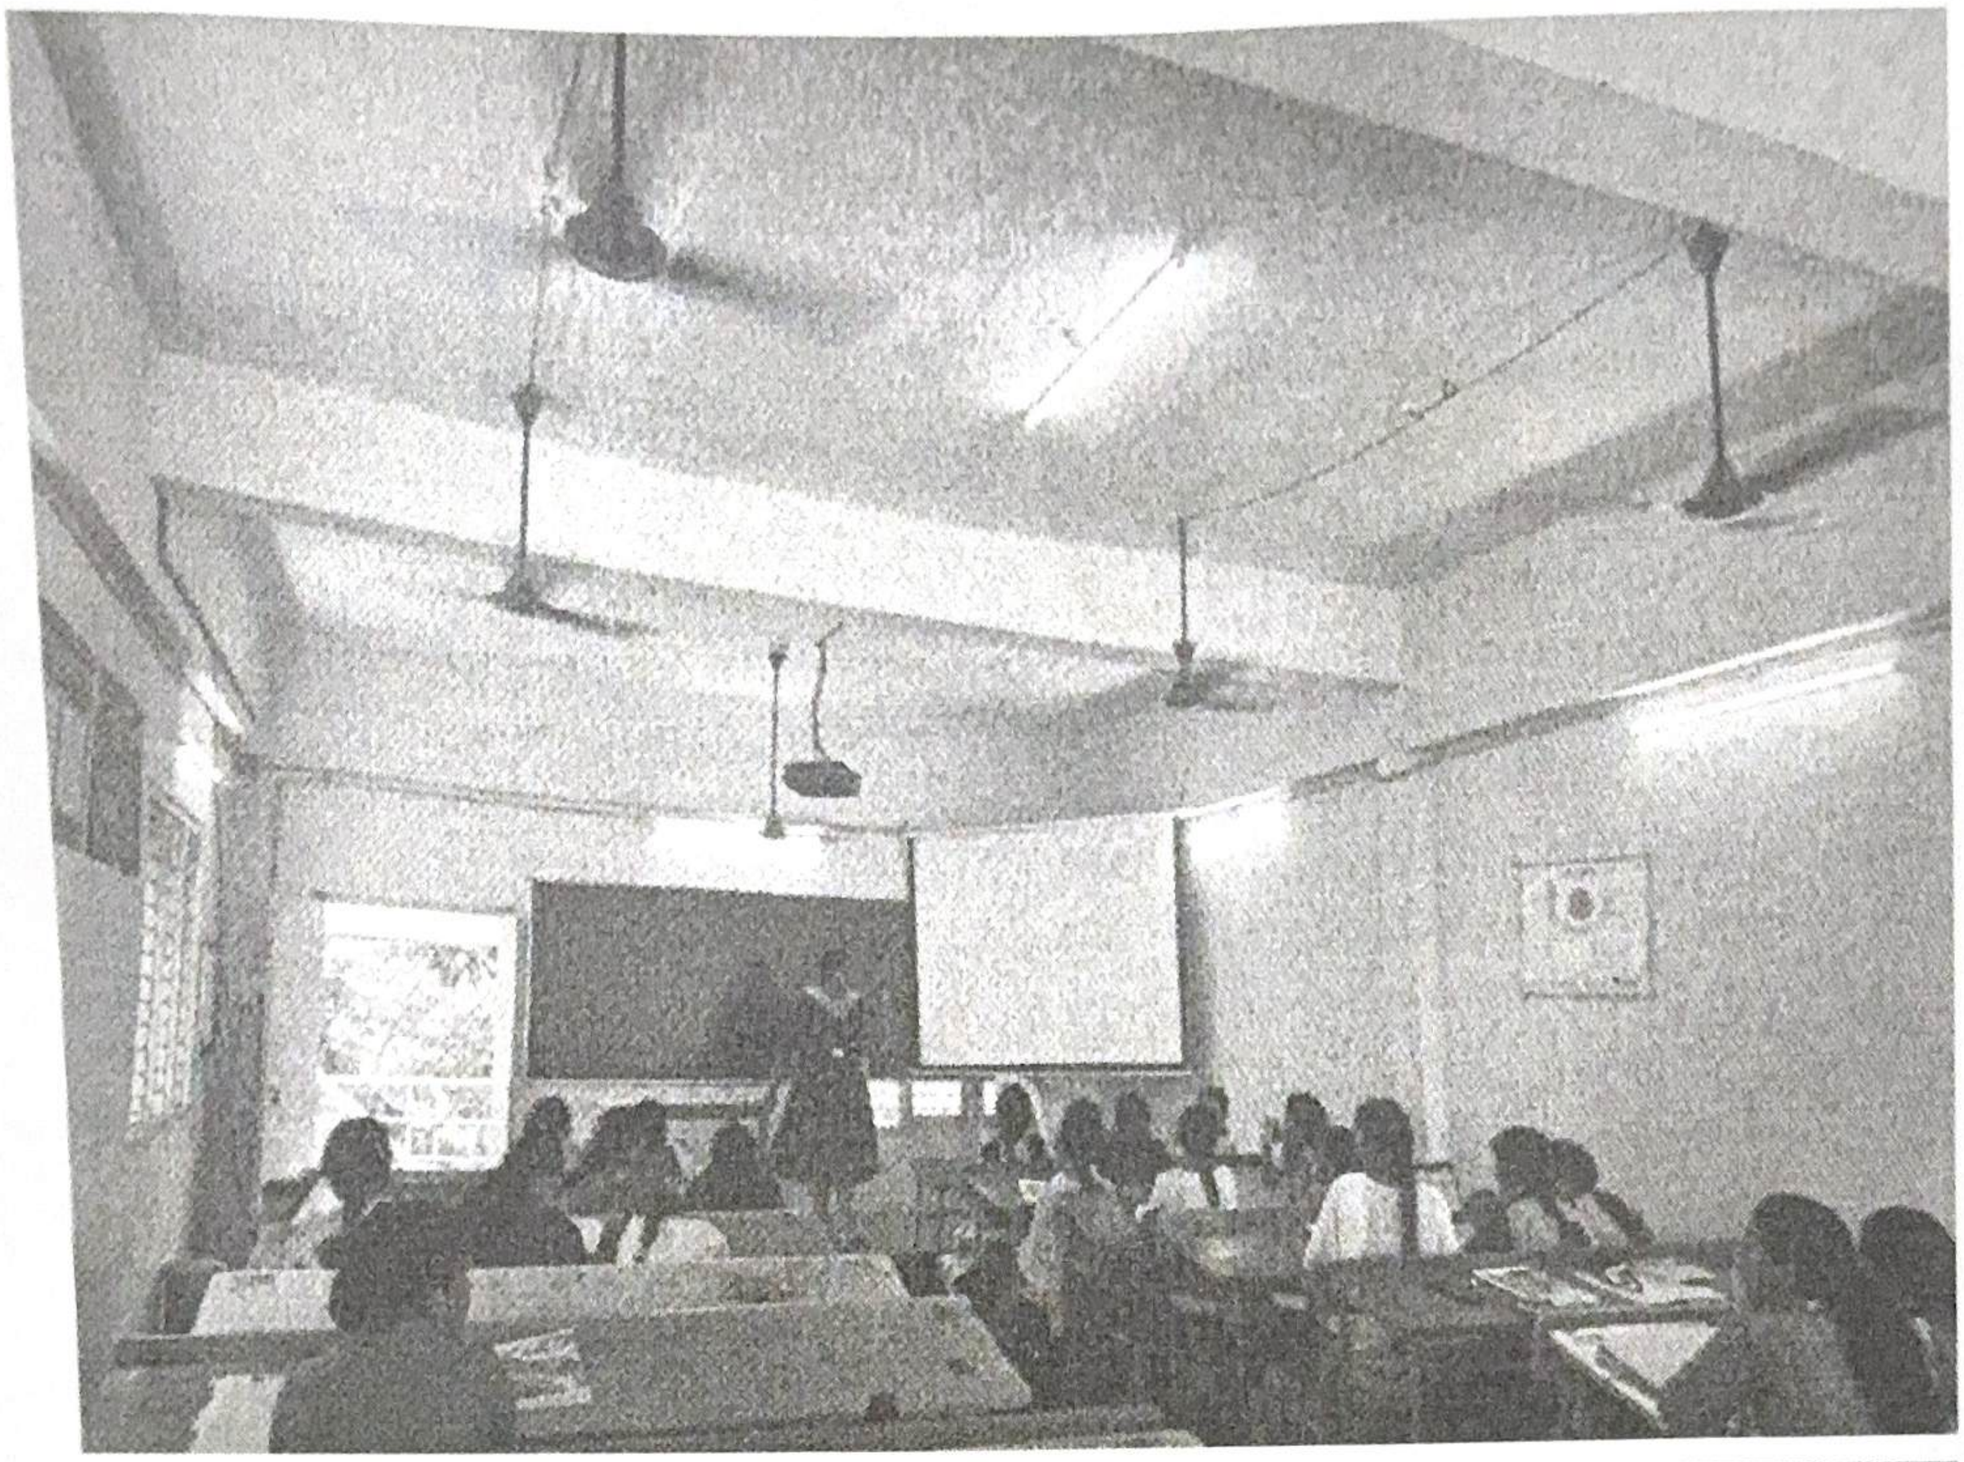

- **Round 2 – Descriptive Answering:**

  In this round, each team was presented with **3 challenging questions** from their selected subject area, **without any options**. This tested their in-depth understanding and conceptual clarity.

Following the completion of both rounds, **scores were evaluated** based on the accuracy and completeness of the responses. The performance of each team was carefully assessed, and the **winning team was declared** based on their cumulative score.

We are proud to announce that the winners of this quiz competition are **Ms. G. Jyoshna** and **Ms. D. Lasya Priya**, who showcased remarkable subject knowledge, teamwork, and communication skills throughout the event.

The quiz not only helped the students reinforce their academic knowledge but also encouraged collaborative learning and confidence in public speaking. The Department of EEE commends all the participants for their enthusiasm and congratulates the winners for their excellent performance.

Report on Technical Quiz Competition Conducted under TESLA Activities

EVENT: TECHNICAL QUIZ
DATE: 15-10-2024

A quiz competition was organized on 15th October 2024 for the 2nd-year students of the Department of Electrical and Electronics Engineering. The primary objective of this activity was to enhance students' subject knowledge, encourage healthy communication among peers, and strengthen their language skills while exploring core concepts in their chosen specialization.

A total of 38 students actively participated in this intellectually stimulating event. The participants were divided into teams, and each team was given the option to choose one subject out of three provided. However, to ensure diversity and fair competition, once a subject was selected by two teams, it was no longer available for selection by the remaining teams.

The quiz consisted of two engaging rounds:

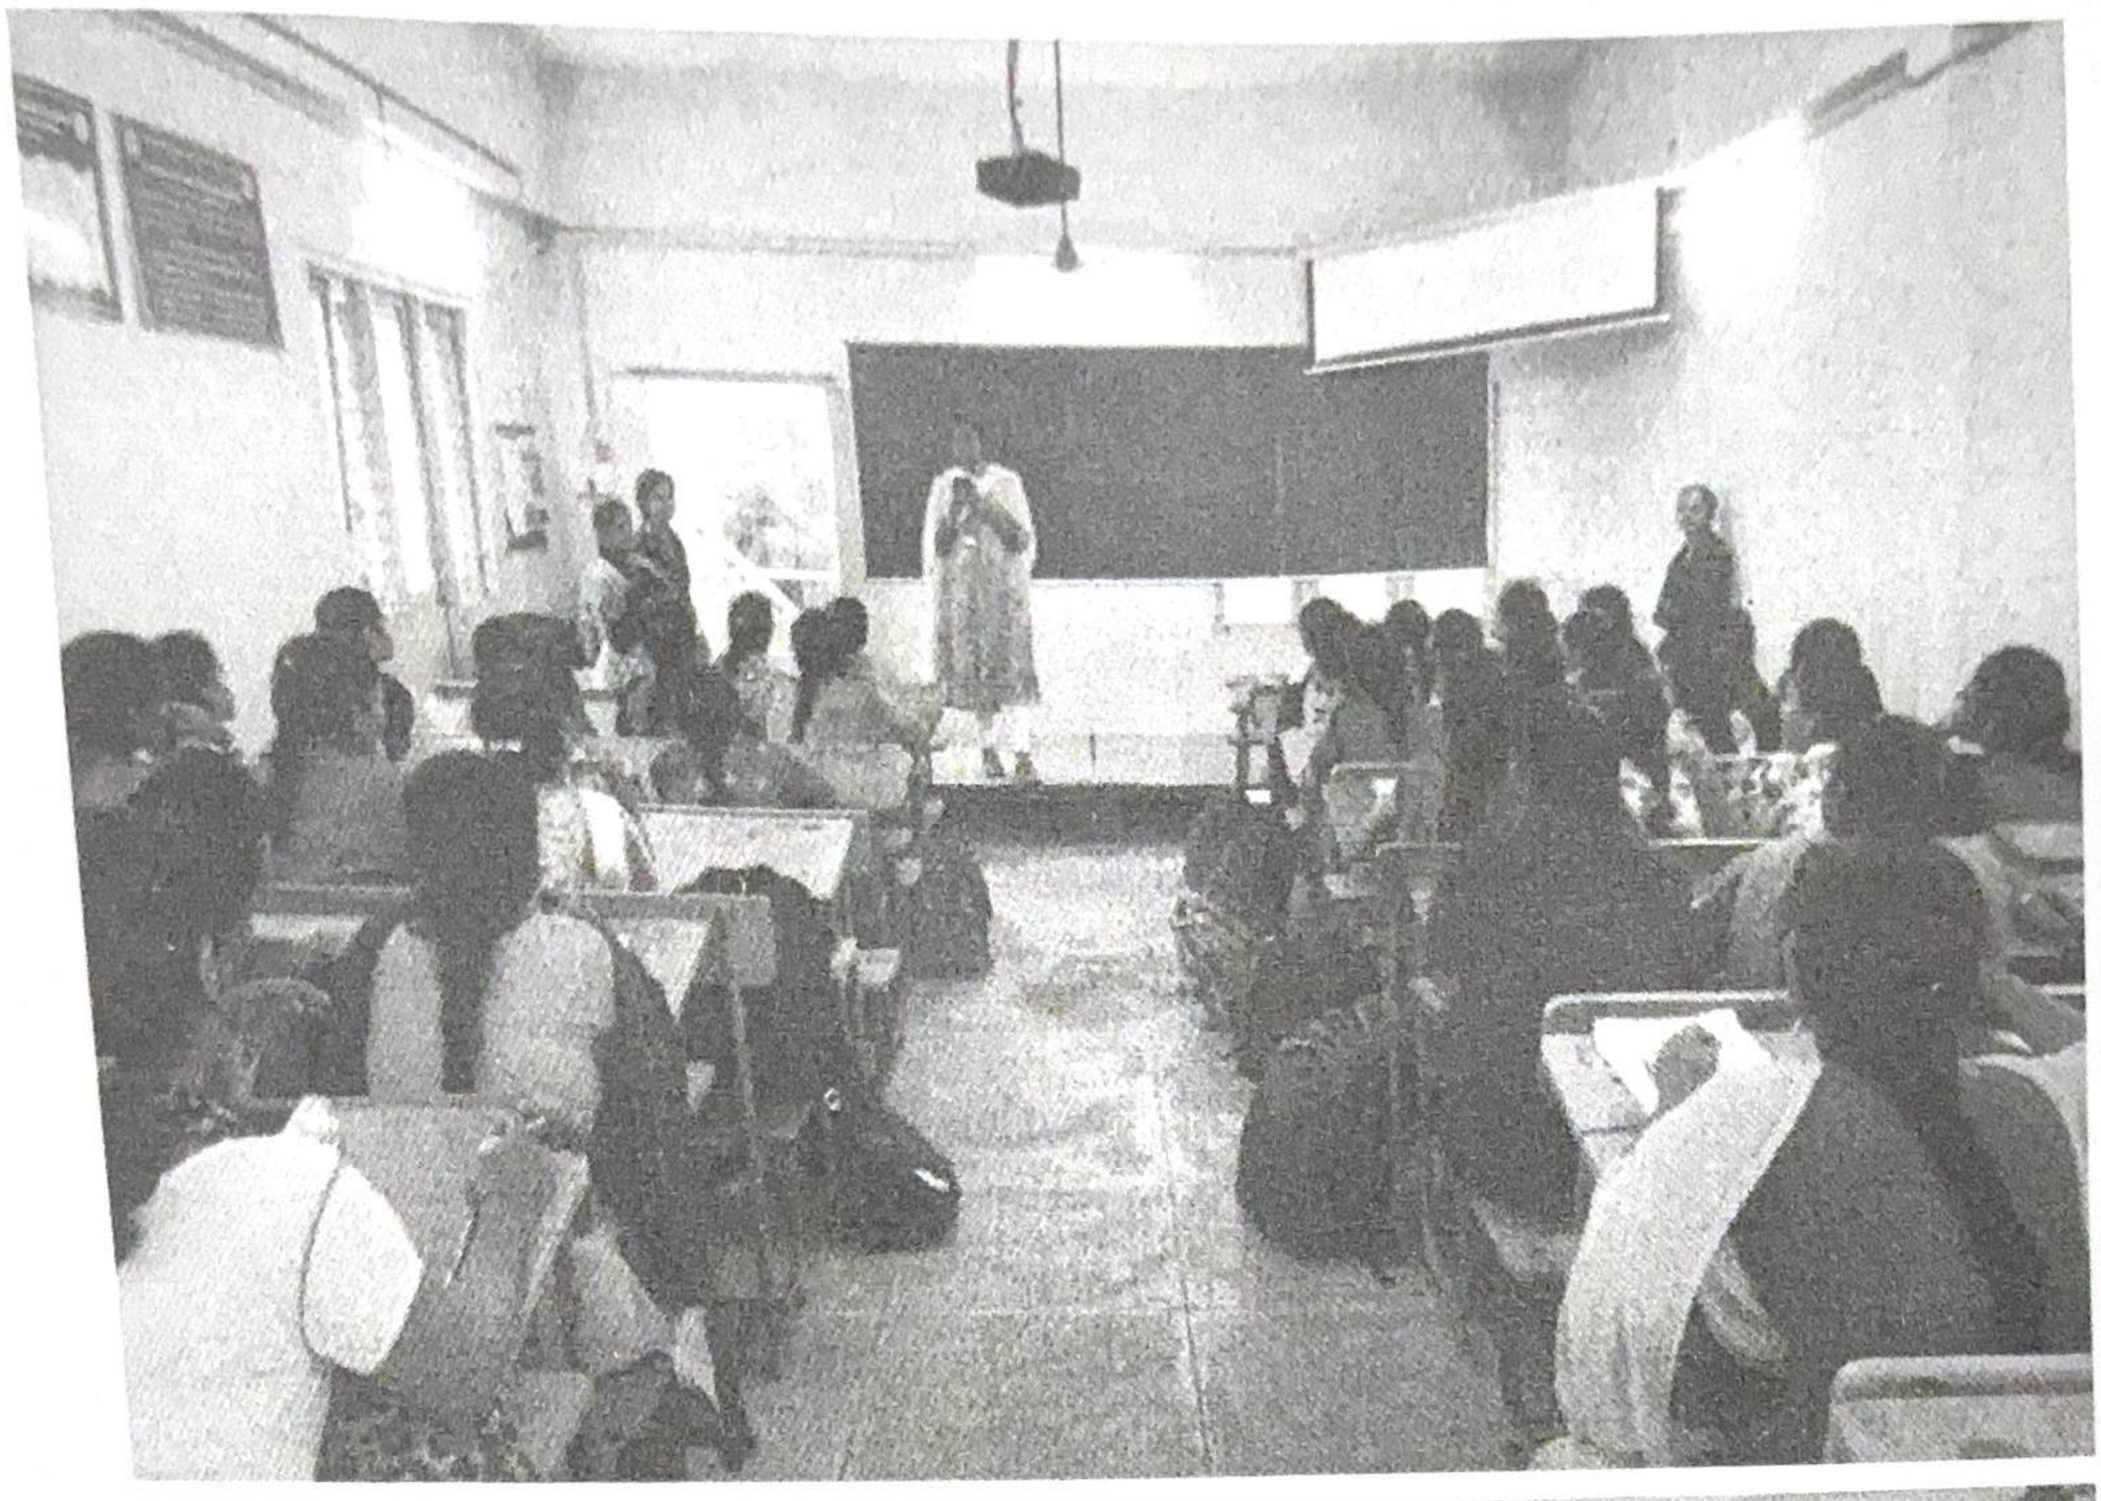

- **Round 1:** Each team was presented with five multiple-choice questions from their chosen subject.
- **Round 2:** Teams were challenged with three questions each, but without any options, testing their conceptual understanding and depth of knowledge.

At the end of both rounds, the scores were evaluated, and the winners were declared based on their overall performance and team collaboration.

The winners of the event from the 2nd year are:

- **B. Saromi** (Roll No: 323103214034)
- **I. Srilhitha** (Roll No: 323103214040)

The event successfully fostered a spirit of learning, teamwork, and academic excellence among the students.

EVENT: REASONING AND APTITUDE

DATE: 22-10-2024

A **Reasoning and Aptitude Test** was conducted on **22-10-2024** as part of the **TESLA Activity** for the **II Year EEE students**. The primary objective of this activity was to enhance students' **problem-solving abilities**, **creative thinking**, **logical reasoning**, and **active response skills**, which play an important role in academic performance and competitive examinations.

A total of **39 students** from II EEE actively participated in this activity. For effective participation and teamwork, the students were divided into teams. Each team was given a set of **10 questions** covering **aptitude** and **logical reasoning**. These questions were designed to challenge their analytical ability, numerical reasoning, pattern identification, and decision-making skills.

The test aimed to:

- Improve students' **problem-solving and reasoning abilities**
- Develop **quick thinking** and **accurate decision-making**
- Strengthen **analytical and logical skills**
- Promote **team interaction** and **collaborative learning**
- Prepare students for future **placement tests**, **competitive exams**, and **technical interviews**

Based on the performance of the teams, winners will be finalized by evaluating the accuracy of their responses. Certificates will be awarded to the winners to acknowledge their effort and excellence.

The reasoning and aptitude test provided valuable insights into students' **cognitive abilities** and **learning potential**. The results will help educators understand the areas where students need improvement and adapt teaching methods accordingly to further enhance their reasoning and analytical skills.

EVENT: GROUP DISCUSSION

DATE: 28-10-2024

A Group Discussion (GD) session was conducted for the **III EEE students** on **28-10-2024** as part of enhancing their communication and leadership competencies. The session aimed to familiarize students with the basic rules, structure, and expectations of a professional group discussion, which is an essential component of many placement and academic evaluation processes.

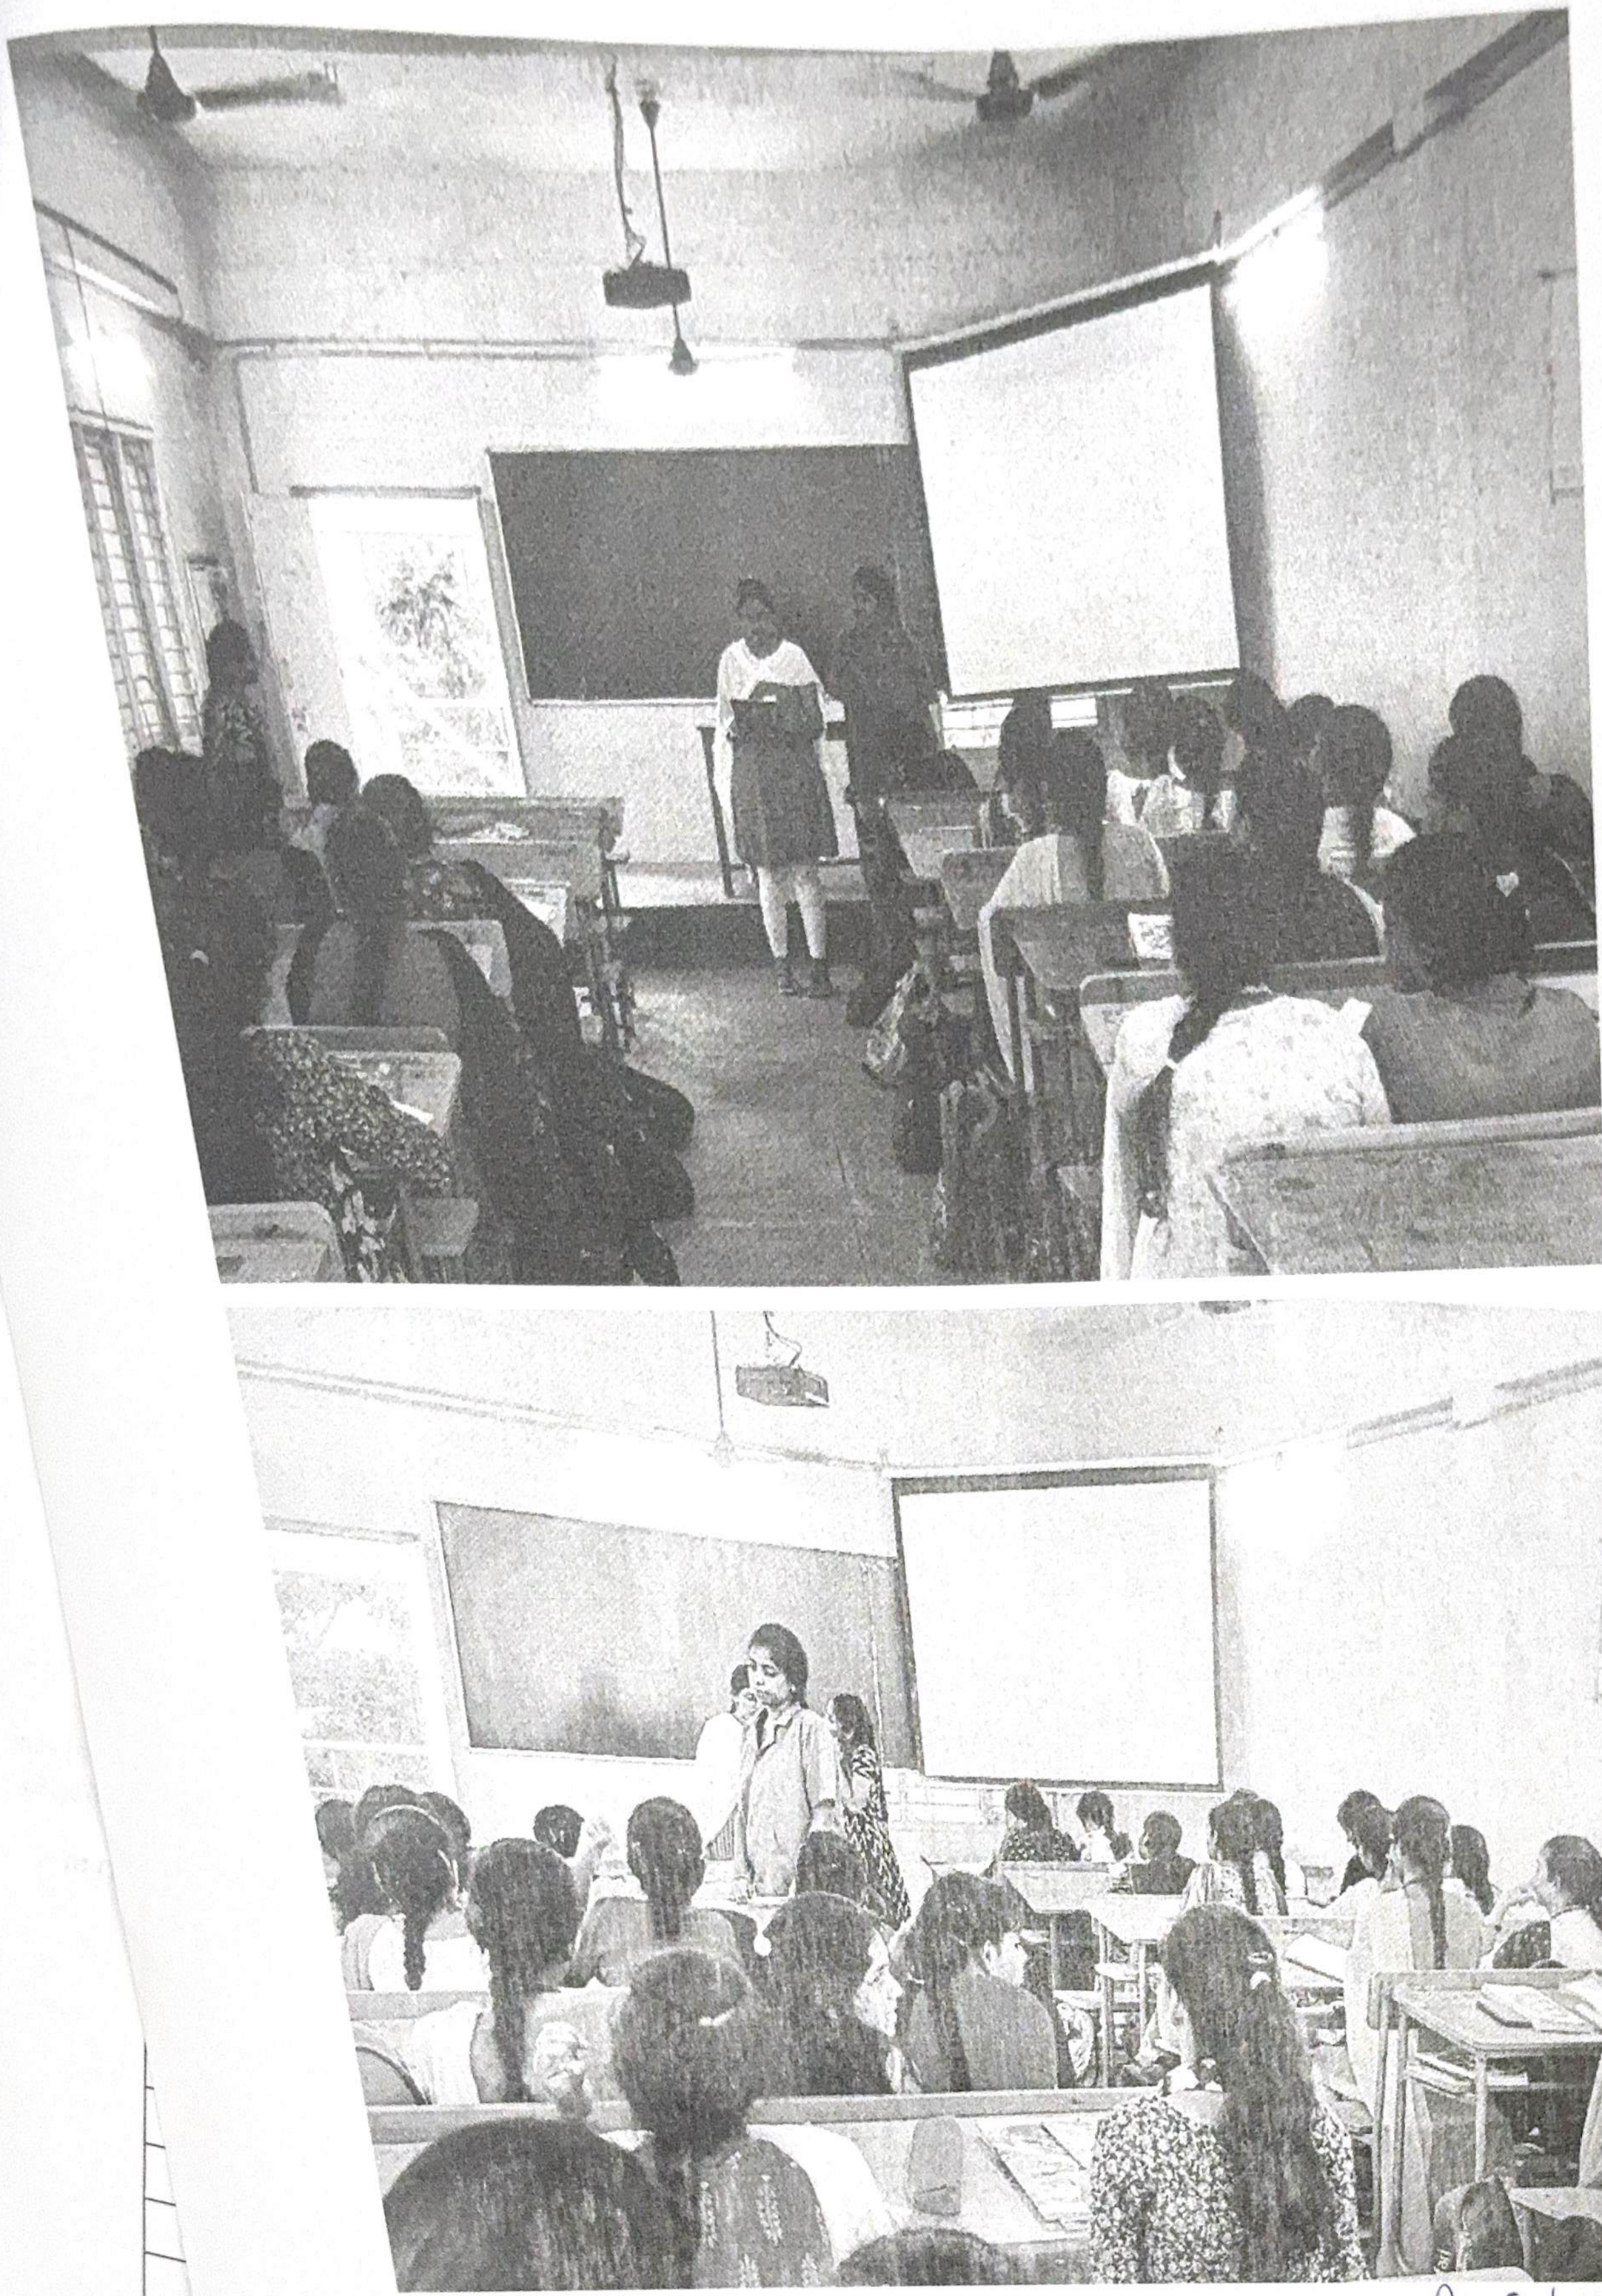

To begin with, the **fundamental guidelines of GD** were explained to the participants, including etiquette, turn-taking, clarity of opinion, constructive disagreement, and maintaining a respectful tone throughout the discussion. Students were also briefed on the significance of body language, active listening, and presenting arguments with relevant facts.

A **Mock Group Discussion** was organized to give students hands-on experience. The mock activity enabled them to practice expressing ideas clearly, build confidence, and understand how discussions flow in a competitive environment. The central idea of the GD revolved around a common theme where every participant was expected to share her viewpoint, supported by logical reasoning, examples, and analytical thinking.

The students sat in a circular arrangement to ensure visibility of each participant, promoting eye contact and better interaction. The discussion emphasized not only exchanging opinions but also presenting them with **knowledge, clarity, and factual support**.

All participants enthusiastically took part in the mock GD. Their performance was assessed based on content relevance, participation quality, clarity of speech, confidence, teamwork, and etiquette. After careful evaluation, the **Winner of the Group Discussion** was declared as:

Winner: 322103214041 – K. Komali

Detailed Report on Reasoning Test Conducted under TESLA Activities

EVENT: REASONING AND APTITUDE

DATE: 7-11-2024

As part of the departmental initiative **TESLA**, aimed at fostering technical, analytical, and soft skills among students, a **Reasoning Test** was successfully organized on **7th November 2024** exclusively for the students of **III Year EEE**.

The primary goal of the activity was to strengthen students' **problem-solving abilities**, encourage **creative thinking**, and promote **quick and active responses** in a time-bound environment. Such skills are not only essential for academic excellence but are also crucial for competitive exams and industry readiness.

A total of **39 students** participated enthusiastically in the event. The participants were divided into **teams**, creating a collaborative yet competitive atmosphere. Each team was provided with a carefully designed questionnaire consisting of **10 questions**, which included a balanced mix of **aptitude** and **logical reasoning** problems. The questions were framed to test various cognitive aspects such as numerical ability, pattern recognition, analytical reasoning, and decision-making skills.

The evaluation criteria were based on the **accuracy** of answers and the **time taken** to solve the problems. Students who demonstrated clear reasoning, logical consistency, and innovative approaches in their solutions will be identified and recognized.

The **winners** of the test will be **finalized based on their overall performance**, and **certificates of appreciation** will be awarded to acknowledge their efforts and excellence. This initiative not only served as a platform for students to showcase their reasoning capabilities but also helped them gain confidence in tackling real-world analytical challenges.

The Department of EEE extends its appreciation to all the participants for their active involvement and congratulates them for making the event a grand success.

EVENT: GROUP DISCUSSION
DATE: 08-11-2024

A **Group Discussion (GD)** session was organized for the 2nd-year students of the Department of Electrical and Electronics Engineering on **8th November 2024**. The session aimed to enhance students' communication, critical thinking, and interpersonal skills—qualities essential for both academic and professional growth.

The activity began with an orientation where the basic rules and structure of a Group Discussion were explained in detail. This was followed by a **Mock GD session**, which helped students understand the flow of a real group discussion, and allowed them to practice in a guided environment.

A Group Discussion is a structured form of conversation where a group of individuals exchange ideas and opinions on a specific topic. It goes beyond casual discussion by focusing on the **clarity of thought, factual accuracy, and effective communication**. Each participant is connected by a common theme or idea and is encouraged to express their viewpoints respectfully, while also listening and responding to others.

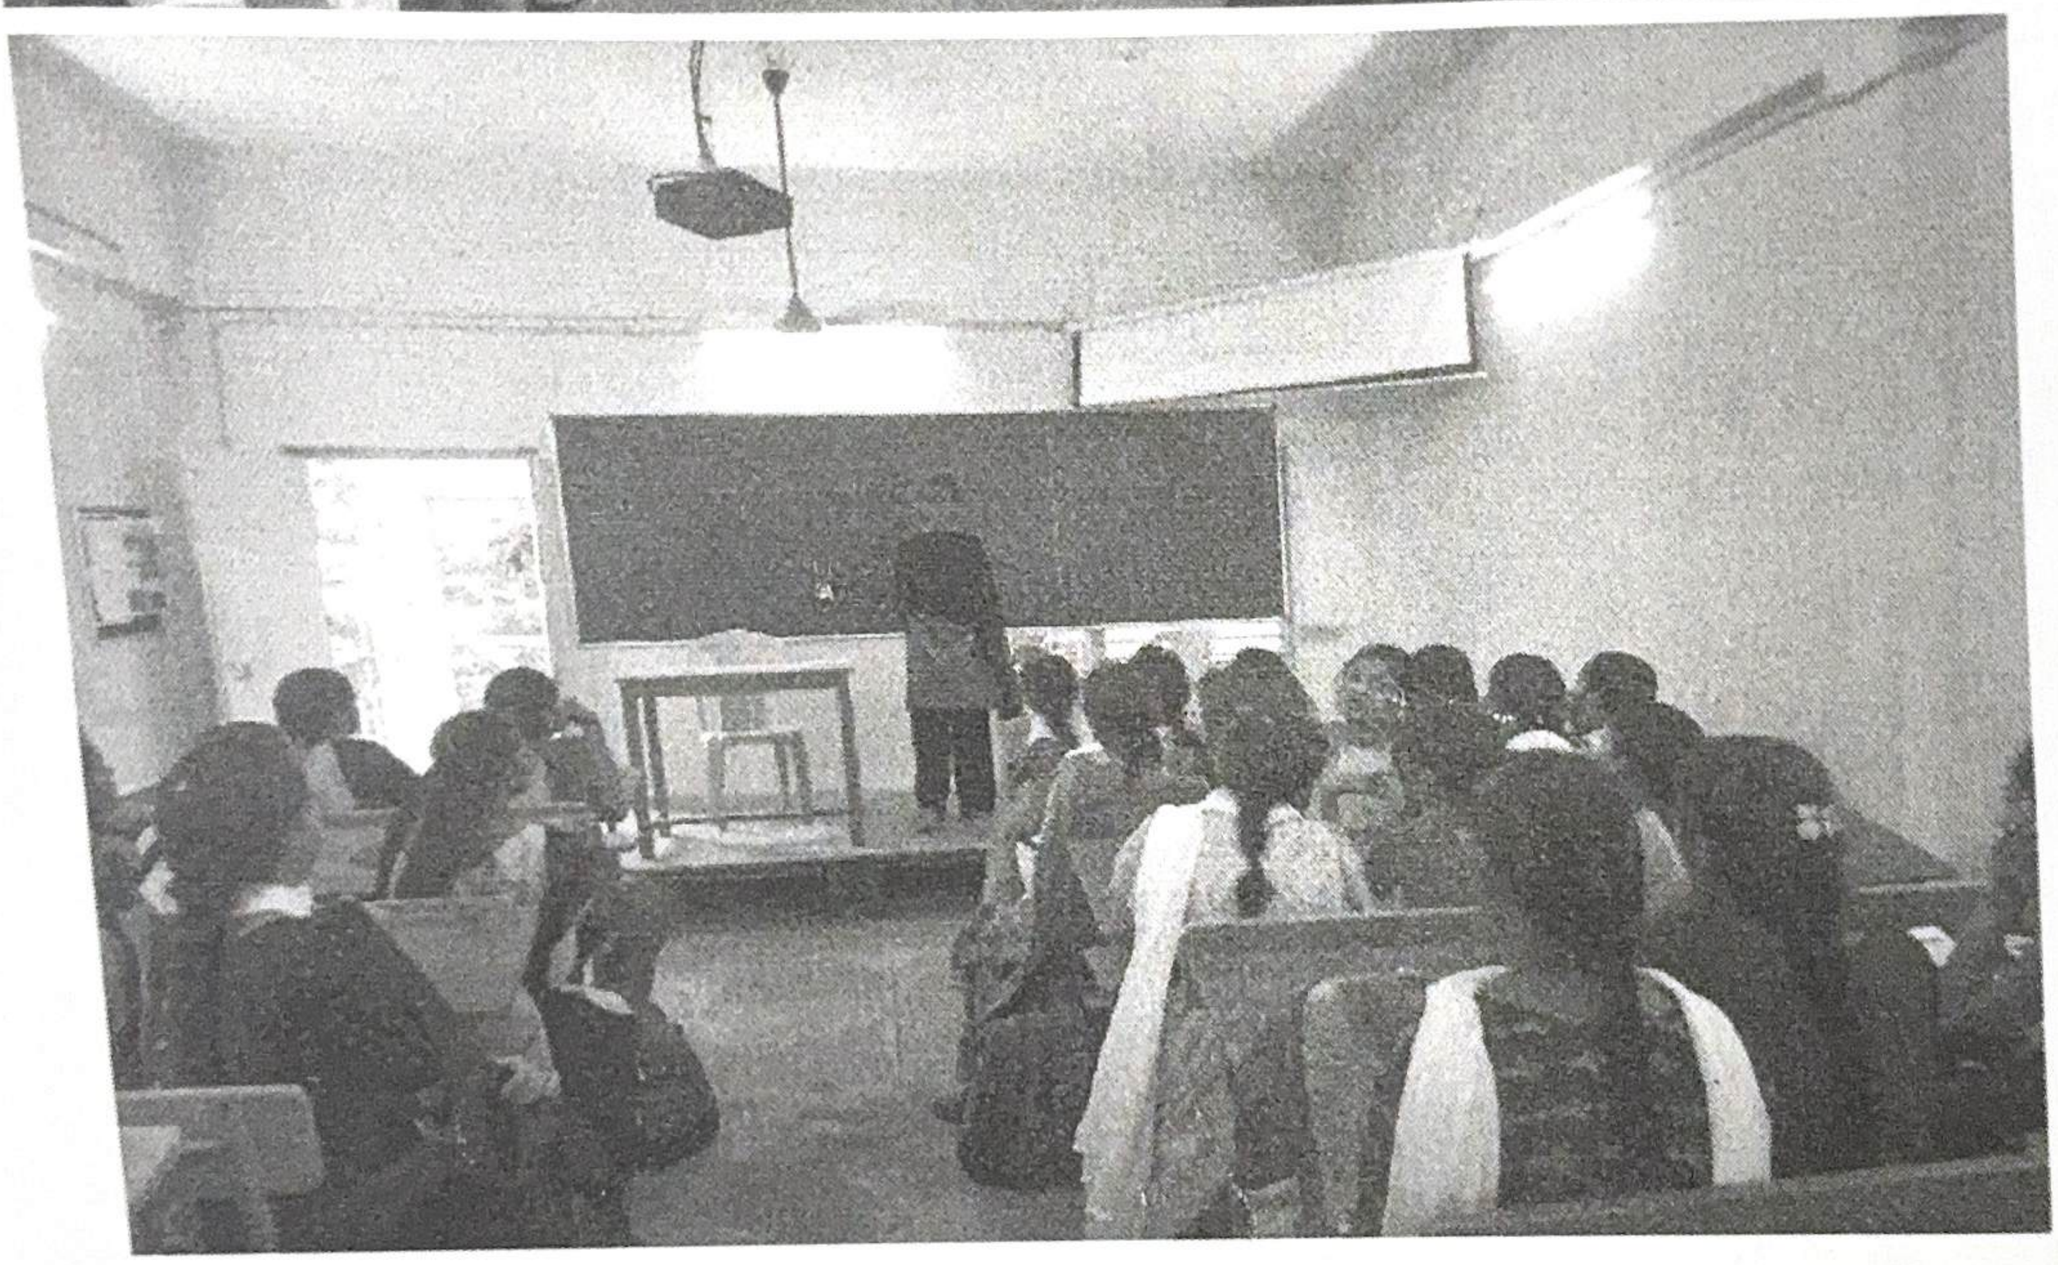

The GD activity served as a platform to assess and develop various skills among students, including:

- Leadership qualities
- Communication and articulation
- Teamwork and cooperation
- Listening skills and presence of mind
- Confidence and public speaking
- Social and behavioural etiquette

Students were seated in a semi-circular arrangement to ensure that all participants could see each other and engage effectively.

The session proved to be a valuable experience in helping students build confidence, improve their soft skills, and prepare for future academic and professional interactions.

JAM REPORT

Event: JAM

Date: 18-11-2024

A **Just A Minute (JAM) Session** was organized on **18th November** as part of the **TESLA Activity** for the **III Year EEE students**. The primary purpose of the session was to enhance students' spontaneity, clarity of thought, and confidence in public speaking—skills that are essential for academic development as well as professional growth.

The topics for the JAM session were:

- **Development of Technology**
- **Internet of Things (IoT)**

Students were required to speak on the given topic for one minute without hesitation, repetition, or deviation. This format encouraged them to think quickly, articulate ideas clearly, and present their viewpoints confidently within a limited timeframe.

The session successfully fulfilled its objectives by providing students an opportunity to:

- Develop **quick thinking** and express ideas spontaneously
- Improve **real-time thought organization**
- Enhance **creativity** and **verbal communication skills**
- Gain **confidence** in addressing an audience
- Engage in a **fun, energetic, and interactive learning environment**

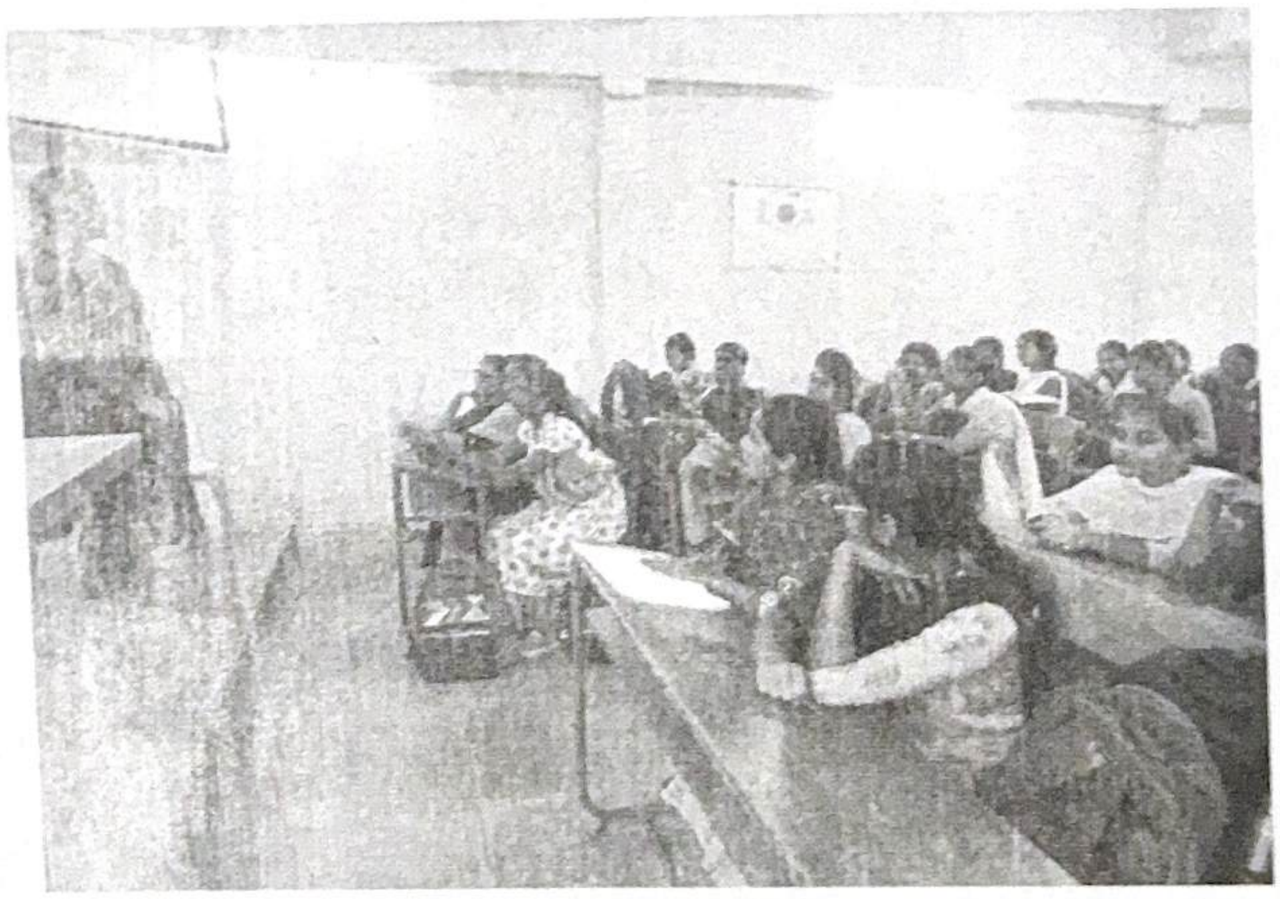

- Strengthen presentation skills useful in **academic seminars, interviews, and public forums**

All participants actively took part in the session, demonstrating enthusiasm and willingness to improve. The evaluators assessed the students based on fluency, confidence, content clarity, relevance, and overall delivery.

After an impressive display of communication skills, the **Winner of the JAM Session** was declared as:

Winner: 322103214053 – D. Lasyapriya

JAM REPORT

Event: JAM

Date: 4-03-2025

A **Just A Minute (JAM) Session** was organized on **4th March** as part of the **TESLA Activity** for the **II Year EEE students**. The session aimed to enhance students' spontaneity, clarity of expression, and confidence in public speaking—skills essential for academic and professional success.

The topics given for the JAM session were:

- **Smart Grid**
- **Greenhouse**
- **Internet of Things (IoT)**

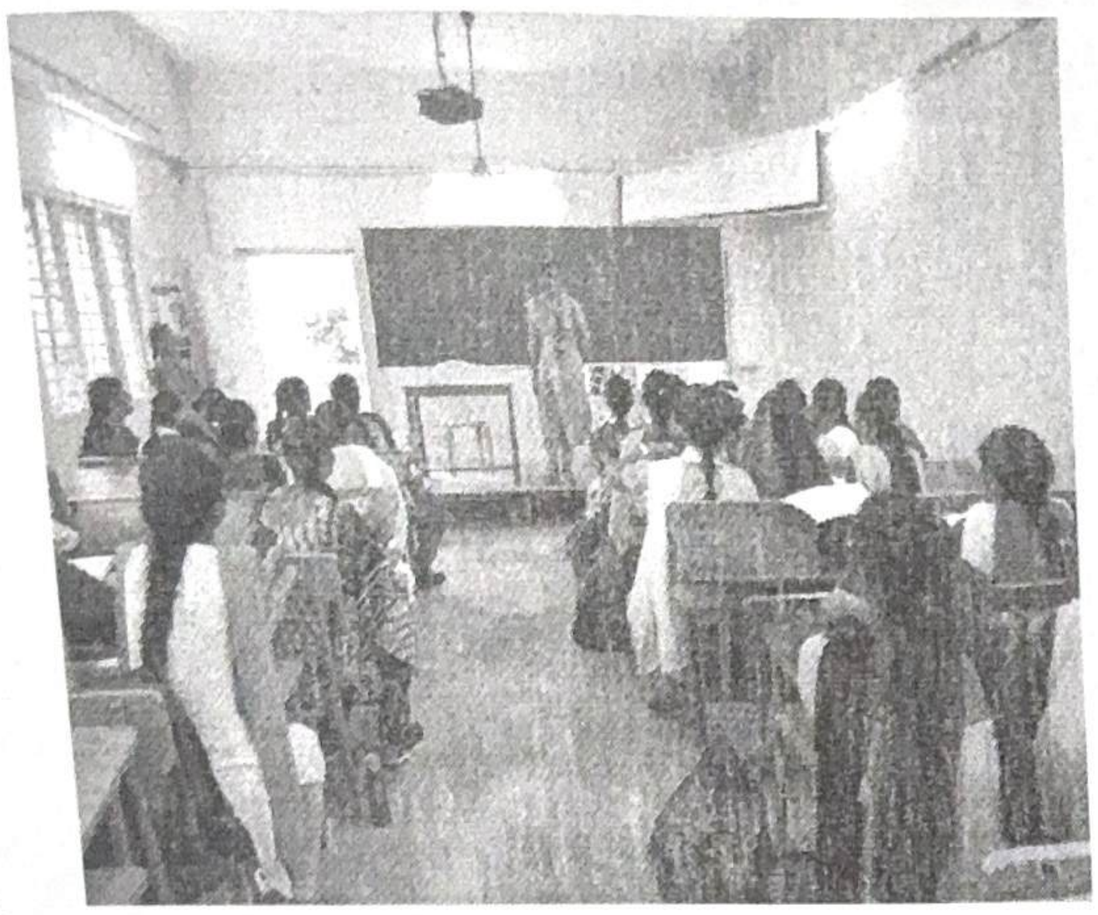

Students delivered one-minute speeches on these topics without hesitation, deviation, or repetition. This format encouraged them to think quickly, articulate their ideas effectively, and present their arguments in a structured manner within a short time span.

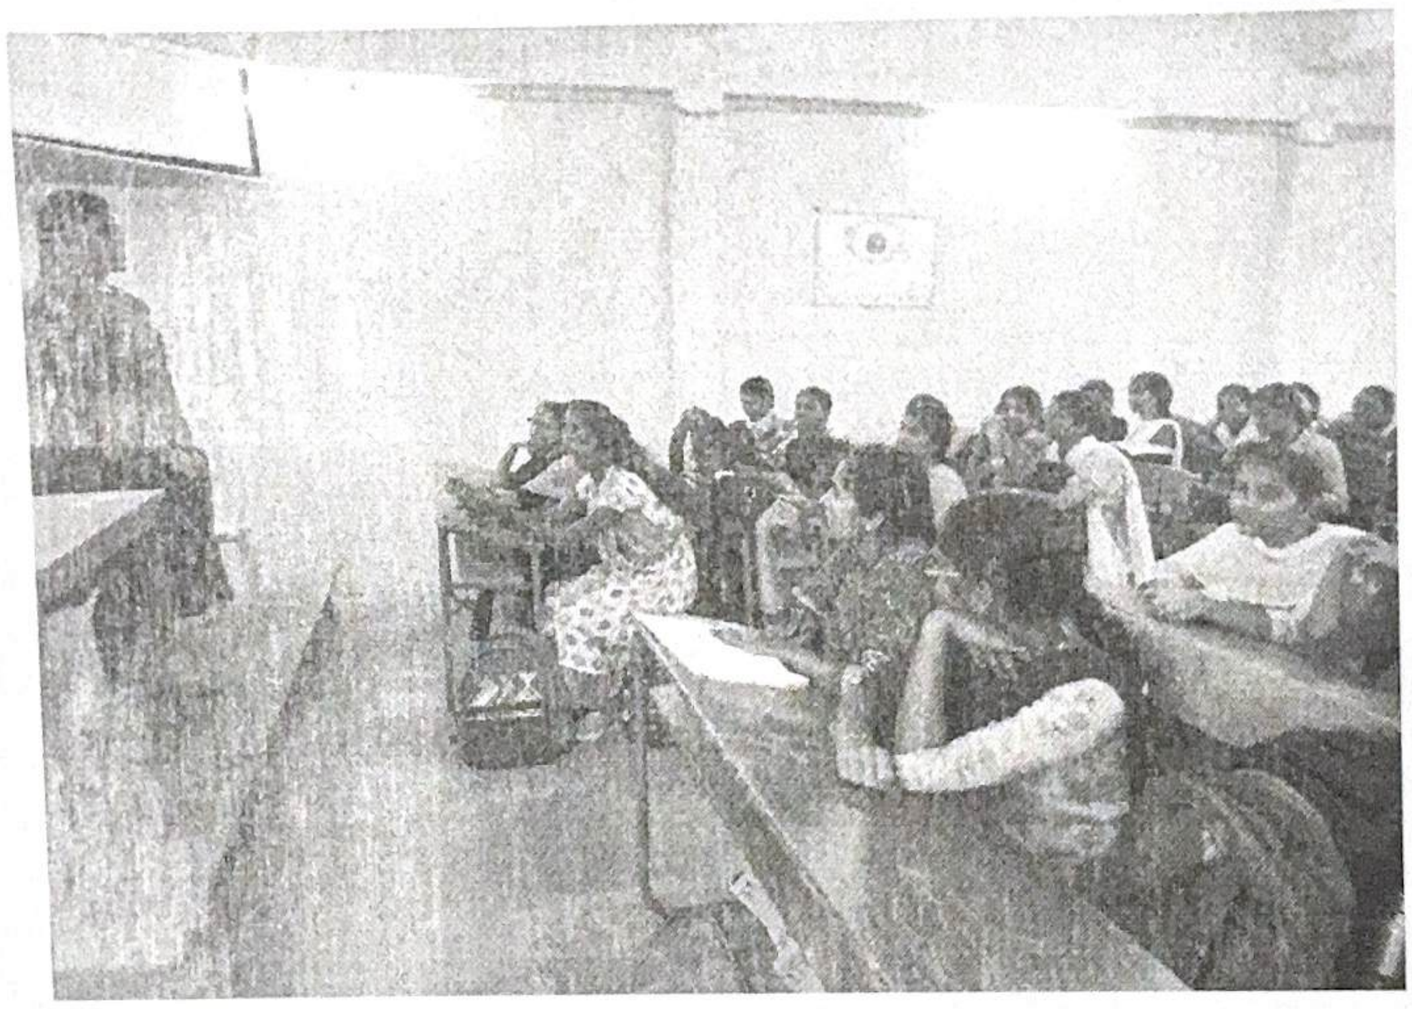

The activity successfully accomplished its objectives by helping students:

- Develop **quick thinking** and **clear articulation**
- Improve their ability to **organize thoughts in real time**
- Strengthen **creativity** and **confidence** in public speaking
- Engage in a **lively, interactive, and peer-supported learning environment**

- Build essential skills for **academic presentations, interviews,** and **public forums**

All participants displayed enthusiasm and a strong willingness to improve their communication skills. The students were evaluated based on fluency, clarity of thought, spontaneity, confidence, and relevance to the topic.

EVENT: QUIZ

DATE: 18-03-25

A **Quiz Competition** was organized on **18th March** as part of the **TESLA Activity** for the **II and III Year EEE students**. The objective of this activity was to enhance subject knowledge, promote healthy competition, and encourage effective communication and teamwork among the participants.

A total of **25 students** from both years actively participated in the event. To facilitate smooth conduct of the activity, students were divided into **five teams**, with each team consisting of members from the same year. Every team was allowed to select **one subject** from a list of five subjects provided to them. A key rule of the competition was that **no two teams could select the same subject**, ensuring diversity in subject knowledge and question sets.

The quiz was conducted in **two rounds**:

Round 1: Multiple-Choice Round

Each team was given **five questions** from their chosen subject. Options were provided for every question, allowing teams to discuss and identify the correct answer collaboratively.

Round 2: Non-MCQ Round

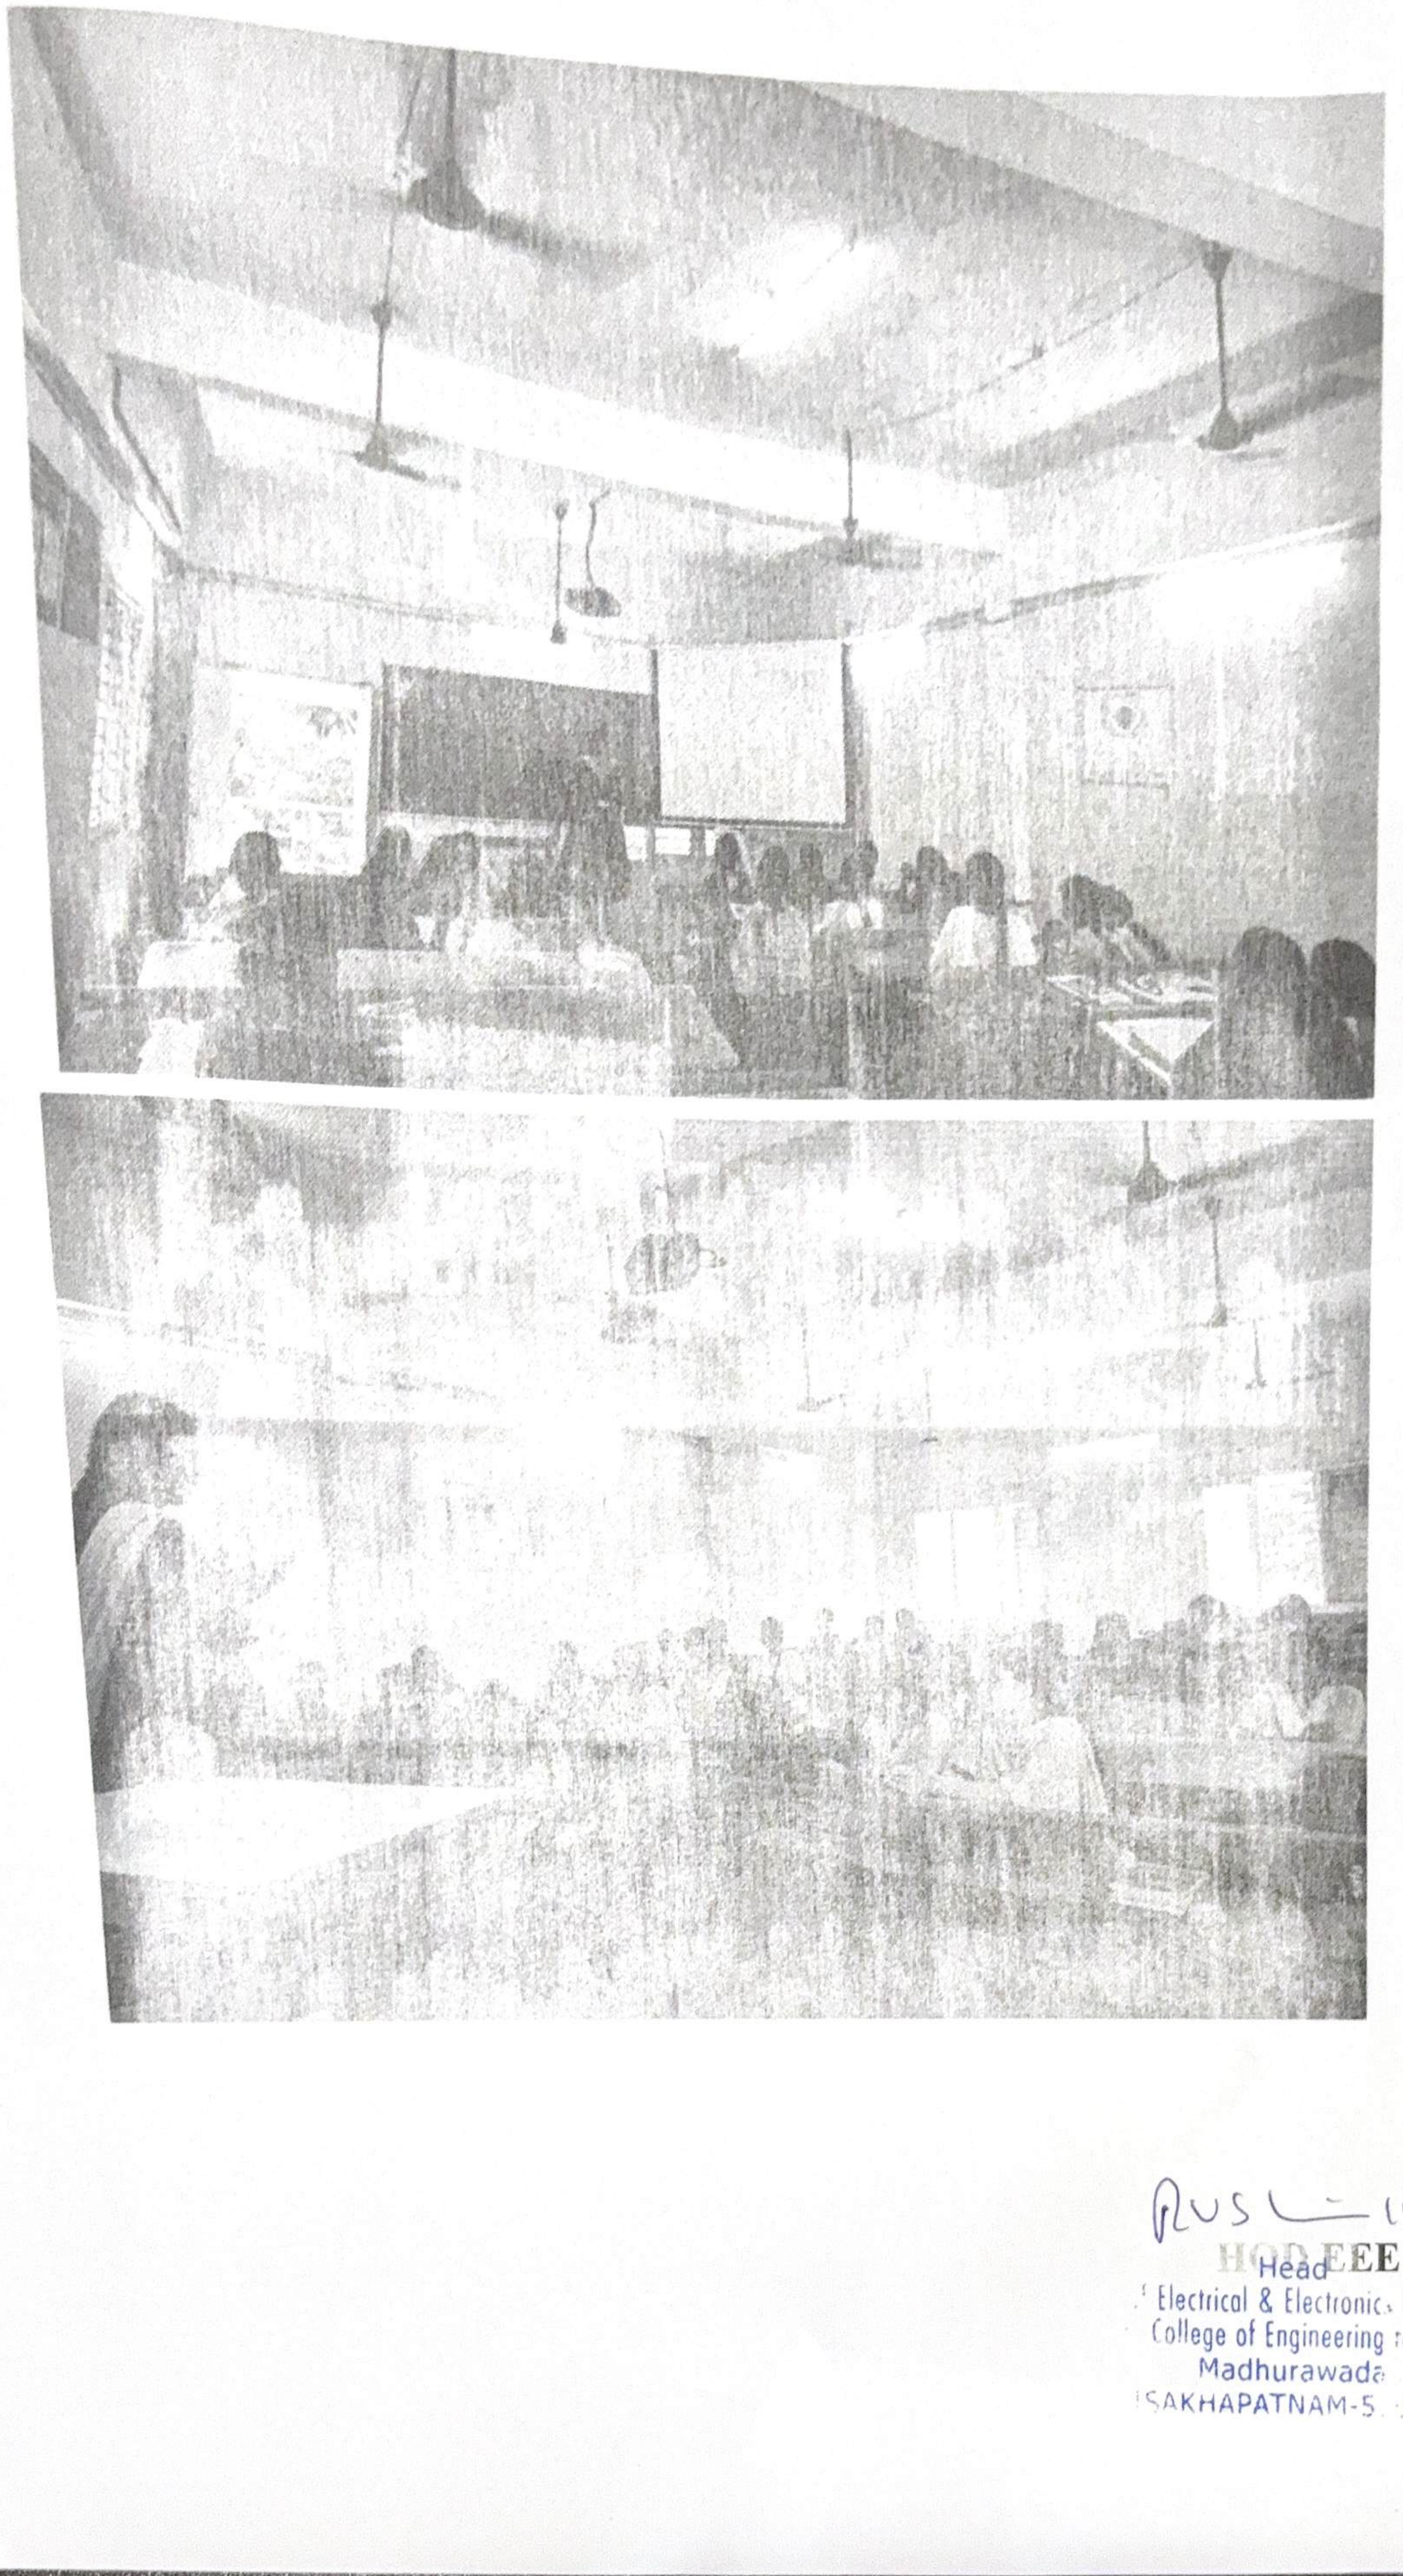

In this round, each team received **three questions** without options, testing their conceptual clarity, recall ability, and depth of understanding.

At the end of both rounds, the scores were evaluated based on accuracy and participation. The quiz encouraged students to share knowledge, communicate effectively, and apply their subject expertise under time constraints. It also helped improve their **language skills**, **team coordination**, and **analytical thinking**.

After evaluating the performance of all teams, the **winners** of the Quiz Competition were declared as:

Winners:

- **G. Jyoshna – III Year**
- **Srilatha – II Year**

SPIKE

STUDENT PANOPLY OF INFORMATION AND KNOWLEDGE ENHANCEMENT

INAUGURAL EVENT

Date of Event: 28-11-2024

EVENT SCHEDULE:

Timings	Name of the Event
2:00- 2:02 PM	Welcoming the Guests
2:02- 2:05 PM	Lighting the lamp, Prayer Song
2:05- 2:08 PM	Introduction to SPIKE by President of SPIKE – B. Saritha
2:08- 2:12 PM	Report on activities of SPIKE by Secretary of SPIKE - R. Rukmini
2:12- 2:15 PM	Badging Ceremony
2:15- 2:18 PM	Message by the Head of the Department of Information Technology – Dr. M. Bhanu Sridhar
2:18- 2:22 PM	Message by Principal – Dr. (Commodore) R.K. Goswami
2:22- 2:25 PM	Introduction of Chief Guest by Treasurer of SPIKE and Media Co-Ordinator – V. Gayatri Krishna
2:25- 2:40 PM	Message by Chief Guest –DR. R.V. V. Murali Krishna sir, HOD OF IT Dept GVPCE(A)
2:40- 2:45 PM	Prize Distribution to the Winners announcement By Joint Secretary – G. Sampada
2:45- 2:50 PM	Felicitation of Chief Guest
2:50- 2:55 PM	Vote of Thanks by Vice President of SPIKE – N. Vidya Vallika
3:00- 4:30 PM	Cultural Events

INTODUCTION OF CHIEF GUEST

DR. R. V. V. MURALI KRISHNA

Date: 28-11-2024

Good Afternoon everyone,

It is an immense pleasure to be here today to address this distinguished gathering. We are honoured to have with us a highly accomplished academic and researcher, Mr. R.V.V. Muralikrishna, whose contributions to the field of Computer Science are nothing short of remarkable.

Mr. Muralikrishna brings with him over two decades of teaching experience, alongside five years dedicated to research. His educational journey, spanning a B. Tech in Computer Science and Engineering, an M. Tech in Information Technology, and a Ph.D. in Computer Science and Engineering, is a testament to his commitment to academic excellence.

A specialist in Natural Language Processing (NLP), Mr. Muralikrishna has taught various courses that bridge the gap between theory and practice. These include Applied NLP, Information Retrieval Systems, Programming in C++, and Object-Oriented Programming through Java. His expertise has also led to impactful contributions to research, with publications in esteemed journals and conferences. His works delve into advanced text summarization techniques, thematic graph representations, and hybrid approaches for query-based summarization -pioneering efforts in the realm of intelligent text processing.

Moreover, Mr. Muralikrishna's mentorship has guided 20 master's projects, fostering innovation and inspiring the next generation of problem-solvers.

Today, as we acknowledge his dedication to academia and research, let us reflect on the values of persistence, curiosity, and a commitment to excellence. Mr. Muralikrishna exemplifies these virtues, standing as an inspiration to students, educators, and professionals alike.

On behalf of everyone present, I extend our heartfelt gratitude for your contributions to the academic world and beyond. We look forward to your continued success and influence in shaping the future of technology and education.

Thank you.

Date: 27-11-2024

To

The Principal,
GVPCEW,
Kommadi,
Visakhapatnam.

Sub: Request to provide advance amount for conducting department Student Association Inaugural.

Respected Sir,

This is to inform you that, Department of Information Technology is conducting department Student Association SPIKE Inaugural for the academic year 2024-2025 on 28th November, 2023 at 01:00 PM in the college auditorium. Kindly consider and do the needful.

The proposed expenditure details are given below:

S.No.	Name of the Item	Approximate cost (Rs.)
1	Guest honorarium	3000/-
2	Certificates and gifts	2000/-
3	Decoration	1500/-
4	Snacks	2500/-
5	Miscellaneous	1000/-
	Total Cost	**10000/-**

Thanking you sir,

Yours faithfully

Dr. M. Bhanu Sridhar
HoD (IT)

Head of Department
Dept. of Information Technology

PROPOSAL OF THE EVENT

NAME OF THE ACTIVITY: TECHNICAL QUIZ

This is the event in the academic year 2023-2024 was held by the Student Members of the SPIKE club.

DESCRIPTION:

We, The Spike members are conducting an event on "Technical Quiz".

A **Technical Quiz** helps to assess and enhance their understanding of core programming concepts in **C**, **Java**, and **Data Structures**. The event aimed to foster a competitive spirit while encouraging participants to revisit key topics and strengthen their problem-solving abilities.

PLATFORM: Mentimeter

SPIKE Members:

1) B. Jyothsna, 322103211005, III IT
2) S. Likhitha, 322103211045, III IT
3) T. Sushmitha, 322103211047, III IT
4) T. Jyotirmayee, 322103211048, III IT
5) V. Swathi, 322103211058, III IT

ACTIVITY REPORT

Event Name: TECHNICAL QUIZ USING MENTIMETER

Participants: 64 from II IT

Description:

Put your coding knowledge and problem-solving skills to the test in our interactive "Technical Quiz!" Designed for tech enthusiasts, this quiz will cover core concepts in Data Structures, Java, and C, challenging your understanding of algorithms, syntax, and programming fundamentals.

A **Technical Quiz** was organized for 2nd-year students to assess and enhance their understanding of core programming concepts in **C**, **Java**, and **Data Structures**. The event aimed to foster a competitive spirit while encouraging participants to revisit key topics and strengthen their problem-solving abilities.

Conducting a quiz using a platform like **MENTIMETER** can make the experience more engaging, interactive, and efficient. Here are some modern approaches and tools you can use:

1. Interactive Quiz Platforms

Platforms like **Mentimeter**, **Kahoot!**, and **Quizizz** allow you to create interactive quizzes that participants can join using their smartphones or computers. These platforms offer features like real-time feedback, leaderboards, and various question formats (multiple-choice, true/false, open-ended).

2. AI-Powered Quizzes

Using AI technology, you can create personalized and adaptive quizzes. AI can analyze participants' responses in real-time, providing instant feedback and adjusting the difficulty of questions based on their performance. This helps in keeping participants engaged and challenged.

3. Gamification

Incorporating gamification elements such as points, badges, and levels can make quizzes more fun and competitive. Tools like **Kahoot!** and **Quizizz** are great for this, as they turn quizzes into games where participants can compete against each other[2].

4. Mobile Apps

Developing a custom mobile app for your quiz can provide a seamless and branded experience. Apps can offer offline access, push notifications, and integration with social media for sharing results.

5. Data Analytics

Modern quiz tools often come with analytics features that allow you to track participants' performance, engagement levels, and other metrics. This data can be used to improve future quizzes and tailor content to your audience's needs.

By using these technologies, you can create a more dynamic and engaging quiz experience that not only tests knowledge but also entertains and educates participants.

Mentimeter:

Mentimeter is an interactive presentation software that allows you to create engaging presentations with real-time audience participation. It is a web-based educational tool that enables you to build interactive polls, quizzes, slides, presentations, etc. Using Mentimeter will allow you to engage your students and provide immediate feedback on the results.

Students can use their phones, tablets or laptops to participate in your pre-made polls, questions, and quizzes. As students respond, their cumulative responses create a visualization (you can choose among various types of visualizations).

Here are some key features and uses of Mentimeter:

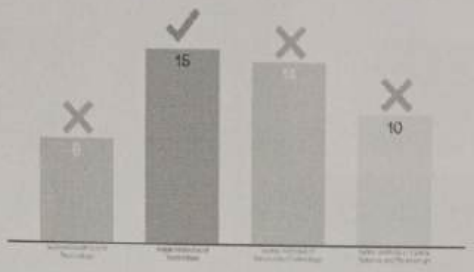

- **Interactive Polls and Quizzes**: You can create multiple-choice questions, word clouds, and other interactive elements to engage your audience.
- **Real-Time Feedback**: Audience members can respond to questions using their devices, and you can see the results instantly.
- **Anonymous Participation**: This feature encourages more honest and open feedback, as participants can respond without revealing their identities.
- **Versatile Use Cases**: Mentimeter is used in classrooms for educational purposes, in business meetings for decision-making, and in events to engage large audiences

Mentimeter helps in:

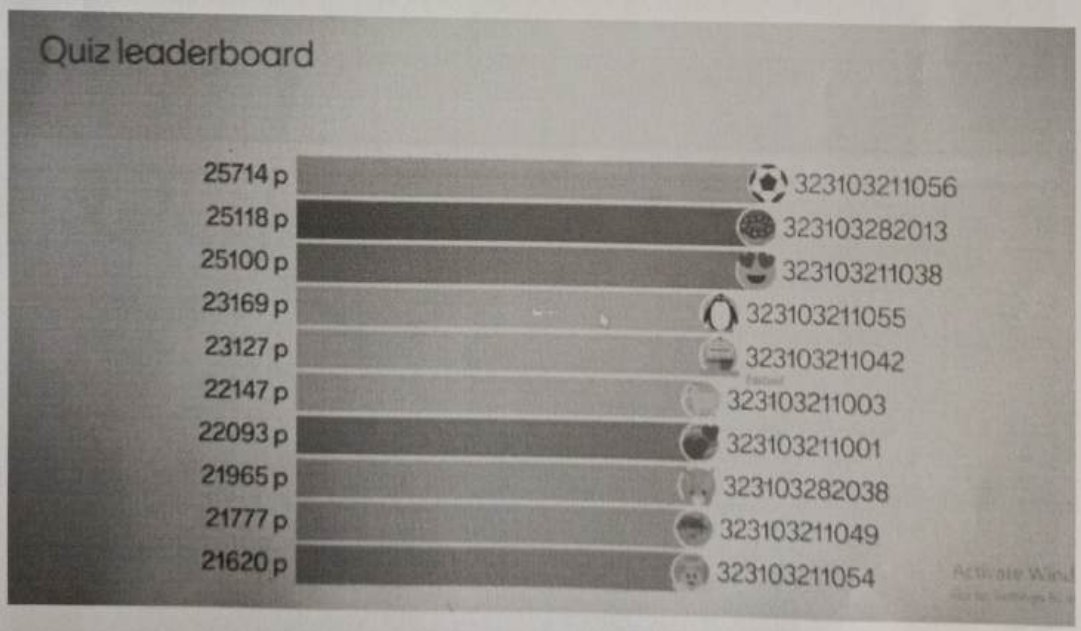

- Engaging students in the classroom or lecture hall.
- Gauging student comprehension.
- Testing knowledge retention.
- Breaking up learning.
- Creating interactive polls, quizzes, slides, and presentations.

Quiz Presentation using Mentimeter:

Which data structure is used for implementing recursion?

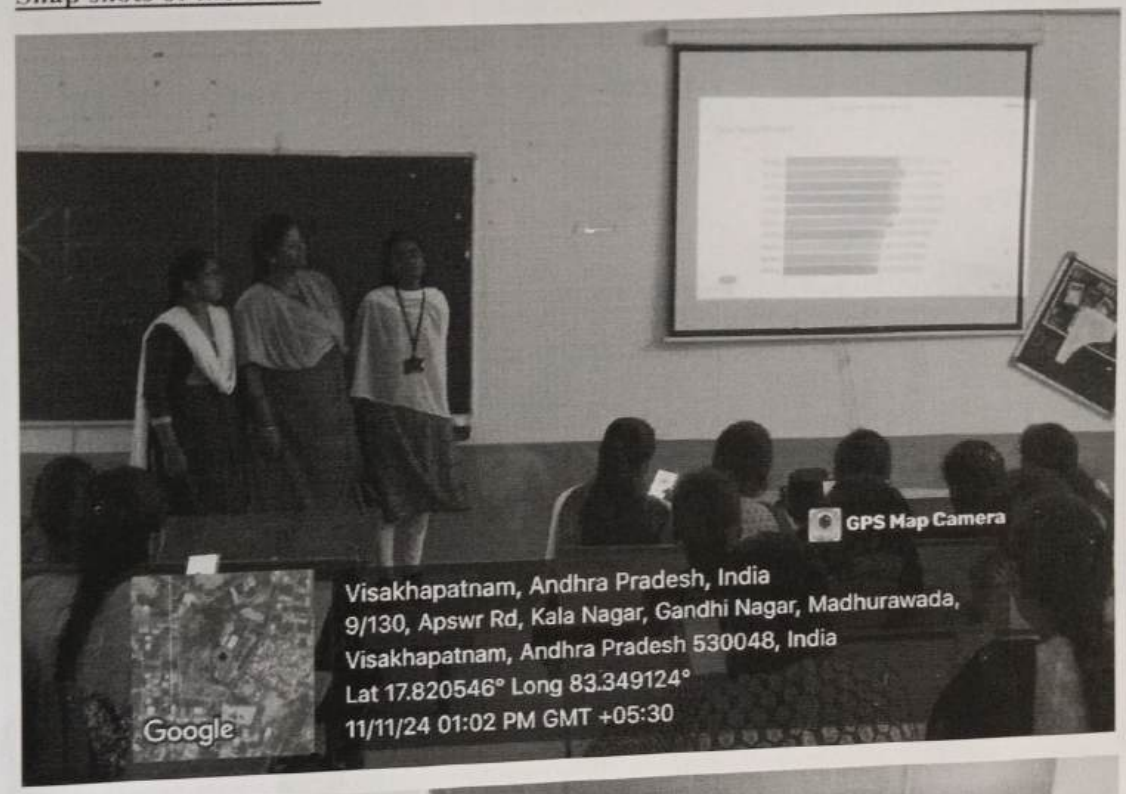

Leaderboard results after the question:

ACTIVITY REPORT

Event Name: LINKEDIN AND LINKEDIN LEARNING

Participants: 49 from III IT

61 from II IT

Description:

LinkedIn: LinkedIn is a social networking platform designed for professionals and businesses to connect, share information, and network. Founded in 2002, LinkedIn has become the largest professional networking site with over 900 million users worldwide.

LinkedIn Learning: LinkedIn Learning is an online learning platform offering video courses and tutorials on various topics, including business, technology, creative skills, and more.

LINKEDIN:

LinkedIn is a social networking platform designed for professionals and businesses to connect, share information, and network.

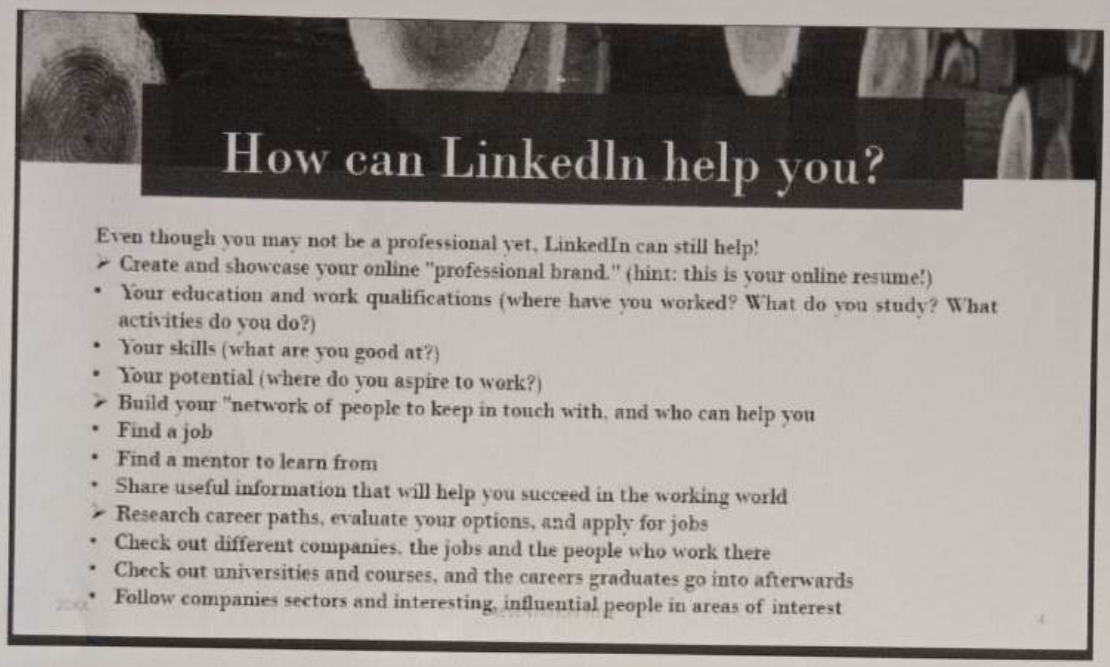

Key Features:

1. Professional Profiles: Showcase work experience, education, skills, and achievements.
2. Networking: Connect with colleagues, industry leaders, and potential employers.
3. Job Search: Browse and apply for job openings.
4. Content Sharing: Share articles, posts, and updates.
5. Groups: Participate in discussions and join communities related to specific industries or topics.
6. Recommendations: Request and provide endorsements for skills and services.
7. Career Development: Access online courses, tutorials, and resources.

Benefits:

1. Establish professional online presence.
2. Expand network and connections.
3. Stay updated on industry news and trends.
4. Access job opportunities and career resources.
5. Enhance skills and knowledge.
6. Build personal brand and reputation.
7. Connect with potential clients, partners, or collaborators.

Creating a LinkedIn Account

1. Go to (link unavailable) and click "Join Now".
2. Fill out the registration form with your email address, password, and basic information.
3. Verify your email address.
4. Complete your profile:
   - Profile picture
   - Headline (professional summary)
   - Summary (bio)
   - Experience (work history)
   - Education
   - Skills
   - Languages
5. Add connections:
   - Import contacts from email or upload a CSV file
   - Search for colleagues, friends, and industry leaders
   - Send personalized connection .

LINKEDIN LEARNING

LinkedIn Learning is an online learning platform offering video courses and tutorials on various topics, including business, technology, creative skills, and software development.

Key Features:

1. 16,000+ courses and tutorials
2. Expert instructors
3. Personalized course recommendations
4. Video lessons with downloadable exercise files
5. Certificates of completion
6. Mobile optimization
7. Offline viewing

Introduction to LinkedIn Learning

What is LinkedIn Learning?
•An online platform offering thousands of courses.
•**Focus Areas:** Business, technology, creative skills, and personal development.
Benefits of LinkedIn Learning
•**Flexible Learning:** Learn at your own pace, anytime, anywhere.
•**Diverse Course Offerings:** Wide range of topics and skills.
•**Expert Instructors:** Courses taught by industry professionals.
•**Certificates:** Add completed courses to your LinkedIn profile.

How to access courses in linkedin learning:

Method 1: **LinkedIn Learning Website**

1. Go to (link unavailable).
2. Sign in with your LinkedIn credentials.
3. Browse courses or search for specific topics.
4. Click on a course to start learning.

Method 2: **LinkedIn Mobile App**

1. Download and install the LinkedIn app (iOS or Android).
2. Tap on "Learning" in the bottom navigation menu.
3. Browse courses or search for specific topics.
4. Tap on a course to start learning.

Method 3: **LinkedIn Desktop App**

1. Download and install the LinkedIn desktop app (Windows or macOS).
2. Sign in with your LinkedIn credentials.
3. Click on "Learning" in the top navigation menu.
4. Browse courses or search for specific topics.
5. Click on a course to start learning.

Open LinkedIn Learning app and click Sign In

Enter email id for verification

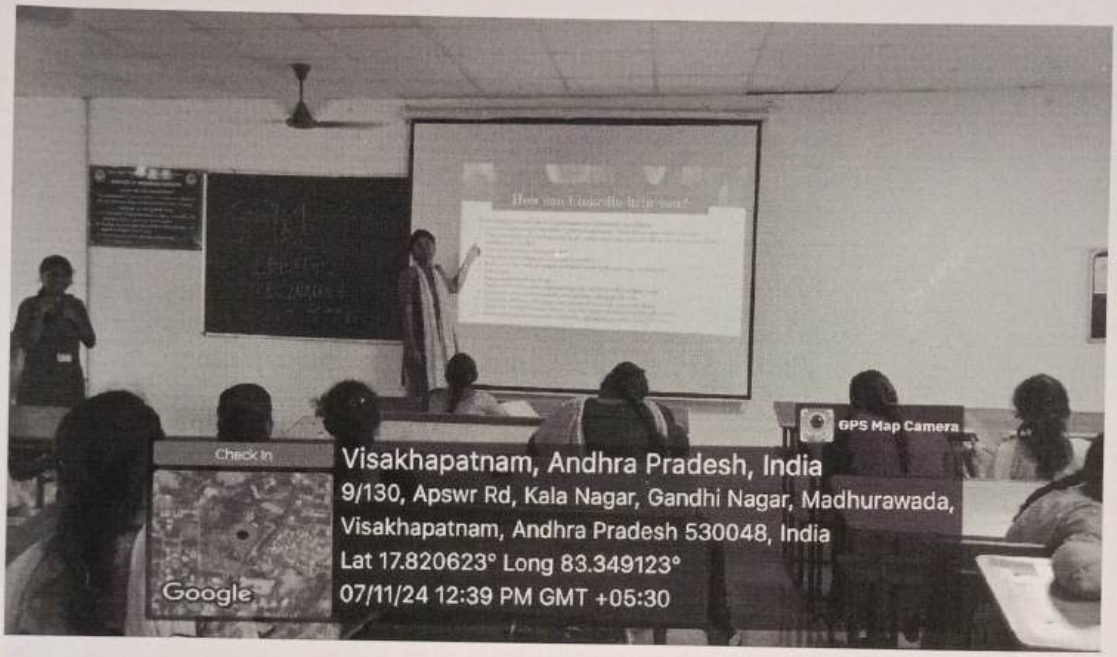

Go for Verification and click Submit.

PROPOSAL OF THE EVENT

NAME OF THE ACTIVITY: PROMPT ENGINEERING

This is the event in the academic year 2024-2025 was held by the Student Members of the SPIKE club.

DESCRIPTION:

We, The Spike members are conducting an event on "Prompt Engineering".

Prompt engineering is the practice of designing and refining input queries to maximize the effectiveness of AI models like GPT. It involves understanding the AI's behavior, crafting clear and specific instructions, and experimenting with different phrasing to achieve the desired output. This technique helps guide the AI to produce more accurate, relevant, and creative responses. Prompt engineering is essential in improving user experience and ensuring models meet specific requirements across various applications. It is a key skill in working with AI systems effectively, especially in complex tasks.

PLATFORM: Power Point Presentation

SPIKE Members:

1) B. Swathi, 322103211004, III IT
2) G. Sampada, 322103211018, III IT
3) M. Devika, 322103211030, III IT

Ms. M. DEEPTHI
Assistant Professor
Faculty Coordinator

Dr M. BHANU SRIDHAR
Associate Professor
Head of the Department

Head of Department

Department of Information Technology

Date: 28-10-2024

CIRCULAR

This is to inform all IV B. Tech I Sem students that the Department of Information Technology is going to conduct **"PROMPT ENGINEERING"** event under the department club **SPIKE-*Students Panoply of Information Knowledge Enhancement*** as per following schedule. All are requested to attend the event and make the program useful.

Student Coordinator: 1) B. Swathi, 322103211004, III IT

2) G. Sampada, 322103211018, III IT

3) M. Devika, 322103211030, III IT

Faculty Coordinator: Ms. M. Deepthi

Schedule:

Date: 06-11-2024 & 08-11-2024

Time: 12:50 PM – 01:40 PM

Venue Room No: 311,312

Head of Department
Dept. of Information Technology
GVP College of Engineering for Women
Madhurawada, Visakhapatnam-48

Dr M. BHANU SRIDHAR
Head of the Department

ACTIVITY REPORT

Event Name: PROMPT ENGINEERING

Participants: 49 from III IT

60 from II IT

Description:

Prompt engineering is the practice of designing and refining input queries to maximize the effectiveness of AI models like GPT. It involves understanding the AI's behavior, crafting clear and specific instructions, and experimenting with different phrasing to achieve the desired output. This technique helps guide the AI to produce more accurate, relevant, and creative responses. Prompt engineering is essential in improving user experience and ensuring models meet specific requirements across various applications. It is a key skill in working with AI systems effectively, especially in complex tasks.

Current Affairs:

Prompt Engineering and Its Key Features in Detail

Prompt engineering is the process of designing input queries or instructions in a way that maximizes the effectiveness of AI language models like GPT (Generative Pre-trained Transformer). This process is essential for obtaining high-quality, accurate, and contextually appropriate outputs, especially when interacting with complex models. Prompt engineering is crucial for applications ranging from natural language processing (NLP) to creative content generation, customer support, and data analysis.

Effective prompt engineering requires an understanding of how AI models work, the ability to craft clear and specific instructions, and the skill to experiment with different formulations of queries. By carefully designing the input, prompt engineers can control the AI's output and tailor it to meet specific needs.

Key Features of Prompt Engineering

Below are the key features of prompt engineering, explained in detail.

---

1. Clarity and Specificity

One of the most essential aspects of prompt engineering is **clarity**. To get the best response from an AI model, the input must be unambiguous. If the prompt is vague or unclear, the AI may generate irrelevant or generic answers.

- **Clear Instructions**: Specific language should be used to indicate exactly what is expected from the AI. For instance, instead of asking "Can you write a summary?", a more specific prompt would be, "Write a concise summary of this article in under 200 words." The more specific you are, the more focused and accurate the AI's response will be.
- **Limitations and Boundaries**: Clearly defining the constraints within a prompt can help manage the length, tone, or depth of the response. For example, asking "Summarize the text in 3 sentences" ensures that the response is concise and directly addresses the requirement.
- **Avoiding Ambiguity**: Prompts should avoid any language that might lead to multiple interpretations. For instance, asking "Tell me about the history of the company" without specifying which company may confuse the model. A more specific prompt would be, "Tell me about the history of XYZ Corporation."

---

2. Context Awareness

Context is crucial in prompt engineering, as an AI model's output heavily depends on the information provided. The more context you include in your prompt, the more relevant and coherent the AI's response will be.

- **Providing Background Information**: Including relevant context can help the AI model generate responses that are both accurate and contextually appropriate. For instance, if you're asking the AI to generate a story, providing details about the setting, characters, and tone can significantly improve the output.
- **Sequencing and Continuity**: In more complex interactions, such as a multi-turn conversation or a series of related tasks, ensuring the context flows consistently across prompts is key. For example, if you're building a product description over multiple prompts, make sure the context from previous responses is retained to maintain coherence.
- **Complex Context**: If you want the AI to perform a specific task, such as technical analysis or decision-making, adding domain-specific context can help. For example, instead of asking, "What are the market trends for this product?", a more specific prompt would be, "Analyze the market trends for electric vehicles in the U.S. over the past 5 years, considering factors like government incentives and consumer preferences."

---

3. Iteration and Refinement

Prompt engineering is rarely a one-step process. Often, refining the input prompt through iteration leads to better outputs. Experimentation with wording and structure is vital in identifying the most effective prompt.

- **Testing Variations**: Trying different variations of the same prompt is a common practice. For instance, you can ask the same question in several ways, such as "What is the best strategy for SEO in 2024?" versus "What are the most effective SEO techniques in 2024?" and compare the outputs to see which one provides the most relevant information.
- **Feedback Loops**: After receiving an initial output, prompt engineers often refine their inputs based on the model's responses. If the AI's response is too broad or irrelevant, the engineer will modify the prompt to make it more specific, ensuring that each interaction brings the model closer to the desired result.
- **Iterative Refining for Specificity**: After testing a prompt, you might notice that some details need to be emphasized more. By refining the prompt, you can gradually adjust the AI's response quality until it aligns with the expectations. For example, the initial prompt could be, "Describe the benefits of exercise," and after an initial response, you might refine it to "Describe the mental health benefits of aerobic exercise for middle-aged adults."

---

4. Adaptability

Effective prompt engineering requires an understanding of the intended application. The prompts need to be adaptable to different use cases, adjusting language and phrasing to suit particular goals.

- **Different Domains**: The same AI model can be used for a variety of tasks, including creative writing, technical research, or customer service. In each case, the prompt needs to be tailored to the nature of the task. For instance, a creative writing prompt like "Write a short story about a young girl who discovers a magical world" differs vastly from a technical prompt like "Explain the concept of blockchain technology in simple terms."
- **Tone and Style**: Prompts can be adapted to produce outputs in different tones (e.g., formal, casual, humorous, etc.). This flexibility is especially important when the output needs to align with brand voice or a particular style. For example, a prompt for a brand message might be, "Create a friendly and professional response to a customer inquiry about a product return policy," while a prompt for an advertisement might be, "Write a catchy and persuasive ad for a new tech gadget."
- **Audience Consideration**: The prompt may need to adjust based on the target audience. A prompt intended for a general audience would differ from one aimed at a technical or specialized audience. For instance, "Describe quantum computing for a high school student" and "Explain quantum computing for a computer scientist" would require different prompt structures.

---

5. Response Control

Skilled prompt engineers can control not only the content but also the style, tone, and structure of the AI's response.

- **Guiding the Structure**: Sometimes, it's important to guide the AI on how to structure its answer. For example, instead of simply asking for a list of items, you could instruct the AI: "Provide a list of the top five benefits of exercise, followed by a brief explanation for each."
- **Influencing Tone and Formality**: Different scenarios require different tones and levels of formality. A formal response might be required in professional settings, while a casual tone might be preferable in customer support. By clearly specifying the tone in the prompt (e.g., "Please write a formal email response..." or "Write a casual conversation..."), the engineer can influence the AI's style of communication.
- **Length Control**: The length of the response can be controlled by specifying limits in the prompt, such as "Write a 100-word summary" or "Provide a detailed analysis in 500 words."
- **Reducing Bias**: In sensitive tasks, prompt engineering can be used to minimize bias in AI responses. By phrasing prompts carefully, you can encourage the model to avoid stereotypes and provide balanced, objective perspectives.

---

6. Domain-Specific Expertise

Effective prompt engineering often requires domain-specific knowledge. For example, when generating responses for legal, medical, or technical topics, prompts need to reflect accurate terminology, regulations, and methodologies.

- **Industry-Specific Knowledge**: For tasks that require specialized knowledge, it's crucial to design prompts that guide the model toward using industry-specific terminology and concepts. For example, in medical writing, a prompt might specify, "Provide a differential diagnosis for a patient presenting with fever and headache, considering the most common infections."
- **Incorporating Guidelines**: For industries with strict guidelines, such as healthcare or law, prompts can include these guidelines to ensure compliance with standards. For instance, "Describe the key requirements for GDPR compliance for an online business."

Conclusion

Prompt engineering is a critical skill for working effectively with AI models, enabling users to generate high-quality, tailored outputs. The key features of clarity, context awareness, adaptability, response control, and domain-specific expertise all play significant roles in optimizing AI interactions. By crafting thoughtful and precise prompts, users can harness the full

potential of AI tools for a wide range of applications, from creative writing to data analysis, customer service, and beyond.

Understanding the nuances of prompt engineering and applying it strategically allows users to guide AI systems towards producing responses that are not only accurate and relevant but also contextually appropriate and aligned with their goals. As AI technology continues to advance, the importance of prompt engineering will only grow, making it an essential skill in maximizing the potential of AI models across industries.

PPT ON PROMPT ENGINEERING :

Prompt Engineering: Crafting Powerful Inputs for AI

Unlock the potential of AI with expert prompt engineering. Learn to craft precise inputs that yield powerful outputs. This workshop empowers you to harness AI's capabilities effectively.

What is Prompt Engineering?

Definition
Prompt engineering is the art of crafting effective inputs for AI models.

Purpose
It aims to elicit accurate, relevant, and useful responses from AI systems.

Skill
Mastering prompt engineering enhances communication between humans and AI technologies.

PROPOSAL OF THE EVENT

NAME OF THE ACTIVITY: INTRODUCTION TO POWERBI

This is the event in the academic year 2024-2025 was held by the Student Members of the SPIKE club.

DESCRIPTION:

We, The Spike members are conducting an event on "Introduction To PowerBI".

Power BI is a powerful data visualization and business intelligence tool that transforms data from various sources into interactive dashboards and reports. It consists of multiple components, including Power BI Desktop for creating reports, Power BI Service for publishing, and mobile apps for viewing. Users can easily connect to data, visualize insights, and share findings. The tool offers advantages such as enhanced analytics capabilities, though it has limitations. Real-world applications include finance, sales analytics, and data integration.

PLATFORM: Power Point Presentation

SPIKE Members:

1) V. Gayathri Krishna, 322103211049, III IT
2) D. Archana, 322103211009, IIT IT

ACTIVITY REPORT

Event Name: Introduction to Power BI

Participants: 49 from III IT

52 from II IT

Description:

Power BI is a powerful data visualization and business intelligence tool that transforms data from various sources into interactive dashboards and reports. It consists of multiple components, including Power BI Desktop for creating reports, Power BI Service for publishing, and mobile apps for viewing. Users can easily connect to data, visualize insights, and share findings. The tool offers advantages such as enhanced analytics capabilities, though it has limitations. Real-world applications include finance, sales analytics, and data integration.

1. **What is Power BI?** - A suite for data visualization and business intelligence.
2. **Installation Steps** - Simple steps to download and set up Power BI.
3. **Components** - Includes Desktop, Service, and Mobile apps for different functionalities.
4. **Data Workflow** - Users can connect, visualize, and share data insights.
5. **Real-World Applications** - Widely used in finance, sales analytics, and collaboration.
6. **Advantages** - Provides immersive and interactive insights.
7. **Limitations** - While powerful, it has certain constraints to consider.

Key Insights -🔍

1. **Versatile Connectivity** - Power BI allows connections to diverse data sources, ranging from Excel files to hybrid data warehouses, enhancing its usability across different organizations. 🌐
2. **User-Friendly Interface** - The intuitive design of Power BI Desktop, with its report, data, and model views, simplifies the process of data manipulation and visualization, making it accessible to users of varying technical skills. 📊
3. **Power Query Editor** - This feature enables users to transform and refine data before visualization, ensuring high-quality input for reports, which is crucial for accurate business insights. 🔄
4. **Customizable Canvas** - The ability to adjust the canvas size and background enhances the presentation of reports, catering to different audience preferences and improving engagement. 🎨
5. **Collaboration Features** - Power BI's capabilities for sharing and collaboration facilitate teamwork and communication, essential for data-driven decision-making in organizations. 🤝
6. **Distinct vs. Unique Values** - Understanding the difference between distinct and unique values in datasets is critical for accurate analysis, impacting how insights are derived from the data. 📈
7. **Limitations Awareness** - Users should be aware of Power BI's limitations, such as data capacity and performance issues, to effectively manage expectations and optimize usage. ⚠️

Ppt On PowerBi:

Introduction to Power BI

Power BI is a Data Visualization and Business Intelligence tool that converts data from different data sources to interactive dashboards and BI reports. Power BI suite provides multiple software, connector, and services - Power BI desktop, Power BI service based on Saas, and mobile Power BI apps available for different platforms. These set of services are used by business users to consume data and build BI reports.

Power BI desktop app is used to create reports, while Power BI Services (Software as a Service - SaaS) is used to publish the reports, and Power BI mobile app is used to view the reports and dashboards.

Installation of Power BI

Step 1: Click the above link.

Spike Event: General Body Elections

Every academic year the General Body Elections will be conducted by the Faculty coordinator of the SPIKE club, M. DEEPTHI, Assistant Professor, IT. Polling was conducted to elect the Student Body Members of SPIKE club. Students have prepared a 2-minute speech about how they will play a key role as a SPIKE Committee Member. Based on their presentations, 3 Members were chosen by student members of IV, and 2 from III-year IT.

Contestants from IV year:

1. M. Prasanna
2. B. Saritha
3. R. Rukmini
4. N. Vidyavallika

PARTICIPANTS	NO. OF VOTES
M. Prasanna	15
B. Saritha	35
R. Rukmini	25
B. Ramani	20
N. Vidyavallika	30

Contestants from 3rd year:

1. T. Jyotirmayee
2. V. Gayathri Krishna
3. G. Sampada
4. N. Ishwarya

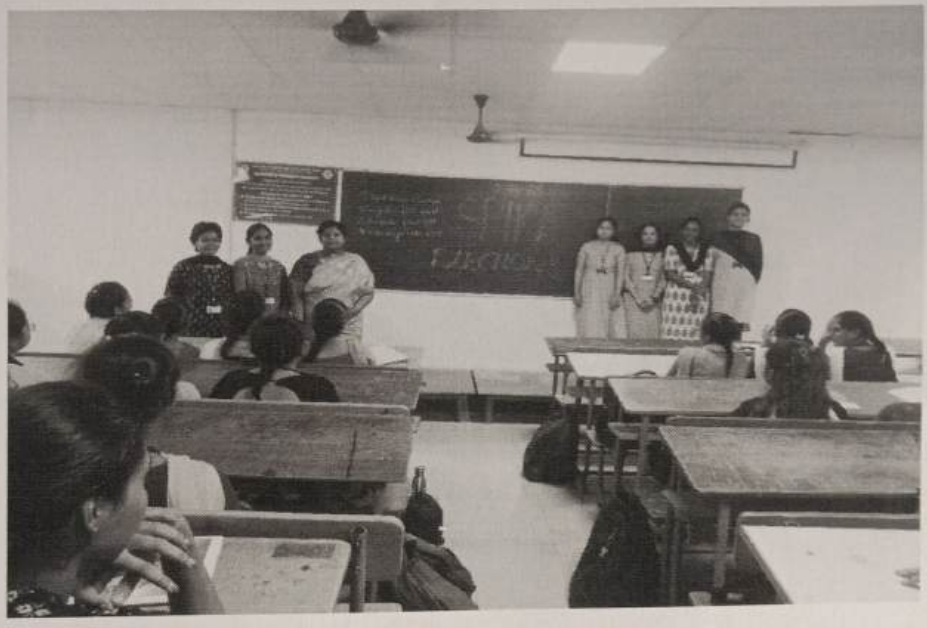

PARTICIPANTS	NO. OF VOTES
T. Jyotirmayee	10
V. Gayathri Krishna	12
G. Sampada	18
N. Ishwarya	5

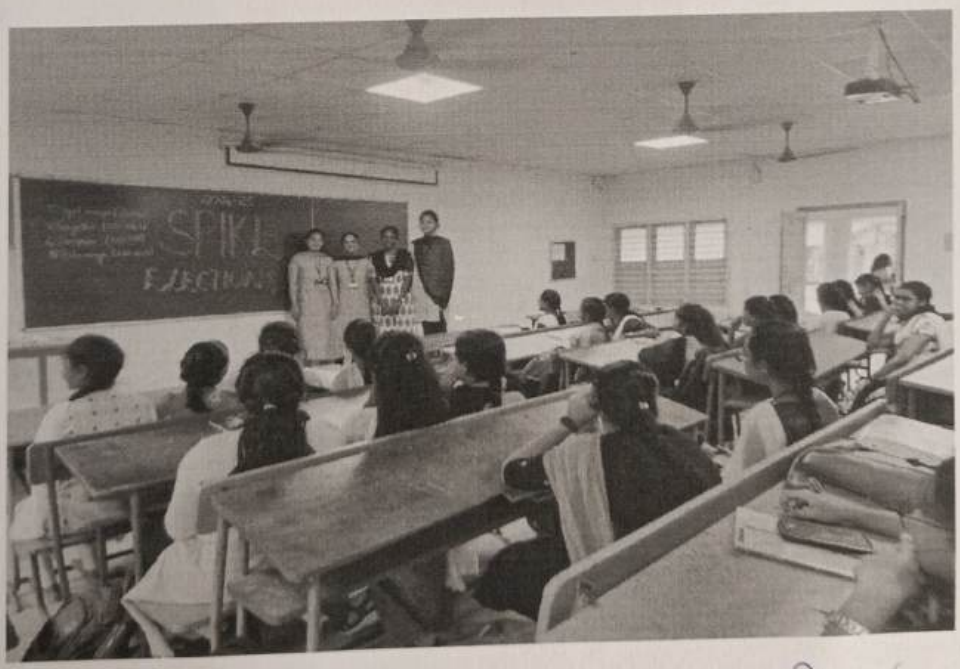

Students finally elected are B. Saritha, N. Vidyavallika & R. Rukmini from 4th IT and G. Sampada & V. Gayathri Krishna from 3rd IT.

Students have voluntarily come up to extend their support and put up their ideas for the upcoming events. On this occasion, an interaction session was held to the 3rd year's explaining the importance of SPIKE and giving some sight upon the events to be conducted.

ECLAT-A EVENT REPORT ON POSTER PRESENTATION

Beyond Innovation: A Poster Journey in to Advanced Technologies

The Electronics and Communication Learners and Teachers Association (ECLAT-A) is committed to fostering technical excellence, innovation, and collaboration among students. Through workshops, seminars, and industry interactions, we enhance technical knowledge while promoting creativity, problem-solving, and entrepreneurship in electronics and communication. Our platform encourages idea exchange, teamwork, and leadership development, bridging the gap between academia and industry.

This report highlights the events conducted, objectives, participation, and outcomes of each initiative organized by ECLAT-A. Our initiatives have successfully fostered innovation, developed technical skills, and created a collaborative learning environment, ensuring meaningful experiences for all participants.

Event Details

Event Name: Poster Presentation
Topic: Advanced Technologies
Date: March 11, 2025
Location: ECE Department, Gayatri Vidya Parishad College of Engineering for Women (Autonomous), Madhurawada, Visakhapatnam
Organized by:ECLAT-A Club, Department of Electronics and Communication Engineering
Attendees: Students, faculty members, and esteemed guests

Introduction

The Poster Presentation event was held on March 11, 2025, at the ECE Department Corridors as part of the Science Day celebrations. Organized by the ECLAT-A Club, the event aimed to encourage students to explore and present emerging technologies in electronics and communication.

It provided a platform for 2nd-year ECE students to enhance their technical knowledge, research skills, and creativity by preparing informative posters.

The event began with an opening speech delivered by Manaswini from 3rd ECE, the ECLAT-A lead, who warmly welcomed the attendees and highlighted the importance of innovation and research in electronics and communication.

Event Highlights

Inauguration and Distinguished Guests

The event was graced by the presence of our esteemed Principal, Dr. R. K. Goswami, whose encouragement and support have always been instrumental in fostering a culture of innovation in our institution.

We also extend our gratitude to Dr.P.M.K.Prasad, Professor & Head of the Department, ECE, for his constant motivation and guidance.

A special appreciation goes to Dr.K.L.Sai Prasad and Dr.B.Vijaya Lakshmi for gracing the event with their presence.

We would also like to acknowledge and thank our esteemed ECE department faculty members Mrs. R. Jalaja, Mrs. L. Sarika, Mr. N. V. Maheswara Rao, and Dr. M. Manikumari for their support in making this event a success.

Exploring the World of Advanced Technologies

Participants prepared and presented posters on ground breaking technologies, demonstrating their understanding of cutting-edge advancements. Faculty members and guests evaluated the posters based on innovation, research depth, clarity, and presentation skills. Interactive discussions allowed students to explain their topics and gain valuable insights from faculty members.

Innovative Topics Explored

The posters showcased a diverse range of emerging technologies, including:
Chiplet Technology – Revolutionizing semiconductor design for improved efficiency and performance.
Space & Satellite Technology – Innovations driving global communication and space exploration.
Internet of Things (IoT) – The role of smart devices in automation and connectivity.

Additionally, topics such as 6G & Wireless Communication, Cyber Security, Asteroid Mining, NanoTechnology, Robotics, and FPGA were explored. These topics highlight the advancements shaping the future of electronics, from securing digital data to

expanding human capabilities through artificial intelligence and automation. The diverse range of subjects encouraged students to delve deeper into the next generation of technological breakthroughs.

Participation and Engagement

Category	No. of Participants
ECE-1 Students	18
ECE-2 Students|	14
Total Participants	**32**

Other students and faculty members of the college were kindly invited to attend the event, allowing them to observe and engage in discussions about the latest technological advancements.

Recognizing Excellence:

Winners of the Event

Prize	Topic	Winners
1st	Chiplet Technology	N. Jyothsana Latha P.Kavya
2nd	Space & Satellite Technology	M. Pavithra B. Yamini Reddy B. Draxayini B. Aruna Kumari

Impact and Reflections

Key Takeaways

- The event enhanced student's technical knowledge, research skills, and confidence in presenting ideas.
- Participants gained insights into emerging trends in electronics and communication.
- Faculty members appreciated the creativity and enthusiasm displayed by students.

Student and Faculty Feedback

- Students expressed that the event motivated them to research and present complex topics in a simplified manner.

- Faculty members emphasized the importance of such events in fostering innovation and practical learning.

Overcoming Challenges

- Some students faced time constraints in preparing posters, but they managed to deliver well-researched presentations.
- Technical topics required in-depth study, which was challenging yet rewarding.

Measuring Success

- The event received positive feedback from students and faculty.
- The participation and engagement levels were higher than expected, indicating the success of the event.

Conclusion

The Poster Presentation event was a remarkable success, providing students with a platform to showcase their knowledge and creativity. It contributed significantly to their technical and presentation skills, helping them stay updated with emerging technologies.

The event fostered a spirit of innovation and academic excellence, reinforcing the ECLAT-A Club's mission to promote learning, research, and collaboration in electronics and communication engineering.

The event concluded with a heartfelt thank-you speech by 2nd-year ECE student Harshini, who expressed gratitude towards the faculty, participants, and organizers for their contributions.

Looking ahead, the club plans to organize more such events to enhance student engagement and technical exposure. We extend our heartfelt gratitude to all faculty members, students, and organizers who contributed to making this event a great success.

ECLAT-A Events Report: "Innovative Insights: Let Your Posters Speak"

Event Name: Innovative Insights: Let Your Posters Speak - Poster Presentation

Date & Time: 23rd September 2024, 1:40 PM

Participants: III-year ECE students

Electronics and Communication Learners and Teachers Association (ECLATA) has been at the forefront of fostering technical excellence and innovation within our department. Over the course of 2023 and 2024, we organized a series of impactful events aimed at enhancing technical knowledge, encouraging creative thinking, and building a vibrant academic community.

This report highlights the events conducted during my tenure (S. Himavarshini and K. Nikitha) as the ECLAT-A lead, detailing the objectives, participation, and outcomes of each initiative.

Event Report: Poster Presentation

Organized by: ECLAT-A Club, Department of Electronics and Communication Engineering, Gayatri Vidya Parishad College of Engineering for Women (Autonomous), Madhurawada, Visakhapatnam.

Event Overview:

The ECLAT-A Club of the Department of Electronics and Communication Engineering organized a poster presentation event titled "Innovative Insights: Let Your Posters Speak" on 23rd September 2024 at 1:40 PM.

The event aimed to encourage students to explore and showcase their knowledge of emerging technologies in electronics and communication through creative and informative posters.

Event Highlights:

The event was graced by the Principal of GVPCEW, the Head of the ECE Department, and faculty members, who appreciated the students' efforts and creativity.

- A total of 60 students actively participated in the event.
- Around 20 posters were displayed, covering various cutting-edge topics in electronics and communication.
- The quality of the posters was commendable, with students demonstrating in-depth research and innovative ideas.
- The event received positive feedback from attendees, who praised the originality and technical knowledge displayed in the posters.

Conclusion:

The Poster Presentation was a great success, with enthusiastic participation from students. The event not only provided a platform for students to showcase their knowledge but also fostered innovation and creativity. Faculty members and attendees highly appreciated the initiative, making it a valuable learning experience for all involved.

Acknowledgment:

We extend our gratitude to the Principal, HOD, ECE Department faculty members and ECLAT-A Coordinators and students for their support and participation in making this event a success.

Event Highlights:

Student Participant Details:

REPORT ON THE ECALAT CLUB INAUGURAL EVENT

Introduction The eagerly awaited inaugural event of the **ECLAT-A Club** was successfully conducted by the student body members on 15-11-2024 at Auditorium. The event marked the official launch of the club for the year 2024-2025, aiming to provide a platform for students to enhance their skills, engage in innovative projects, and foster collaboration among peers.

Opening Ceremony The event commenced with a warm welcome speech by student president M.JHANSI and secretary K.MANASWINI, who emphasized the vision and objectives of the club. This was followed by the lighting of the lamp by esteemed dignitaries, including Dr.Birendra Biswal. Sir professor and Dean (R&D), faculty members, and student representatives.

Guest Speeches Distinguished guests and faculty members addressed the gathering, highlighting the significance of the club in promoting academic excellence and extracurricular activities. The chief guest,Dr.Birendra Biswal professor and Dean(R&D), delivered an inspiring speech on the importance of student-driven initiatives in shaping their careers for future .One of the key highlights of the speech was **on VLSI and Nanotechnology** .He elaborated on the advancements in **Very Large Scale Integration (VLSI)** and **Nanotechnology**, emphasizing their growing impact on various

industries, including electronics, healthcare, and computing. The session covered:

- The evolution of VLSI and its role in semiconductor development
- How nanotechnology is revolutionizing material sciences and electronic miniaturization
- Career opportunities in these cutting-edge fields
- The importance of research and innovation breakthroughs

Club Overview and Activities A detailed presentation on the club's mission, objectives, and planned activities was given by the student coordinators. The key initiatives include:

- Workshops and technical training sessions
- Guest lectures by industry experts and super seniors
- Competitions and hackathons
- Community outreach programs
- Research and innovation projects

Cultural Performances and Engagement Activities To add vibrancy to the event, students showcased their talents through cultural performances, including dance, music, and small competition among the students related to the club's . Interactive games and quizzes were also organized to engage the audience.

Membership Drive and Closing Remarks The club officially opened its membership for interested students, encouraging participation from all disciplines. The event concluded with a vote of thanks byM.Sai Sri Harshini , expressing gratitude to the organizing team, faculty, and attendees for their support in making the inaugural ceremony a grand success.

Conclusion The inaugural event of the Eclat-a Club was a resounding success, setting a strong foundation for future activities. With enthusiastic participation from students and support from faculty, the

club is poised to become a hub of innovation and learning in the institution.

COSCENGERS

Event: Selection Process **Date:** 5/10/24

Objective of this event:

COSCENGERS is a student association club of the Computer Science department wherein the activities are organized by the members of the club who are elected by the students annually. This club is to bring together all students of 2nd, 3rd and 4th year of the CSE department to organize and participate in different events.

Event Details:

- **Venue:** Room 201
- **Timings:** 2:45 – 4:30 pm

Every year, the students of 2nd, 3rd, and 4th year of CSE elect a body with a President from the final year, Vice President, Secretary, and Treasurer from the 3rd year. The elected body takes up the charge and organizes several events throughout the academic year.

This year, the roles have been passed on by conducting an internal voting amongst the body. The students from the body stood for the roles they are interested in: President, Vice President, Secretary, and Treasurer. The body voted for the members. The elected students were given the respective roles, taking the maximum number of votes into consideration. Rest of the students from 2nd, 3rd and 4th years are the members of the club.

Elected Members:

- **President:** E.Likithanjali (21JG1A0522)
- **Vice President:** Y.Manasa (322103210178)
- **Student Coordinator:** Nazneen sulthana (21JG1A0576)
- **Secretary :** P.Yashoda pallavi (21JG1A05D0)
- **Joint secretary:** Ch.Snehitha (322103210028)
- **Treasurer :** P.Sai likhita (322103210112)
- **Social media handler :** G.gayatri (323103210066)

12th August, 2024

The first meeting of Anti-ragging committee constituted for the academic year 2024-25 was held on 12th August, 2024 at 11.00 AM in the seminar hall. The chairman, co-chairman, convener cordially welcomed faculty committee members, squad members of Anti-ragging Committee (ARC) to the meeting and suggested them to take measures to prevent ragging in and outside the college campus. It was decided by all the committee members and squad members of ARC to implement the guidelines mentioned below in order to prevent the ragging in and outside the college campus.

1. Squad members are informed to make surprise visits to the hostel after college working hours.
2. Squad members are suggested to make surprise visits frequently to the college canteen, hostel mess during the college hours (lunch break).
3. Members of ARC travelling in the college bus are advised to monitor activities of senior students in the bus and near bus stops in order to prevent ragging.
4. If there are any incidents of ragging found, are to be bought to the notice of the chairman immediately.
5. The committee members are informed to conduct an awareness program among the senior students about consequences of ragging.
6. ARC members are suggested to conduct meeting with first year students to guide them, to restrict their movements and interactions, especially with strangers.
7. The committee members are asked to take the anti-ragging affidavits from the students and their parent/guardian.
8. It is required to informlist of anti-ragging committee and squad members along with their phone numbers to all the first year students.

In this regard, the convener of ARC outlined the following duties and responsibilities of Committee members and squad members.

1. Dr.P.Devendra, Ms. B Bharathi, Mr. N.V.MaheswaraRao, Dr.V.Lakshmana Rao, Mr.S.Ashok, Ms.P.Hemalatha, Mr.V.S.S.V.D.Prakash, Ms.N.Roopavathi, Ms.B.V.R.Gowri, Mr.A.Srinivasa Rao, Ms.P.Sridevi, Ms.B.Ramadevi and Ms.R.Archana are assigned the duty to make surprise visits to college canteen and corridors during lunch hours.
2. Ms.N.M.Gowri, Dr.Ch.S.Lakshmi, Ms.R.Sridevi and Ms.D.Santoshi are assigned the duty of surprise visits to hostel after the college working hours.
3. Ms.R.Archana, Ms.N.Roopavathi , Ms.P.Hemalatha, Mr.S.Ashok, Dr.V.Lakshmana Rao and Mr.N.V.Maheswara Rao were assigned the duty to make visits to hostel canteen, during lunch hours.
4. Ms.N.Roopavathi, Ms.R.Archana and Ms.B.Ramadevi are assigned the duty to monitor the students in their respective buses and the nearest bus stops.
5. All squad members need to take anti- ragging online affidavits from the students.

The schedule of visits by the ARC quad members for identified places as below

Day	Squad at College Canteen during Lunch Hour	Squad at College Corridors (First year Block) During Lunch Hour	Squad at Hostel Canteen during Lunch Hour	Evening Visits to Hostel after 7:00PM
Monday	Mr.V.Lakshmana Rao	Ms.B.V.R.Gowri	Ms.R.Archana	Ms.N.M.Gowri
Tuesday	Mr.N.V.Maheswara Rao	Mr.V.S.S.V.D.Prakash	Ms.N.Roopavathi	Dr.Ch.S.lakshmi
Wednesday	Ms.B.V.R.Gowri	Mr.A.Srinivasa Rao	Ms.P.Hemalatha	Ms.R.Sridevi
Thursday	Ms.P.Hemalatha	Ms.B.Ramadevi	Mr.S.Ashok	Ms.N.M.Gowri
Friday	Mr.V.S.S.V.D.Prakash	Mr.A.Srinivasa Rao	Mr.N.V.Maheswara Rao	Ms.R.Sridevi
Saturday	Ms.P.Sridevi	Ms.R.Archana	Mr.V.Lakshmana Rao	Ms.D.Santoshi

All the other members are requested to assist the Convener, Dr.P.Devendra and Co-convener, Ms. B.Bharathi to carry out the actions that are to be taken in curbing the ragging menace.

Dear Professor,

Greetings from CSI-ED.

We have processed your Application Form (Institutional Membership & Student Branch).

Your Institutional Membership No – **M10898**

CSI Current Nominating Authority		
NA - Name	**Mobile No.**	**Email ID**
Dr.Raj Kumar Goswami	88850 43361	principal@gvpcew.ac.in

CSI Current Student Branch Counsellor (SBC)				
Member ID	**SBC - Name**	**Mobile No.**	**Email ID**	**Validity**
F8004497	Mr Sumahasan Singupuram	83746 56116	sumahasan@gvpcew.ac.in	30.09.2027

IMG-20250201-WA0013.jpg

CSI Current Nominee Membership Details

S.No	Member ID	Nominee Name	Mobile No.	Email Id	Validity
1	F8004497	Mr.Sumahasan Singupuram	83746 56116	sumahasan@gvpcew.ac.in	30.09.2027
2	F8004498	Mr.K.Purushotham Naidu	99634 44007	kpnaidu@gvpcew.ac.in	30.09.2027
3	F8004499	Mr.Ch.V.V.D.Prasad	86390 26349	prasadchelluri@gvpcew.ac.in	30.09.2027

Assigned Professional CSI Chapter - Visakhapatnam

Note:- Your Institutional Membership next renewal due date is 1st October 2027

Hard Copy of Institutional Membership, Student Branch Certificate, three nominees, Students ID Cards & Payment Receipt will take time to dispatch.

CSI Association Club ACTIVITY

Name Of the Activity: Resume Building

Date:-23-12-2024

Venue: Rooms 201, 202, 221,315

Participation: 2nd year CSE, CSE(AIML)

Description:

Report on Resume Building Session

On 23/12/2024, a **Resume Building Session** was conducted to guide juniors on crafting professional and impactful resumes tailored for placements.

The session focused on:

1. **Key Elements of a Resume**:
   Discussed the importance of clear formatting, concise content, and relevant information.
2. **Highlighting Skills and Achievements**:
   Emphasized showcasing technical skills, certifications, projects, and academic accomplishments.
3. **Tailoring Resumes**:
   Provided tips on customizing resumes for specific roles and companies.
4. **Common Mistakes**:
   Addressed frequent errors, such as grammatical mistakes, irrelevant details, and cluttered layouts.
5. **Tools and Resources**:
   Introduced tools for creating visually appealing and ATS-friendly resumes.

The session concluded with practical demonstrations, live feedback on sample resumes, and an open Q&A, ensuring participants gained valuable insights for building a professional resume.

Organizers:

CIRCULAR

The environmental club, Eco-Tech club of GVP college of Engineering for Women proposes to conduct an Ideathon- ***'Environer'*** to commemorate World Environment Day 2024. World Environment Day is celebrated annually on 5th June and encourages awareness and action for the protection of the environment. This year's World Environment Day campaign focuses on land restoration, desertification and drought resilience under the slogan "Our land. Our future. We are #GenerationRestoration."

1st and 2nd year students are enjoying your summer vacation. While you all are enjoying your summer vacation, we request you all to spare some time for our dear Planet Earth, by pondering over a few questions via this Ideathon- ***'Environer'*** and seeking answers by your innovative ideas. You can share and upload your ideas in the link which will be provided in your emails and class groups.

- What is my Tikkun Olam? Tikkun Olam in Hebrew means '***repairing the world'***
- Why did I chose my Tikkun Olam?
- My action plan to make our Mother Earth smile again.
- A few suggestions for your Tikkun Olam, sapling plantation, setting up bird feeders in your home, keeping water for stray animals in this scorching summer heat or any ecofriendly activity.

You can upload your idea, pictures while doing the activity and a brief report on the activity. For any clarification you can contact the following faculty Co-ordinators-

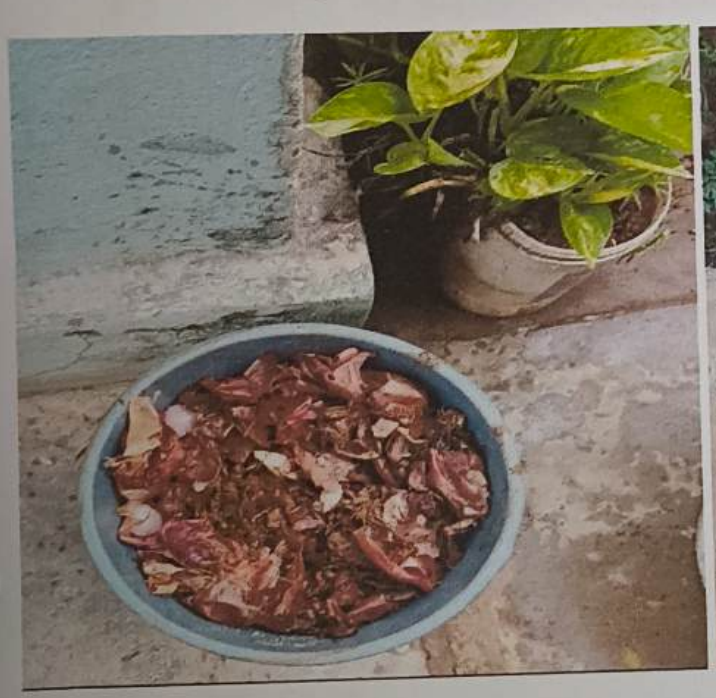

1. Dr. Rani Prava Nanda, Asst. Prof. Chemistry
2. Dr. B. Rajesh Babu, Asst. Prof. Physics

Report of Events of Ecotech club in 2024-25

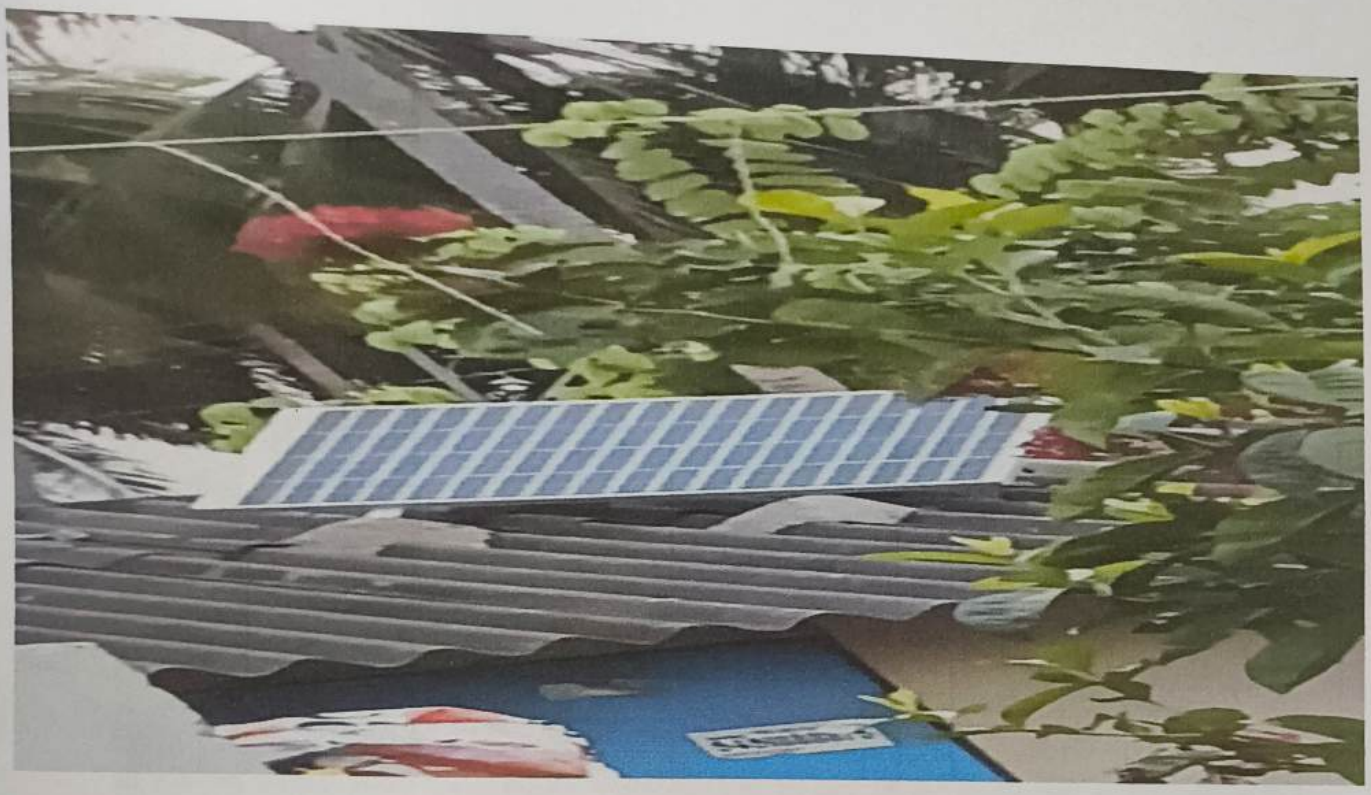

1. **Expert Talk** was organized on "Climate tank Accelerator" for students **by Ms. Sweta Patole, Student Society for Climate Change Awareness, a chapter of Seeds of peace, USA,** on 26-04-2024 in the college auditorium. The expert talk was organized by Ecotech club, GVPCEW and NSS wing of GVPCEW. During the talk Ms. Sweta Patole discussed about various topics and projects, students can undertake on climate change awareness. She gave an insight in to the various phases of submission of project proposals, funding options and incentives available. She also explained to students that they can get mentorship from leading climate experts to ideate and implement climate action project. A video was also shown to students about various activities undertaken by their organization. At the end of the session, students were keenly involved in the interaction session with the speaker.
2. Ecotech club of GVPCEW conducted an Ideathon- ***'Environer'*** to commemorate World Environment Day 2024- 5th June 2024, What is my Tikkun Olam? Students uploaded their ideas on the google form sent to them via email, along with pictures while doing the activity and a brief report on the activity done at their respective residences.

3. Workshop was organized on 27-07-2024 to commemorate **World Nature Conservation Day 2024– "Develop responsible outlook for plastic (DROP)",** held by Centre for fostering social responsibility (CSFR) at GVPCE. The workshop was attended by students of NSS Wing and Ecotech club of GVP College of Engineering for Women. A guest lecture was organized, speaker was Mr. Appala Reddy, Expert from Indian Pollution Control association (IPCA), who stressed on Extended Producer Responsibility (EPR) and spoke about his endeavours on recycling plastic in association with GVMC, Beach cleaning initiatives, e-waste and battery waste disposal, waste segregation for recycling, effect of single use plastics on environment.

World environment day activity – 'Environer' - Ideathon

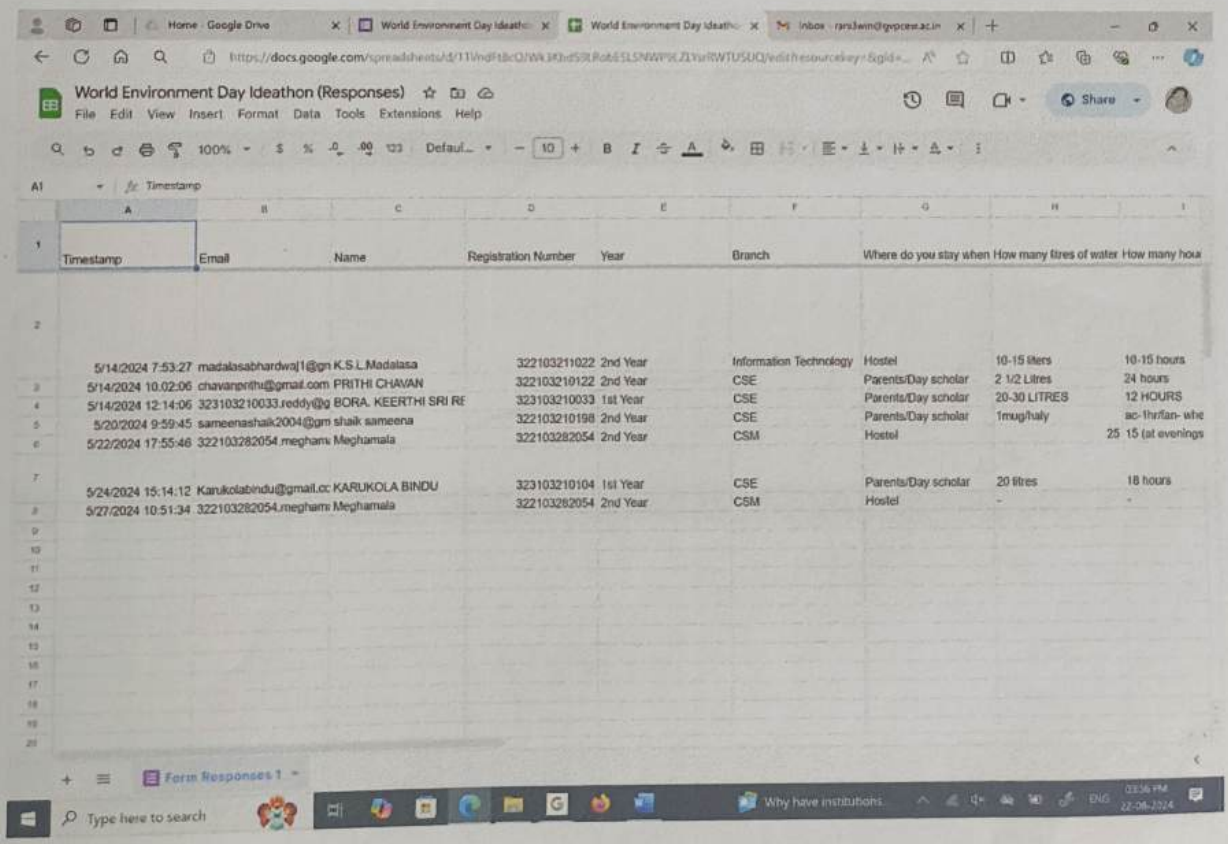

No. of Students attended : 7 names were short listed

No. of faculty attended : Two 2,

Dr Rani Prava Nanda, Dr. B Rajesh Babu

Details of the event: Conducted Online using google form because students had summer vacation

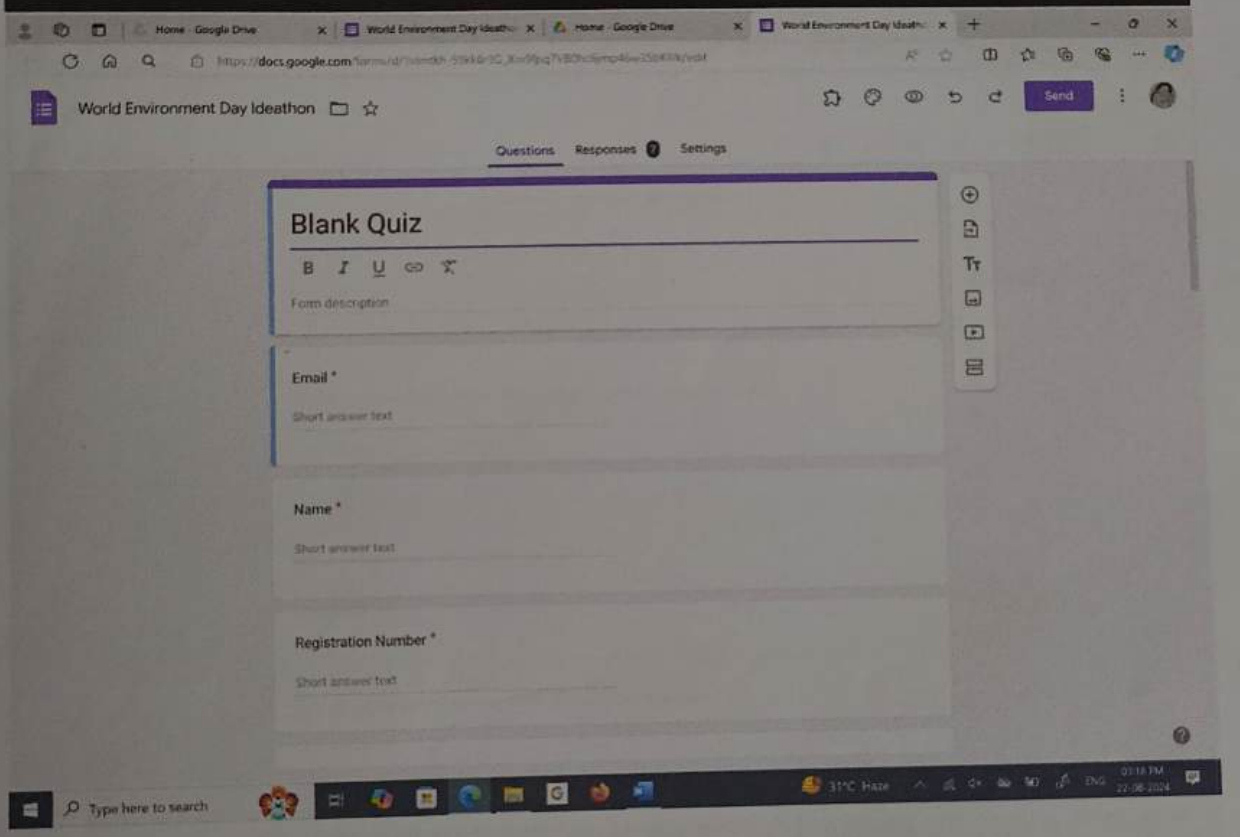

List of short listed students:

SOLAR PANEL AND SOLAR ENERGY

My tikkun Olam to save mother earth, by implementing solar panel to our houses (fields) to save current supply from water. Since electricity is produced from a process named hydroelectric energy. In which the power of moving water is used to produce electricity, this water can only be used for irrigation. If we use solar energy, we can reduce the consequences faced by earth. Solar energy is produced by an unlimited source 'THE SUN'. we can also store the excess energy to use it during night times and also beneficial during power cuts.

- L. Meghamala

Prithi Chavan

USING ORGANIC MANURE TO MAKE OUR MOTHER EARTH SMILE AGAIN :

My Action Plan:

Using Organic Manure to Make Our Mother Earth Smile Again

Introduction:

To contribute to the health and sustainability of our planet, I have decided to replace chemical fertilizers with organic manure. This action plan outlines the steps and benefits of using organic manure to enrich soil health, promote sustainable agriculture, and protect the environment.

Why did I Choose Organic Manure?

1. Soil Health Improvement:

Nutrient-Rich: Organic manure provides essential nutrients such as nitrogen, phosphorus, and potassium in a natural form, enhancing soil fertility.

Microbial Activity: It encourages beneficial microbial activity in the soil, which is vital for nutrient cycling and soil structure.

2. Environmental Benefits:

Reduced Pollution: Unlike chemical fertilizers, organic manure does not leach harmful chemicals into water bodies, reducing water pollution.

Lower Carbon Footprint: Organic manure is often produced locally and decomposes naturally, leading to lower greenhouse gas emissions compared to synthetic fertilizers.

3. Sustainable Agriculture:

Natural Growth: It promotes natural plant growth, leading to healthier crops without the negative side effects of chemical inputs.

Biodiversity: Using organic manure helps maintain soil biodiversity and supports sustainable farming practices.

Benefits of Using Organic Manure:

1. Healthier Crops: Produces healthier and more nutritious crops free from chemical residues.

2. Environmental Protection: Reduces the risk of chemical runoff and soil degradation, protecting water bodies and ecosystems.

3. Cost-Effective: Over time, it can reduce the dependency on expensive chemical fertilizers, making farming more economical.

4. Sustainable Farming: Supports long-term soil health and sustainability, ensuring productive farming for future generations.

Conclusion:

By adopting the use of organic manure instead of chemical fertilizers, we can significantly contribute to making our Mother Earth smile again. This sustainable practice not only improves soil health and crop quality but also protects the environment and promotes biodiversity. Together, we can create a healthier, greener planet for ourselves and future generations.

This action plan provides a comprehensive approach to transitioning to organic manure, highlighting the benefits and steps involved. It emphasizes education, practical implementation, and the broader environmental impact, making it an effective strategy for promoting sustainable agriculture.

We Can Prepare Organic Manure With Zero Cost:

1. Collect Kitchen Scraps: Save fruit and vegetable peels, coffee grounds, tea bags, and eggshells from your kitchen.

2. Gather Yard Waste: Collect grass clippings, leaves, small branches, and any other organic matter from your yard or neighbourhood.

3. Create a Compost Pile: Find a spot in your yard for a compost pile. You can use a corner of your garden or a bin made from recycled materials like wooden pallets or chicken wire.

4. Layer Materials: Alternate layers of green materials (kitchen scraps, grass clippings) with brown materials (leaves, small twigs). Aim for roughly equal parts of each.

5. Water Occasionally: Keep the compost pile moist, but not soggy. If it's too dry, sprinkle some water. If it's too wet, add more dry materials.

6. Turn the Pile: Mix the compost pile every few weeks to aerate it and speed up decomposition. You can use a pitchfork or shovel to turn the materials.

After that it takes time for the organic matter to break down into nutrient-rich compost. Depending on conditions, it can take several months to a year.

7. Use the Compost: Once the compost is dark, crumbly, and earthy-smelling, it's ready to use in your garden as nutrient-rich fertilizer.

Climate Tank Accelerator

Win a fully funded fellowship to the U.S.

Phase 1 (Online course)
- Period: January - May, 2024
- Form a team of 4
- Complete the self-paced online course

Phase 2 (30-hour project)
- Period: May - October, 2024
- Ideate and implement a climate action project.
- Get mentorship from a leading climate expert.

Phase 3 (Fellowship: Fully funded fellowship in the U.S.)
- Period: November/February 2025 [dates TBC]
- Pitch your team's project in a Shark Tank-styled national competition.
- Winning teams will be awarded $1000 respectively to implement their projects.
- Best idea nationally is awarded a week-long fellowship in the U.S.

1 ACCELERATOR, 5 COUNTRIES, 7 EXPERTS, 25 UNIVERSITIES, 1250 STUDENTS

Incentives
- Fully funded fellowship in the U.S.
- Mentorship from renowned climate experts
- Network with the brightest youth climate champions across South Asia
- $1000 seed funding
- Certificate

Eligibility Criteria
- Citizen of India
- At least be 18+
- Studying in college/university in Telangana/Andhra Pradesh/ Odisha
- Any academic background
- Apply as part of your college/university

Day Schedule

Session 1

Topic: Entrepreneurship awareness

Speaker: Mr. G. Tirupati, Coordinator, EDC, Assistant Professor, Dept. of IT, GVPCEW

Timings: 24-08-2024, 10:00 to 11:30 AM

Session 2:

Topic: Startup competitions and regulations

Speaker: Dr.K.P.Nanda, startup coordinator,Asso. Professor, Dept. of CSM, GVPCEW

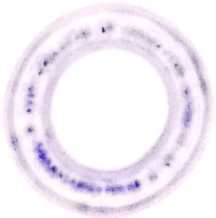

Timings: 24-08-2024, 11:30 to 1:00 PM

Session 3:

Topic: Funding & Financial schemes

Speaker: Dr.R.Neelima, Assistant Professor, Dept. of BSH, GVPCEW

Timings: 24-08-2024, 2:00 to 3:30 PM

Scanned with OKEN Scanner

Entrepreneurship Development Cell (EDC)

The objective of Entrepreneurship Development Cell (EDC) is to encourage the students in AICTE approved degree technical institutions to consider self employment as a career option, provide training in Entrepreneurship through skill development, mentoring and financial assistance. EDC has been actively participating in expert talks, skill development programs and Entrepreneurship awareness programs.

The objectives of EDC are as follows:

- To create an environment for self-employment and entrepreneurship development through formal and non-formal programmes.
- To introduce the concept of entrepreneurship in curricula at diploma and degree levels.
- To develop management personnel at appropriate levels for the non-corporate and unorganized sectors like education, rural development, small-scale industry etc.
- To utilize the infrastructure facilities and technically trained manpower for the development of non-corporate and unorganized sectors.
- To promote employment opportunities.

Session	Speaker	Topic
1	Mr. G. Tirupati	Entrepreneurship awareness
2	Dr.K.P.Naidu	Startup competitions and regulations
3	Dr.R.Neelima	Funding & Financial schemes

Session-1

A talk was conducted on 24th August, 2024 by the Entrepreneurship Development cell (EDC), GVP College of Engineering for Women, Visakhapatnam. Students from II B.Tech CSE, II B.Tech IT and II B.Tech EEE attended. Mr. G. Tirupati motivated the students towards self-employment and inspired them with successful entrepreneurs. Students posed many questions regarding startup and its procedure. Finally, students expressed great satisfaction towards the event.

Session-2:

Mentor Dr.K.P.Naidu address the students on Startup competitions and regulations .Startup competitions and regulations play a vital role in supporting early-stage ventures by providing visibility, funding, and guidance while ensuring a safe and structured business environment. Competitions help entrepreneurs showcase their ideas, gain mentorship, build networks, and attract potential investors. At the same time, clear regulations related to business registration, intellectual property, taxation, and funding compliance create an ecosystem where startups can operate legally, innovate confidently, and scale sustainably. Together, they encourage entrepreneurship, reduce risks, and strengthen the overall startup ecosystem.

Session-3:

Speaker Dr.R.Neelima explored and insisted various financial schemes for new ventures. Funding and financial schemes provide essential monetary support to help startups launch, grow, and scale their businesses. These schemes include various sources such as bootstrapping, angel investment, venture capital, bank loans, government grants, seed funds, crowd funding, and incubation support. Government-backed programs often offer subsidized loans, tax benefits, innovation grants, and credit guarantees to reduce financial risk for new entrepreneurs. Such support enables startups to invest in product development, marketing, talent, technology, and expansion. Overall, funding and financial schemes are crucial for accelerating innovation, improving business sustainability, and enabling early-stage ventures to compete effectively in the market.

Invited Talk on "An Introduction to MSME Schemes"

Date: 03-04-2024

Title: Invited Talk on "An Introduction to MSME Schemes"

Date: 3rd April 2024, 1:30 PM to 4:30 PM

Preamble:

An insightful session on "An Introduction to MSME Schemes," presented by Dr. Vinay, Dean of Academics at GVP College for PG Courses. This talk is designed to provide an in-depth understanding of the various schemes offered by the Ministry of Micro, Small, and Medium Enterprises (MSME) in India.

Dr. Vinay brings extensive expertise and academic leadership to the discussion, offering valuable perspectives on how these schemes can benefit startups, small businesses, and entrepreneurs. The session aims to equip participants with the knowledge required to navigate and leverage MSME initiatives effectively for business growth and innovation.

Participants profile:

A total of 62 students, all IEEE members, participated in the event. The participants included 11 students from the Computer Science department, 9 from the CSE AI and ML departments, 36 from the Electronics and Communications Engineering department, and 6 from the Information Technology department.

About the Event

Inviting dignitaries on to the dias by Ms.Likhitha ,IT	1:30-1:35
Prayer Song by Ms.Sailaja, CSE	1:35-1:37
Welcome address by Principal Sir	1:37-1:44
IEEE SB Annual report by Dedeepya, CSE	1:44-1:46
A brief Video clip on IEEE student branch	1:46-148
Introduction of Chief guest by Vidhatri, IT	1:48-1:50
Invited talk by Chief Guest	1:50-4:15
Appreciation certificates to IEEE SB officers	4:15-4:17
Felicitation to chief guest	4:17-4:19
Vote of thanks by Pravallika, CSE	4:19-4:21
Refreshments	

Registration/Sponsorship/Funding:

Registration for IEEE members was complimentary, fostering inclusivity and encouraging membership. Non-IEEE members were invited to register at a nominal fee of 10 rupees, enabling broader participation in these enriching activities.

Report Submitted by:

To
The Chairman
Organizing Committee
NTDC-2024
NSTL-DRDO
Ministry of Defence, GoI
Visakhapatnam – 530027.

Sub: Participation in the Open House exhibition of NTDC-2024 – Reg

Dear Sir,

1. Refer to NSTL letter No. NIL dated 24/04/2024 regarding Invitation for National Technology Day Celebrations (NTDC) 2024.

2. In accordance with the instructions provided in the NSTL letter mentioned ibid the list of students along with two faculty members to participate in the Open House exhibition of NTDC 2024 on 9th May, 2024, is being forwarded as an enclosure to this letter.

3. In view of the above, it is requested that necessary arrangements be made at your end for the participants to visit the exhibition.

Thanking you,

Yours sincerely

(Dr.(Commodore) R.K.Goswami)

Field/Exposure Visit to Naval Science and Technology Laboratories (NSTL), Visakhapatnam

Date: 09-05-2024

Title: Field/Exposure Visit to Naval Science and Technology Laboratories (NSTL), Visakhapatnam
Date: 09-05-2024 10:30AM-02:30PM

Preamble:

The field visit to the Naval Science and Technology Laboratories (NSTL) in Visakhapatnam, scheduled for May 9, 2024, from 10:30 AM to 02:30 PM. This visit provides a unique opportunity for participants to gain firsthand exposure to cutting-edge naval research and technological advancements.

NSTL is renowned for its contributions to naval technology and innovation, and this visit will allow participants to explore its state-of-the-art facilities, interact with leading experts, and gain valuable insights into the development and application of advanced naval systems. The experience aims to enhance understanding of real-world challenges and solutions in the field of naval science and technology.

Participants profile:

A total of 60 students from various branches, who are members of IIC, EDC, IIPC, and IEEE, registered for the visit to the Naval Science and Technology Laboratories (NSTL). Out of these, 42 students attended the visit. Two faculty members, Dr. L. Ganesh and Dr. M. Manikumari, accompanied the students. The participants included 4 students from IT, 33 from ECE, and 5 from CSE.

About the Activity:

The field visit began at 9:00 AM at GVP College of Engineering for Women, Madhurawada. Students and faculty members assembled at the college, where they were briefed about the visit and provided with necessary instructions. Following this, the participants boarded the bus and departed for the Naval Science and Technology Laboratories (NSTL), Visakhapatnam.

The journey was smooth, and the bus reached NSTL at 10:00 AM. Upon arrival, the students were given a guided tour of the facilities, where they explored various advanced naval technologies and research projects. In addition to the tour, the students had the opportunity to attend a technical exhibition showcasing the latest innovations and developments in naval science. The bus left NSTL at 2:00 PM and arrived back at GVP College of Engineering for Women, Madhurawada, concluding a day of valuable learning and exploration.

Registration/Sponsorship/Funding:

- Student members/representatives of IEEE, EDC, IIPC and IIC are allowed to take part in the Visit.
- No registration fees.

Dear IEEE Student Members,

I hope this message finds you well. We are excited to invite you to an upcoming event organized by IEEE SB in association with IIC GVPCEW, themed **"Concept to Startup : Navigating Startup Challenges"**. This event aims to delve into the journey of transforming innovative ideas into successful startups, addressing the various challenges encountered along the way.

Event Details:

- **Theme:** Concept to Startup : Navigating Startup Challenges
- **Resource Person:** Bhagya Sri, Alumnus of GVPCEW (CSM Branch, Passed out in 2024)
- Founder Startup :
- **Date:** 27th June 2024, Thursday
- **Time:** Afternoon 2:30 PM to 3:30 PM
- **Venue:** Auditorium, GVP College of Engineering for Women

All IEEE and IIC student members have to attend this enlightening session.

Looking forward to seeing you there!

Best regards,

P.Sridevi

Invited Talk on "Concept to Startup: Navigating Startup Challenges"

Date: 27-06-2024

Title: Invited Talk on "Concept to Startup: Navigating Startup Challenges"

Date: 27th June 2024, 1:30 PM to 4:30 PM

Preamble:

The Institution's Innovation Council (IIC) at GVPCEW has organized an invited talk on "Concept to Startup: Navigating Startup Challenges," featuring Bhagya Sri, an alumnus of the CSM branch, who graduated in 2024. The event is designed to inspire and guide budding entrepreneurs by providing them with a first-hand account of the journey from conceptualizing an idea to launching a successful startup.

Held on the afternoon of 27th June 2024, from 2:30 PM to 3:30 PM, this session provided students with an enriching opportunity to learn about the real-world challenges and strategies involved in the startup ecosystem, directly from a successful alumna of GVPCEW.

Participants profile:

The event on 27th June 2024 saw active participation from 96 students, all of whom were IEEE and IIC Student members. The participants represented various departments, including 11 from Computer Science, 20 from CSE AI and ML, 46 from Electronics and Communications Engineering, and 19 from Information Technology.

About the Event

During the talk, Bhagya Sri shared her personal journey from being a student with an idea t becoming a successful entrepreneur. She discussed critical aspects of the startup ecosystem including the importance of idea validation, market research, securing funding, and overcoming th challenges that entrepreneurs often face. The event was particularly significant for students aspiring to venture into the startup world, as it offered practical advice and real-world strategies for turning innovative concepts into viable businesses.

Registration/Sponsorship/Funding:

Students from Institute Innovation Council and IEEE are allowed to participate in the event.

Membership Awareness Drive

Date: 14-08-2024

Title: IEEE Student Branch Membership Awareness Drive

Date: 13th & 14th August 2024 (3:30PM to 5:00PM)

Preamble:

The IEEE Student Branch of GVPCEW(A) organized a Membership Awareness Drive on 13th and 14th August 2024 to encourage students to explore the benefits of IEEE membership. The event aimed to enlighten students about the vast opportunities in research, networking, and career development that IEEE offers. Through interactive sessions and discussions, students gained insights into how IEEE membership can enhance their technical and professional growth.

Participants profile:

On 13th August 2024, the IEEE Student Branch Membership Awareness Drive was conducted for 1st-year CSE students, with 116 participants actively engaging in the session. On the following day, 14th August 2024, the drive continued with 71 students from CSE and 46 students from ECE taking part in the awareness campaign. Additionally, the event witnessed the participation of IEEE Student Branch officers, the branch counsellor, and faculty coordinators, involved in the discussions and interactions.

About the Event

The IEEE Student Branch Membership Awareness drive was designed to introduce students to the benefits of IEEE membership with engaging and interactive sessions. A PowerPoint presentation provided a clear overview of the opportunities IEEE offers, including access to research resources, networking, and career development. The IEEE SB officers has cleared the doubts about memberships through the interactions and discussions. The officer's team has also organized fun activities and mini-events to make the sessions more lively. The event wrapped up on a high note with awards for the best performances, encouraging students to take an active role in the IEEE community.

Internal Note

This is to inform all IEEE members and faculty that the elections for various positions of the IEEE Student Branch (SB) and Women in Engineering (WIE) Affinity Group at GVPCEW(A) were successfully conducted on 20th September 2024. The following students have been elected to key leadership roles:

For IEEE Student Branch

- **Chair:** Ms. Chintamaneni Vidhathri, IVth IT
- **Vice Chair:** Ms. Himavarshini Sarikonda, IIIrd ECE
- **Treasurer:** Ms. Gollapalli Vidya Sagarika, IIIrd CSM
- **Secretary:** Ms. Shweta Evangeline Bandaru, IVth CSM
- **Joint Secretary:** Ms. A V P Supriya, IVth EEE

For IEEE WIE Student Branch

- **Chair:** Ms. Sundunagunta Likhitha, IVth IT
- **Vice Chair:** Ms. Aarthi Meghana Korukonda, IVth CSE
- **Treasurer:** Ms.Pranathi Mattaparthy, IIIrd ECE

We extend our congratulations to the elected students and appreciate their commitment to the IEEE community. We look forward to their valuable contributions in furthering the initiative and activities of the IEEE Student Branch and WIE Affinity Group at GVPCEW.

Principal, GVPCEW(A)

One Day Workshop on Articulated Robotic Arm

Date: 21-10-2024

Title: One Day Workshop on Articulated Robotic Arm

Date: 19th October 2024 (10:00AM to 12:30PM)

Preamble:

The IEEE Student Branch of GVPCEW(A) in association with V Nexus Hub, Visakhapatnam organized a One-day work shop "Articulated Robotic Arm" on 19th October 2024. V Nexus Hub is a consultant organization located in Andhra University Incubation Centre, that render the services to its clients to excel in Professional career.

Participants profile:

The event was organized for the ECE students of Gayatri Vidya Parishad College of Engineering for Women (A). A total of 41 students, along with a few faculty members, attended the workshop. Dr. G. Giridhar, Founder of Dream Bot, was the invited speaker for the session. He was accompanied by Mr. Palla Ganesh, CEO of V Nexus Hub, along with a team of six members.

Dr. G. Giridhar is a technologist, innovator, and entrepreneur with a passion for developing cutting-edge solutions that impact society and drive economic development through manufacturing, research & development, and education. He has been highly successful in transforming technological ideas into real-world products and solutions, inspiring the next generation of engineers.

About the Event:

The event started at 10:00AM with welcoming address by Dr.L.Ganesh. He introduced Dr.G.Giridhar and his team to the audience and invited him to start the technical session. The session went on for 2 Hours with the following contents:

- Pre-requisites
- Video presentation of Prototype robotic arm
- Choosing specification
- Companies those work on robotics
- Electronic, Mechanical and software aspects in the design

Dr.G.Giridhar concluded the technical session around 12:30 PM by providing the information on Internship and career opportunities to students. The workshop came to an end upon felicitation of resource person followed by the vote of thanks by Dr.L.Ganesh.

Registration/Sponsorship/Funding:

No registration

Report Submitted by:

Ms.P.Sridevi , IEEE Counsellor, GVPCEW

This is to inform all IEEE and IIC students that GVP College of Engineering for Women, in association with VNexushub, Visakhapatnam, is organizing an workshop on **"Building an Articulated Robotic Arm"** by **Dr. G. Giridhar**, Founder of Dreambot.

This event is a fantastic opportunity to learn from an industry leader in robotics, and all students are required to attend without fail. The details of the event are as follows:

- **Venue**: GVP College of Engineering for Women
- **Date**: 19th October 2024 (Saturday)
- **Time**: 09:30 AM

GVP COLLEGE OF ENGG. FOR WOMEN * VISAKHAPATNAM *

We look forward to your enthusiastic participation!

Dr.L.Ganesh
Associate Professor
GVPCE College of Engineering (Autonomous)

GVP COLLEGE OF ENGG. FOR WOMEN * VISAKHAPATNAM *

We are pleased to invite you to the **Inaugural Ceremony of the IEEE Student Branch GVPCEW(A) for the academic year 2024-25.**

This milestone marks the beginning of a new chapter in fostering innovation, collaboration, and excellence within our institution.

Event Details:

- **Date:** Saturday, 30th November 2024
- **Time:** 9:30 AM
- **Venue:** GVPCEW(A) Auditorium

We are privileged to have:

- **Chief Guest:** Subrata Kumar Prusty
- **Guest of Honour:** Gopi Kumar Bulusu

Your presence would greatly enrich this significant occasion as we embark on a journey of growth and opportunities.

We look forward to welcoming you all.

Warm regards,

P.Sridevi
Counsellor, IEEE Student Branch

Dr.L.Ganesh

Coordinator, IEEE sTUDENT bRANCH

Title: Problem-Solution Fit and Product-Market Fit – Insights from IEEE Student Branch & WIE Affinity Group Inauguration

Date: 30th November 2024

Venue: Auditorium, GVP College of Engineering for Women (GVPCEW)

The inauguration of the IEEE Student Branch and Women in Engineering (WIE) Affinity Group at GVPCEW was a milestone event, attended by 118 students from ECE, CSE, EEE, IT, and CSM departments, along with faculty members and industry professionals. The event was organized to spark innovation, foster leadership, and build stronger industry-academic collaborations.

The program began with a warm welcome and an overview by the chairs of both IEEE Student Branch and WIE Affinity Group. They shared their vision and upcoming initiatives focused on developing a tech-savvy, socially responsible student community.

Prof. Rajkumar Goswami, Principal of GVPCEW, addressed the gathering and highlighted the value of IEEE as a platform for technical growth and global exposure. The official introduction of office bearers was marked by a badging ceremony, symbolizing the beginning of their leadership journey.

Key Highlights – Industry and Innovation

The event uniquely explored the themes of Problem-Solution Fit and Product-Market Fit, thanks to insights shared by esteemed guests.

- Guest of Honour: Mr. Gopi Kumar Bulusu, CEO of Sankya Technologies, delivered a compelling talk on how cutting-edge solutions emerge from correctly identifying real-world problems. He emphasized the role of generative AI in chip design and introduced the audience **to Terapoter**, a powerful model developed by his team. His talk reflected the importance of understanding user needs and developing deep-tech solutions that align with market demand—perfectly echoing the essence of Problem-Solution and Product-Market Fit.

- Chief Guest: Sri Subrat Kumar Prusty, DDG Technology, Department of Telecommunications (DoT), gave an inspiring address focused on localization and inclusivity in technology. He spoke about SOIL (Sanskrit Operating System for Indian Languages), developed to support regional languages. He emphasized the importance of creating products that not only solve problems but also resonate with the cultural and linguistic context of the users. He also introduced the concept of **TODLA (Total Development of Local Area),** a visionary approach to promote rural development through decentralization of industries.

These sessions demonstrated how understanding the problem landscape and user context is key to building impactful solutions—central to the ideas of both problem-solution fit and product-market fit.

Outcome & Impact

This inauguration served as an excellent platform to inspire students towards innovation-led thinking. The emphasis on problem identification, solution relevance, and market alignment has laid a strong foundation for the Student Branch's future goals. With upcoming technical workshops, industry talks, and collaborative projects, the IEEE Student Branch at GVPCEW is set to become a vibrant hub for technical excellence and leadership.

21-10-2024

Title: One Day Workshop on Articulated Robotic Arm

Date: 19th October 2024 (10:00AM to 12:30PM)

Preamble:

On 19th October 2024, the IEEE Student Branch of Gayatri Vidya Parishad College of Engineering for Women, in association with the Institution's Innovation Council (IIC), organized a motivational session with successful innovator as part of 1 day workshop on Articulated Robotic Arm. The event was held in collaboration with V Nexus Hub, a consulting and innovation-driven organization operating from AHUB (Andhra University Incubation Centre), Visakhapatnam.

Participants profile:

The event was organized for the ECE students of Gayatri Vidya Parishad College of Engineering for Women (A). A total of 41 students, along with a few faculty members, attended the workshop. Dr. G. Giridhar, Founder of Dream Bot, was the invited technical speaker for the session. He was accompanied by Mr. Palla Ganesh, CEO of V Nexus Hub, along with a team of six members.

Dr. G. Giridhar is a technologist, innovator, and entrepreneur with a passion for developing cutting-edge solutions that impact society and drive economic development through manufacturing, research & development, and education. He has been highly successful in transforming technological ideas into real-world products and solutions, inspiring the next generation of engineers.

About the Event:

The event started at 11:00AM with welcoming address by Dr.L.Ganesh. He introduced Dr.G.Giridhar and his team to the audience and invited him to start the technical session. The session went on for 2 Hours with the following contents:

- Pre-requisites
- Video presentation of Prototype robotic arm
- Choosing specification
- Companies those work on robotics
- Electronic, Mechanical and software aspects in the design

Dr.G.Giridhar concluded the technical session around 12:30 PM by providing the information on Internship and career opportunities to students. The workshop came to an end upon felicitation of resource person followed by the vote of thanks by Dr.L.Ganesh.

Registration/Sponsorship/Funding:

21-10-2024

Title: Challenges in Becoming a Successful Entrepreneur

Date: 19th October 2024 (10:00 AM to 12:30 AM)

On 19th October 2024, the IEEE Student Branch of Gayatri Vidya Parishad College of Engineering for Women, in association with the Institution's Innovation Council (IIC), organized a motivational session "Challenges in Becoming a Successful Entrepreneur" as part of 1 day workshop on Articulated Robotic Arm. The event was held in collaboration with V Nexus Hub, a consulting and innovation-driven organization operating from AHUB (Andhra University Incubation Centre), Visakhapatnam.

The session was conducted for ECE students of GVPCEW and was attended by 41 students along with a few faculty members. Mr. Palla Ganesh, CEO of V Nexus Hub, was the invited speaker for the morning session, accompanied by his core team. With his rich experience in guiding startups and mentoring innovators, Mr. Ganesh delivered an inspiring and thought-provoking talk focused on entrepreneurship and innovation.

He emphasized the importance of identifying real-world problems and developing solution-oriented thinking, which is essential for any aspiring entrepreneur. Throughout the session, he shared personal stories from his journey, highlighting the common challenges faced during the initial stages of a startup, the mindset needed to overcome them and the role of incubation centres in supporting young innovators.

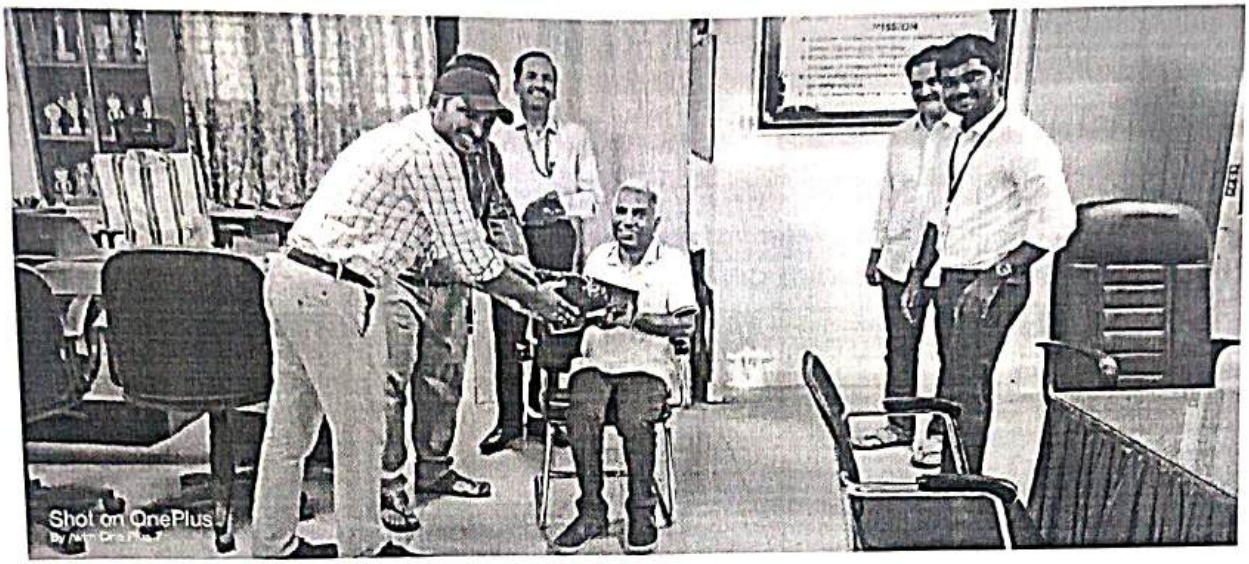

The session also shed light on various entrepreneurial opportunities available to students and how they can utilize platforms like AHUB and IIC to nurture their ideas and shape them into impactful ventures.

The session concluded at 11:00 AM with words of encouragement from Mr. Ganesh, motivating the students to think beyond conventional paths and explore innovation-driven careers. He also extended internship opportunities and invited students to connect with V Nexus Hub for future engagements.

The event ended with a gesture of appreciation presented to Mr. Palla Ganesh, followed by a formal vote of thanks by Dr. L. Ganesh. The session was a great success and proved to be highly enriching for the young minds who aspire to become future innovators and entrepreneurs.

A Report on "Ideathon 2025"

12-03-2025

The Ideathon 2025 was successfully organized by the Institute Innovation Council (IIC) and IEEE, GVP College of Engineering for Women. A total of 69 teams registered, comprising 36 teams from 1st year, 20 teams from 2nd year and 13 teams from 3rd year. The event was conducted on two days, i.e. on 6th and 11th March 2025 at GVP College of Engineering for Women. The event was conducted by Dr. L. Ganesh, Associate Professor, Dept. of ECE and Mr. G. Tirupati, Assistant Professor, Dept. of IT.

Problem Statements & Team Participation

A total of 27 teams presented their ideas on the three specified problems:

Problem 1: Improving Peak-Hour Traffic along NAD to Pendurthi Expressway (4 teams)

Problem 2: Handling Traffic Intensity at Signal Points from MVP to Madhurawada (9 teams)

Problem 3: Conversational AI for College Campus/Website (14 teams)

Proposed Solutions

For Problems 1 & 2, students suggested solutions like constructing flyovers, foot over bridges, carpooling and technological interventions such as grid mats for traffic density monitoring, adaptive traffic signalling, LiDAR technology, ERP-V2X communication and dynamic rating of commuters.

For Problem 3, students proposed AI based solutions for automated report generation for student attendance, event and activity details, internship opportunities, faculty expertise and intake ranks as components for enhancing "Conversational AI system" for the college campus.

The event led to innovative discussions and practical solutions. Students came up with both technical and infrastructure-based ideas, demonstrating strong problem-solving skills. The event encouraged critical thinking and collaboration, paving the way for future advancements.

INSTITUTION'S INNOVATION COUNCIL

Date: 30-11-2024

Title: Problem-Solution Fit and Product-Market Fit – Insights from IEEE Student Branch & WIE Affinity Group Inauguration

Date: 30th November 2024

Venue: Auditorium, GVP College of Engineering for Women (GVPCEW)

The inauguration of the IEEE Student Branch and Women in Engineering (WIE) Affinity Group at GVPCEW was a milestone event, attended by 118 students from ECE, CSE, EEE, IT, and CSM departments, along with faculty members and industry professionals. The event was organized to spark innovation, foster leadership, and build stronger industry-academic collaborations.

The program began with a warm welcome and an overview by the chairs of both IEEE Student Branch and WIE Affinity Group. They shared their vision and upcoming initiatives focused on developing a tech-savvy, socially responsible student community.

Prof. Rajkumar Goswami, Principal of GVPCEW, addressed the gathering and highlighted the value of IEEE as a platform for technical growth and global exposure. The official introduction of office bearers was marked by a badging ceremony, symbolizing the beginning of their leadership journey.

Key Highlights – Industry and Innovation

The event uniquely explored the themes of Problem-Solution Fit and Product-Market Fit, thanks to insights shared by esteemed guests.

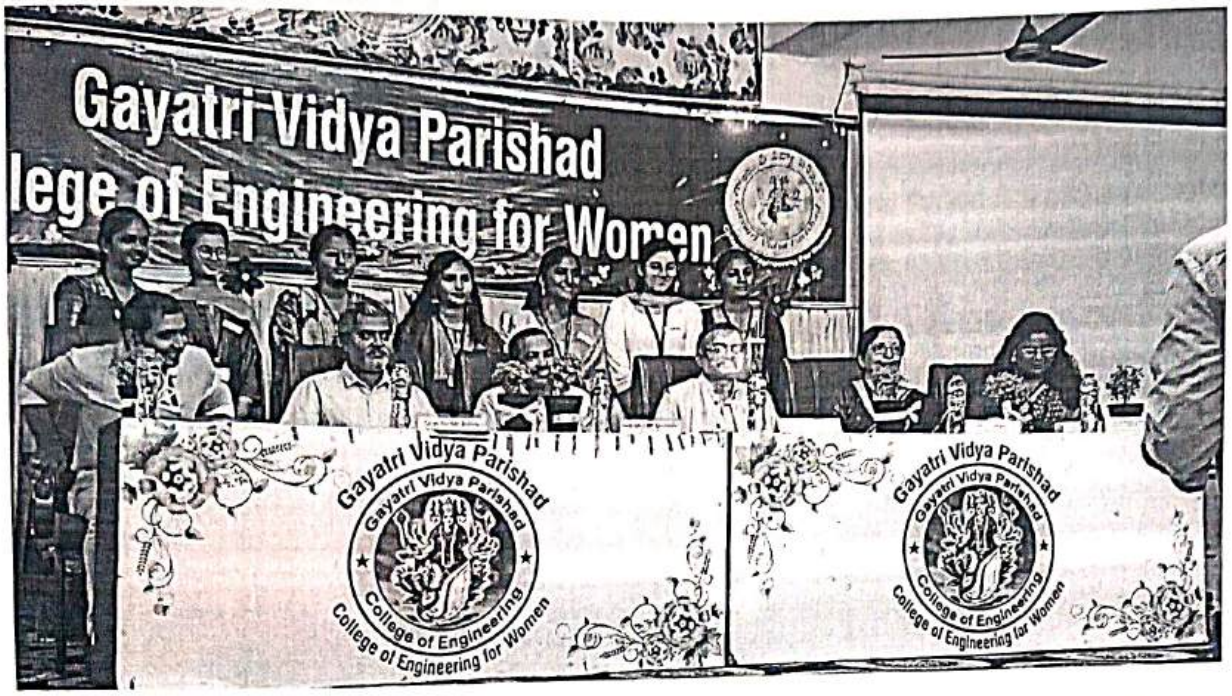

- Guest of Honour: Mr. Gopi Kumar Bulusu, CEO of Sankya Technologies, delivered a compelling talk on how cutting-edge solutions emerge from correctly identifying real-world problems. He emphasized the role of generative AI in chip design and introduced the audience to Terapoter, a powerful model developed by his team. His talk reflected the importance of understanding user needs and developing deep-tech solutions that align with market demand—perfectly echoing the essence of Problem-Solution and Product-Market Fit.
- Chief Guest: Sri Subrat Kumar Prusty, DDG Technology, Department of Telecommunications (DoT), gave an inspiring address focused on localization and inclusivity in technology. He spoke about SOIL (Sanskrit Operating System for Indian Languages), developed to support regional languages. He emphasized the importance of creating products that not only solve problems but also resonate with the cultural and linguistic context of the users. He also introduced the concept of TODLA (Total Development of Local Area), a visionary approach to promote rural development through decentralization of industries.

These sessions demonstrated how understanding the problem landscape and user context is key to building impactful solutions—central to the ideas of both problem-solution fit and product-market fit.

Outcome & Impact

This inauguration served as an excellent platform to inspire students towards innovation-led thinking. The emphasis on problem identification, solution relevance, and market alignment has laid a strong foundation for the Student Branch's future goals. With upcoming technical workshops, industry talks, and collaborative projects, the IEEE Student Branch at GVPCEW is set to become a vibrant hub for technical excellence and leadership.

A Report on "Enterprise R&D Workshop" conducted by SCCI on 24 January 2025 at AMTZ, Visakhapatnam

29-01-2025

"Visakhapatnam Enterprise R&D Workshop" is conducted by the Super Computing Consortium of India (SCCI) in Partnership with Abdul Kalam Med Tech Zone(AMTZ) and Jawaharlal Nehru Technological University Gurajada, Vizianagaram on 24 January 2025 at Celsius Hall of AMTZ, Visakhapatnam. Two sessions were conducted in the Workshop. The morning session is mainly allotted for the invited lectures on AI and its applications related to medical field by eminent persons in industry and academia. On the other hand, the post lunch session is allotted for Round table discussion on AI Enabled Ecosystem for AMTZ. Finally, the day was ended with AMTZ campus tour.

The Morning Session of the Workshop began at 10:00AM with Registration Process. A total of 6 members from Gayatri Vidya Parishad college of Engineering for Women registered for the Workshop. Two Senior Professors Dr. Raj Kumar Goswami, Principal and Dr.P.S.Avadhani, Professor of CSE lead the GVPCEW team. Dr.L.Ganesh, Associate Professor, ECE Dept., Dr.DV.A.N.Ravi Kumar, Associate Professor, ECE Dept., Dr.M.Mani Kumari, Assistant Professor, ECE Dept., and V.V.Satyanarayana, Assistant Professsor of BS & H also participated in the event. After the registration process a welcome address on SCCI is given by Dr.Mahesh, of AMTZ. There the main purpose of establishing the SCCI body, its goals and objectives are highlighted. It is mentioned that SCCI is an autonomous unit of Gravity 2.0. It has been organizing round tables with an annual frequency of 4, throughout the country to create national R & D eco system, and to resolve the issues of national and regional importance. After this a brief introduction of AMTZ is given by Dr.Jitendra Sharma, MD and founder CEO, AMTZ. He explained that AMTZ is 6-year-old biomedical equipment manufacturing company comprising 137 units. Among which, 20 units are government based while the rest are handled under private ownership. A total of 6000 employees are working under the umbrella of AMTZ. It is also mentioned that AMTZ strictly binds to deadlines for the goal accomplishments and it is reflected by the display of completion periods on each block.

After the introductory speeches, Bulusu Gopi Kumar, CTO of Sankya technologies started a technical talk on Modeling to Foundary chip design with generative AI. He outlined the principle working of generative AI and its usage cases. He also discussed about the terapoter, a model built by his team at sankya. Dr. Vyasan Vadakkeveedu, Founder, Scientegra Labs gave a detailed talk on Medtech device modeling, Prototyping, Health care integration and certification. The talk was followed by Prof. K.C.B.Rao of JNTU GV, Vizianagaram, who emphasized the importance of understanding concept of EMI by present day engineers and its effect on Biomedical equipment and their operations . He indicated possible ways to minimize the effects of EMI and to attain EMC in the environment full of radiations. Bendapudi Viswanadham, partner, Turning point explained the importance of transforming healthcare with AI; State of cobots in healthcare. Subrata Kumar Prusty, DDG Technology, DoT, encouraged the development and wider usage of made in India products. He talked about the importance of development of systems which could work according to the regional language requirements and not getting limited to English or hindi. He cited his team's contribution called SOIL (Sanskrit operating system for Indian languages) as an example of such a system. He also emphasized on TODLA (Total development of local area) an initiative which can help in development of villages by spreading the industries around the villages. After these informative lectures the lunch was taken.

At 1:45 PM the afternoon session started with the short lectures by Prof P.S.Avadhani, and Dr.Murali Manohar Rao, Economist. The former lecture highlighted the importance of adding human sense to AI while the later focused on projecting the significance of health care in GDP growth and hence the countries development. This is followed by the round table discussion of delegates where Dr.Jitendra Sharma figured out 4 verticals which are to be addressed with proper solution to make AMTZ a smart campus and to set an example for many more such industries to come across all parts of the country. The four Verticals are as follows.

1) Product data Acquisition & Management
   Discussed that AMTZ manly involved in production of biomedical equipment and components. Offers services to external organizations for testing and validating their equipment. This involves huge logistic and transport services on daily basis. AMTZ, expects the process of data acquisition should be automated and digitalized by means of AI technology.
2) Employee data management
   AMTZ has around 6000 employees whose biometrics were collected daily. In addition, the organization issued every employee a health card through which the

GVP COLLEGE OF ENGG. FOR WOMEN • VISAKHAPATNAM •

company provides health services. The organization intends to perform some kind of predictive analysis on the data, thereby can improve the overall well-being of its employees.

3) Facility data management

As mentioned, there are 137 units in the cluster and they need to be provided with drinking water, power supply, space to organize event/meetings etc. AMTZ has a dedicated water tank, power unit of 8 transformers and space for event organization. In this regard, AMTZ wants to perform predictive analysis for optimized utilization of the above resources.

4) Operations management

AMTZ has few food courts and one upcoming, which offer canteen facilities to all its employees. AMTZ wants to know the footfall and patter of foods employees prefer etc. To further improve the service. They also informed the members that a E-wastage recycle plant is being constructed and any suggesting in this regard will be encouraged.

It is finalized that SCCI will submit a proposal in 15 days form the meeting. After the Roud table a photo session is conducted and all the delegates are made to visit various units of the AMTZ on a bus. The gamma radiation unit called COBALA for sterilization of medical products, an anechoic chamber to measure the radiation which is released/absorbed by the medical equipment, are the various important units visited at AMTZ. All the delegates left the campus at 6:00 PM.

INSTITUTION'S INNOVATION COUNCIL

Invited Talk on "Raising Capital and Managing Finance for Start-ups"

Date: 25-08-2025

Title: Invited Talk on "Raising Capital and Managing Finance for Start-ups"

Date: 25th August 2025, 2.00 PM to 4:00 PM

Preamble:

GVPCEW has organized a talk on "Raising Capital and Managing finance for Start-ups," featuring Dr.R.Neelima, Assistant Professor, Department of Basic Science and Humanities.
Held on the afternoon of 25th August 2025, from 3.00 PM to 4.00 PM, this session provided students valuable insights on funding sources and financial planning. Students of GVPCEW actively engaged and found the session highly informative and motivating.

Participants profile:

The event on 25th August 2025 saw active participation from 24 students from CSM.

About the Event

A seminar on *"Raising Capital and Managing Finance for Startups"* was conducted to provide insights into funding sources and financial planning for budding entrepreneurs. The program began with an introduction to the importance of capital in startup growth, followed by discussions on methods of raising funds such as angel investment, venture capital, government schemes, and crowd funding. The speaker also emphasized financial discipline, cost control, and long-term planning for sustainability.

The students showed great enthusiasm and actively engaged in the discussions. They asked practical questions on managing initial funds, approaching investors, and handling financial risks. Many participants appreciated the real-life startup examples shared during the session, which made the concepts more relatable. Overall, the program was highly informative and well-received, leaving participants motivated to apply the knowledge in their entrepreneurial journey.

INSTITUTION'S INNOVATION COUNCIL

Special Talk on "How to Plan for Start-up and Legal & Ethical Steps"

Date: 30-08-2025

Title: Special Talk on "How to Plan for Start-up and Legal & Ethical Steps"

Date: 29th August 2025, 9.30 AM to 11:30 AM

Preamble:

A session on *"How to Plan for Start-up and Legal & Ethical Steps"* was conducted by Dr. K. Purushotam Naidu, Start-up Coordinator, IIC at GVP College of Engineering for Women on **29th August 2025**, from **9:30 AM to 11:00 AM**. A total of **78 students** actively participated in the program.

Participants profile:

The event on 29th August 2025 saw active participation from 78 students from CSE and CSM.

About the Event

The session provided valuable insights into the process of starting a business, covering key aspects such as idea validation, business planning, funding options, and team building. Dr. Naidu highlighted the importance of choosing the right business structure (sole proprietorship, partnership, LLP, or private limited company) and emphasized the need to follow proper registration and compliance procedures.

He also explained the **legal requirements** such as PAN, TAN, GST, and intellectual property rights, along with the significance of drafting agreements and contracts. Ethical considerations in entrepreneurship, including transparency, accountability, and social responsibility, were also discussed to ensure sustainable growth of start-ups.

The session was highly informative, interactive, and inspiring for students aspiring to become entrepreneurs. Participants gained practical knowledge of both **business planning** and the **legal–ethical framework** required to establish and run a start-up successfully.

A Report on "Session on Accelerators/Incubation -Opportunities for Students & Faculties – Early-Stage Entrepreneurs"

13-04-2025

Event: Session on Accelerators/Incubation – Opportunities for Students & Faculties – Early-Stage Entrepreneurs
Organized by: GVP College of Engineering for Women (GVPCEW) in association with Institute Innovation Council (IIC)
Date: 10th April 2025
Participants: CSM Students

Resource Persons:
Dr. Ramadugu Praveen, Founder & CEO, Farm Vaidya AI Tech – Shared insights on an agriculture-based project for farmers developed using a multi-language AI model, aimed at addressing farmer challenges and enabling inclusive access to technology.
Dr. Manduvakurti Patnaik Giridhar, Founder, Dream Bot – Introduced the concept of a Kitchen Bot, an innovation in smart homes that supports efficiency, automation, and safety in day-to-day cooking tasks.
Dr. Tirumalesh Konatala, CEO, Data i2i – Delivered a session on entrepreneurship opportunities and internships, guiding students on bridging the gap between academics and industry through incubation support.

Objectives of the Session:
- To create awareness about accelerators and incubation facilities available for early-stage entrepreneurs.
- To inspire students and faculty to convert innovative ideas into viable start-ups.
- To provide exposure to real-world entrepreneurial journeys, challenges, and opportunities.

Session Highlights:
The session began with a formal welcome and introduction of the speakers.
- Dr. Praveen demonstrated how AI in agriculture can empower farmers through multilingual models that break language barriers and improve access to agri-tech solutions.
- Dr. Giridhar explained the development of the Kitchen Bot, highlighting the importance of innovation in household automation and how incubation support accelerates product development.
- Dr. Tirumalesh emphasized the value of entrepreneurship, incubation ecosystems, and internships for students to gain real-world exposure, mentorship, and networking opportunities.
- Speakers collectively underlined the importance of early-stage incubation, idea validation, and prototype development to achieve business readiness.

Outcome of the Session:
- The session inspired participants to think about innovation-driven entrepreneurship.
- Students and faculty understood the pathways for incubation support and funding opportunities.
- Practical examples (Agri-Tech, Kitchen Bot, and Data-driven Start-ups) motivated the audience to develop solutions for societal needs.

INSTITUTION'S INNOVATION COUNCIL

LLMs – Connecting the Dots Towards Entrepreneurship and Innovation

A special session titled "LLMs – Connecting the Dots" was organized at GVP College of Engineering for Women on 7th August 2025 as part of fostering a culture of innovation and entrepreneurship on campus. The session, held from 9:30 AM to 12:00 PM, was delivered by Ms. Sudheer Sruthi, Software Consulting Engineer–II at Cisco Systems India Pvt. Ltd., Bengaluru, and coordinated by Dr. K. Purushotam Naidu, Associate Professor, Dept. of CSE (AI&ML).

The focus of the session was not only to provide an in-depth understanding of Large Language Models (LLMs) and related technologies such as Retrieval-Augmented Generation (RAG) and vector databases, but also to inspire students to think about how these tools can spark innovation and entrepreneurial opportunities. With her expertise in Python, Java, and cutting-edge AI applications, Ms. Sruthi demonstrated how LLMs are becoming the backbone of next-generation startups, reshaping industries ranging from healthcare and education to finance and retail.

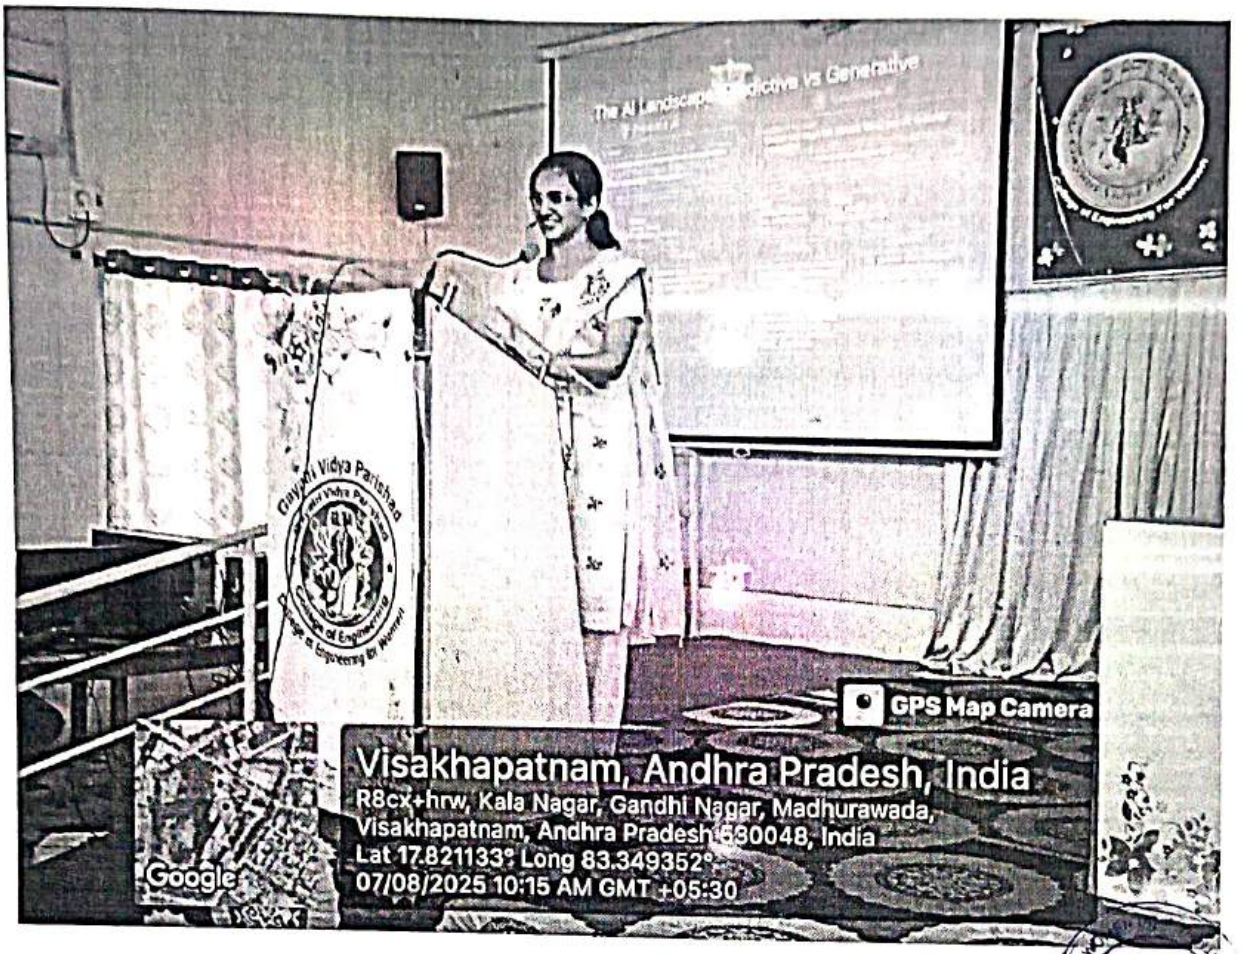

The talk encouraged students to "connect the dots" between theory and real-world impact, enabling them to see how academic learning can translate into startup ideas, research-driven products, and scalable solutions. Through case studies, live examples, and interactive discussions, participants were exposed to the transformative potential of AI in creating innovation-driven enterprises.

With over 120 students from various departments actively engaging in the session, the program provided a strong push toward cultivating an entrepreneurial mindset on campus. Students were motivated to explore research projects, develop prototypes, and pursue career pathways that align with the rapidly growing AI and startup ecosystem.

The event concluded with an interactive Q&A, where students explored how they could leverage LLMs to build solutions with market potential, bridging the gap between academic knowledge and entrepreneurial execution.

Overall, the session was informative, inspiring, and ecosystem-focused, contributing to the institution's ongoing efforts to build a vibrant culture of innovation and entrepreneurship.

INSTITUTION'S INNOVATION COUNCIL

MIC Programmes & Schemes

The Institute Innovation Council (IIC), GVPCEW, organized an insightful session on "MIC Programmes & Schemes" on 23rd October 2024 at 2:00 PM. The session was conducted in online mode, and a total of 54 students from ECE Section-2 actively participated.

The resource person for the session was Dr. Abhay Jere, Vice Chairman, AICTE, and Chief Innovation Officer, Government of India. Dr. Jere provided a comprehensive overview of the Ministry of Education's Innovation Cell (MIC) programmes and schemes, which are designed to nurture innovation and promote entrepreneurship within Higher Education Institutions (HEIs) across the country.

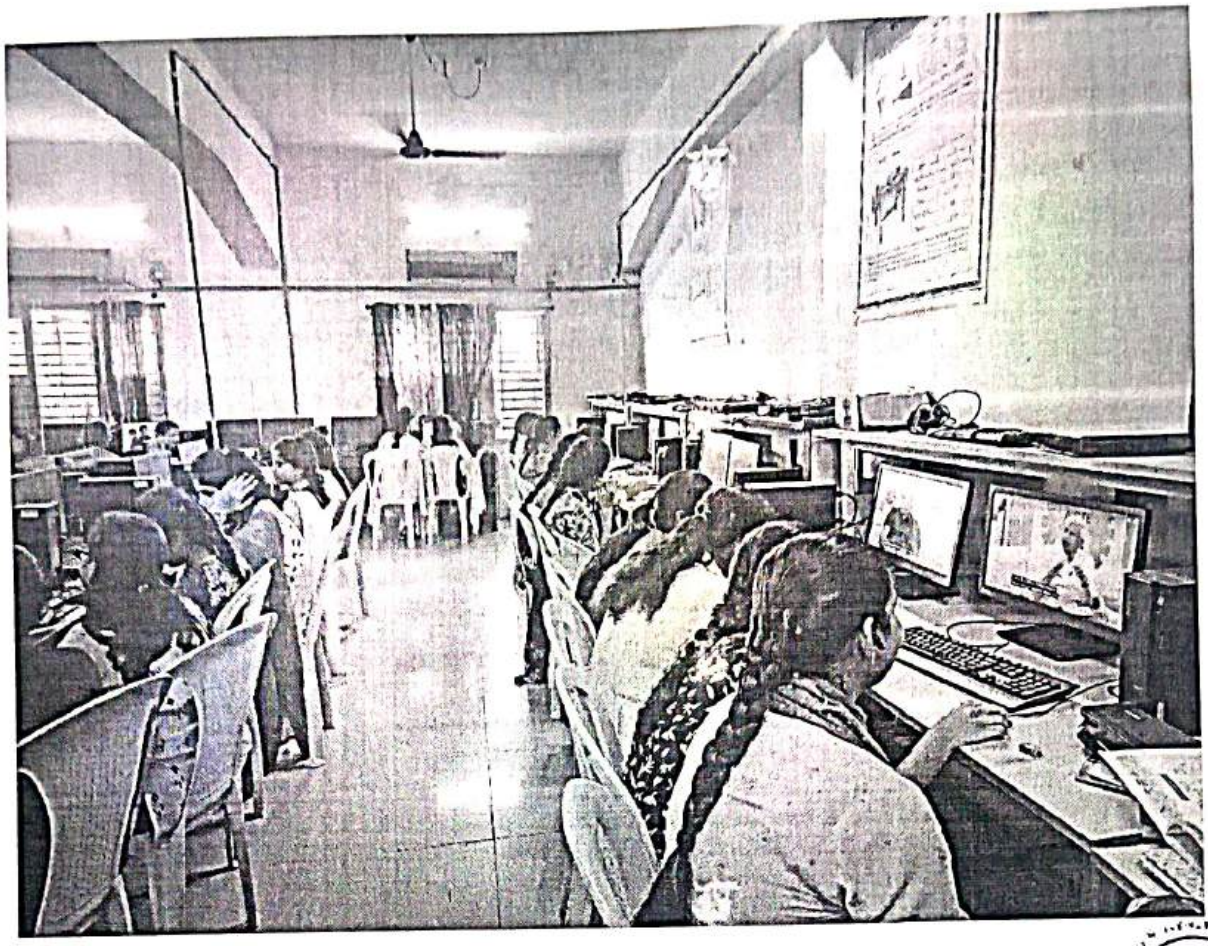

During the session, he explained how these initiatives support students and faculty, in developing innovative projects, accessing funding opportunities, and transforming ideas into viable solutions for societal needs. The talk also highlighted the role of MIC in fostering an ecosystem of innovation, incubation, and start-up culture in academic institutions.

The interactive nature of the session encouraged students to raise queries about entrepreneurial pathways, start-up ecosystems, and government-supported innovation platforms. Students expressed great interest in the schemes that provide mentorship, seed funding, and exposure to national-level innovation contests.

Salient Features of the Event

- Session by Dr. Abhay Jere, Vice Chairman, AICTE & Chief Innovation Officer, Govt. of India.
- Focus on MIC programmes and schemes for HEIs.
- Guidance on entrepreneurship, start-up culture, and funding opportunities.
- Exposure to national innovation initiatives and competitions.
- Participation of 54 students from ECE Section-2.

INSTITUTION'S INNOVATION COUNCIL

Inauguration of IP UTSAV and Celebration of World Creativity and Innovation Day

The Institute Innovation Council (IIC), GVPCEW, organized the Inauguration of IP Utsav and Celebration of World Creativity and Innovation Day on 21st April 2025 (Monday). The event was conducted in online mode from 11:30 AM to 01:00 PM. A total of 50 students from CSE Section-I attended the session in Room No. 101.

The program formally marked the beginning of IP Utsav 2025, a week-long series of awareness sessions on Intellectual Property Rights (IPRs). The inauguration highlighted the global importance of World Creativity and Innovation Day, emphasizing the role of creativity as the foundation of innovation and entrepreneurship.

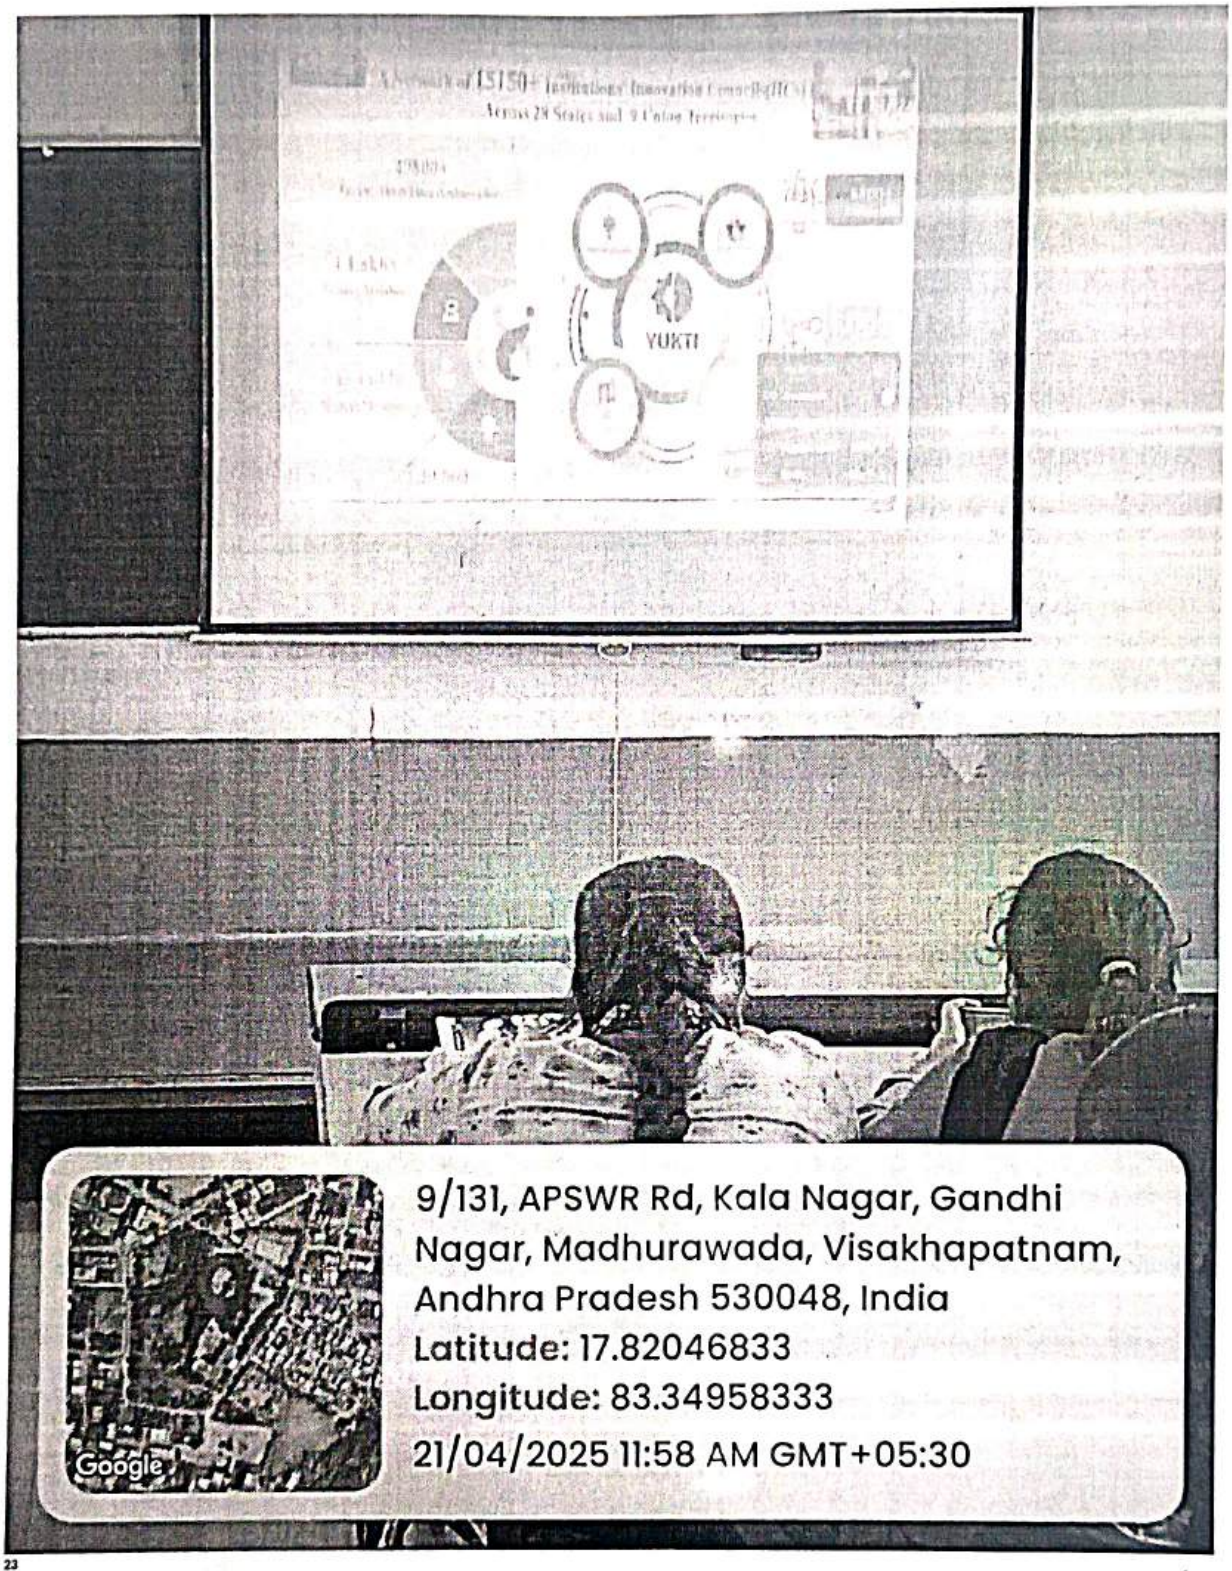

During the session, speakers enlightened students on the strategic importance of intellectual property in protecting innovations and fostering a culture of research and development. The inauguration also outlined the schedule of subsequent events under IP Utsav, which aim to strengthen awareness on patents, copyrights, design registrations, and related aspects of IP.

The event successfully inspired students to view creativity not just as an academic exercise but as a valuable resource that, when protected and nurtured, contributes to technological growth and national development.

Salient Features of the Event

- Formal launch of IP Utsav 2025.
- Celebration of World Creativity and Innovation Day with students.
- Insights on the value of intellectual property in innovation.
- Orientation on the week-long IP Utsav program schedule.
- Motivation for students to engage in creative problem-solving and entrepreneurial thinking.

Discover More with Design Registrations: Masterclass on Patents and Design Registration

The Institute Innovation Council (IIC), GVPCEW, organized an offline session on "Discover More with Design Registrations: Masterclass on Patents and Design Registration" on 22nd April 2025 (Tuesday) from 11:30 AM to 01:00 PM as part of the IP Utsav celebrations. A total of 54 students from CSM Section-1 attended the session in Room No. 221.

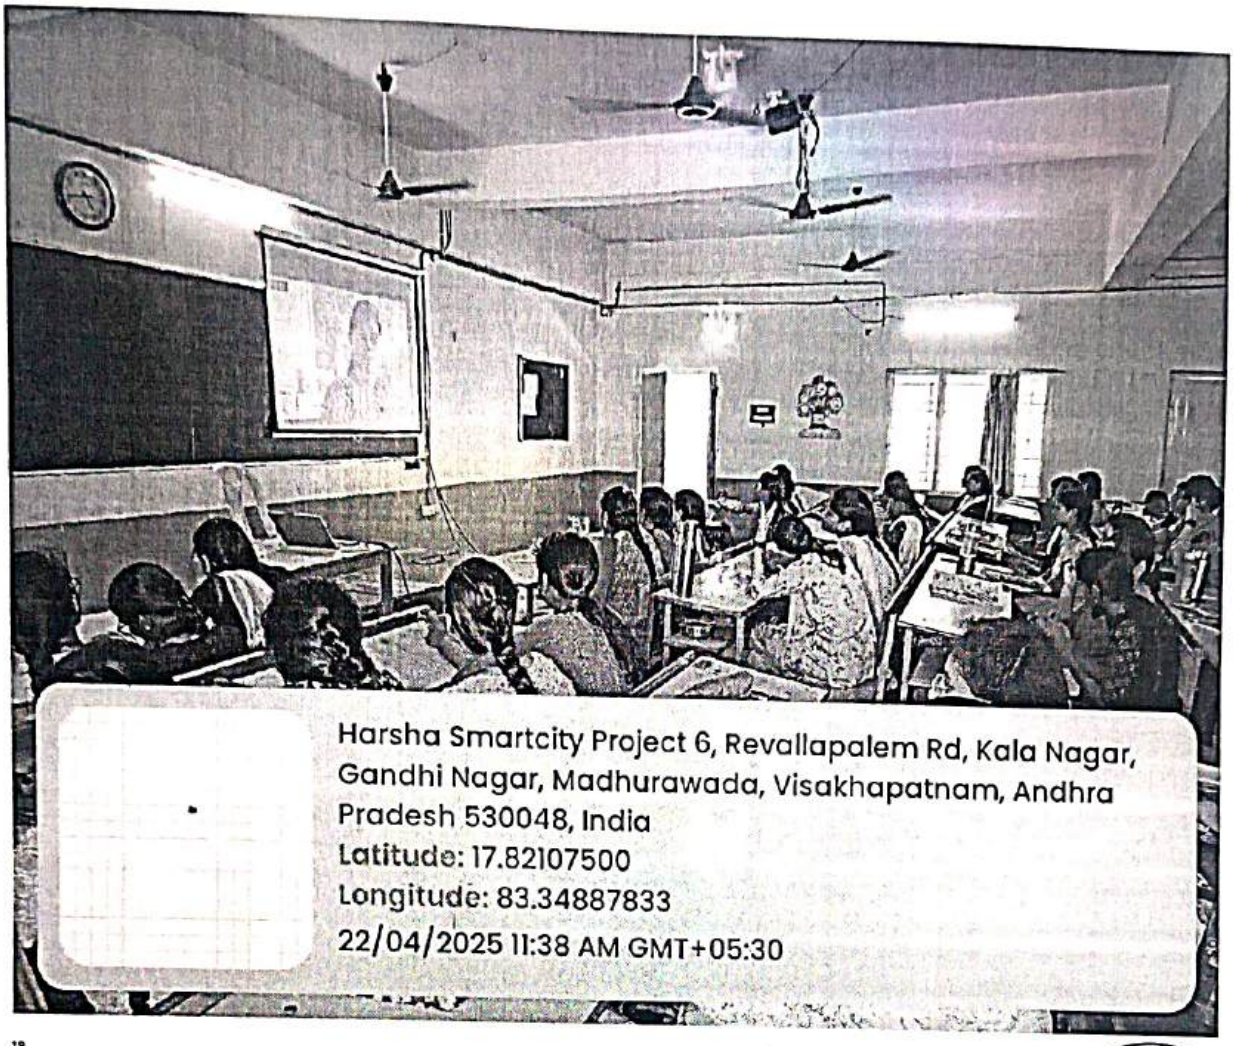

The resource person for the event was Dr. B.K. Chakravarthy, Dean, School of Design Innovation, Mahindra University, who delivered an insightful talk on the importance of design registration, the process of filing, and how design innovations can be protected under patent and design laws. He highlighted real-time case studies where design registrations played a crucial role in safeguarding innovations and enabling commercialization.

Salient Features of the Event

- Focused on the significance of design registration in protecting innovations.
- Provided practical insights with real-life case studies.
- Explained the procedure for filing patents and design registrations.
- Interactive Q&A session that encouraged student participation.
- Strengthened awareness of IP rights and their role in innovation and entrepreneurship.

The session was highly engaging, interactive, and informative, helping students gain awareness of intellectual property rights, particularly in the domains of patents and design registrations. Students actively participated in the discussion and clarified their doubts, making the session impactful and knowledge-enriching.

INSTITUTION'S INNOVATION COUNCIL

Copy That! Copyrights Uncovered: Masterclass on Copyrights

Organized by:
Institute Innovation Council (IIC), GVPCEW in association with Ministry of Education Innovation Cell

Date & Time:
23rd April 2025 (Wednesday), 11:30 AM – 01:00 PM
Venue:
Room No. 116, GVPCEW Campus
Resource Persons:

- **Ms. Anooja Padhee**, Partner at K&S Partners, IP Attorneys
- **Dr. Hemant Khosla**, Senior Examiner of Trademarks (TM), DPIIT, Ministry of Commerce and Industry, Government of India

Objective of the Event:
The session aimed to provide a comprehensive understanding of copyright law, its scope, and its relevance in protecting creative and intellectual works. It was organized as part of IP Utsav held from 21st to 26th April 2025.

Event Description:
The Institute Innovation Council (IIC), GVPCEW conducted a session on Copy That! Copyrights Uncovered: Masterclass on Copyrights under the Ministry of Education Innovation Cell's IP Utsav 2025. The expert speakers, Ms. Anooja Padhee and Dr. Hemant Khosla, delivered a detailed lecture on the fundamentals of copyrights, their role in protecting literary, artistic, and digital works, and the challenges in enforcing copyright laws in the digital era. The session also covered the difference between copyrights, patents, and trademarks, making the concepts clear to the students.

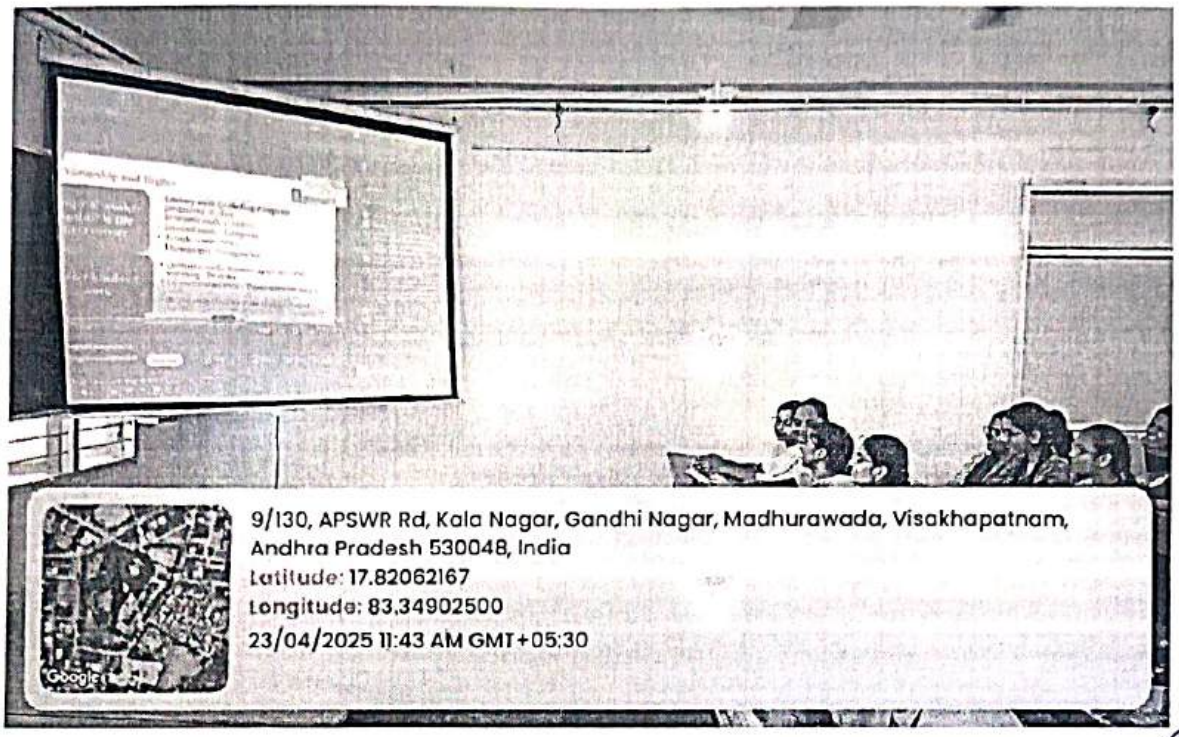

Key Highlights:

- Fundamentals of copyright and its scope of protection.
- Importance of copyrights in safeguarding creative and digital content.
- Legal framework and enforcement mechanisms in India.
- Distinction between copyrights, patents, and trademarks.
- Real-world case discussions on copyright infringement.

Outcome of the Event:
The session helped students gain clarity on copyright laws and their importance in protecting creative works. It also motivated participants to be mindful of intellectual property rights when creating original content.

Conclusion:
The event was successfully conducted in Room No. 116 with active participation from 54 students of 2nd Year ECE, Section–1. It provided a strong foundation on copyright protection and aligned with the objectives of IP Utsav 2025.

INSTITUTION'S INNOVATION COUNCIL

Mark the Spot: Trademarks Talk

Organized by:

Institute Innovation Council (IIC), GVPCEW in association with Ministry of Education Innovation Cell

Date & Time:

24th April 2025 (Thursday), 11:30 AM – 01:00 PM

Venue:

Room No. 101, GVPCEW Campus

Resource Person:

Dr. Rahul Taneja, Scientist, Directorate of Science and Technology, Government of Haryana

Objective of the Event:

The session aimed to create awareness among students about the importance of trademarks, their legal aspects, and their role in protecting brand identity. It was conducted as part of IP Utsav organized from 21st to 26th April 2025.

Event Description:

The Institute Innovation Council (IIC), GVPCEW organized a session on Mark the Spot: Trademarks Talk under the Ministry of Education Innovation Cell's IP Utsav 2025. The resource person, Dr. Rahul Taneja, delivered an insightful lecture on the fundamentals of trademarks, their significance in business and innovation, and the process of registration and enforcement. He highlighted case studies where trademarks played a vital role in brand recognition and protection. Students gained exposure to the strategic value of trademarks in entrepreneurship and innovation.

Key Highlights:

- Introduction to trademarks and their types.
- Importance of trademarks in protecting brand identity.
- Trademark registration process and legal aspects.
- Case studies illustrating the role of trademarks in business success.

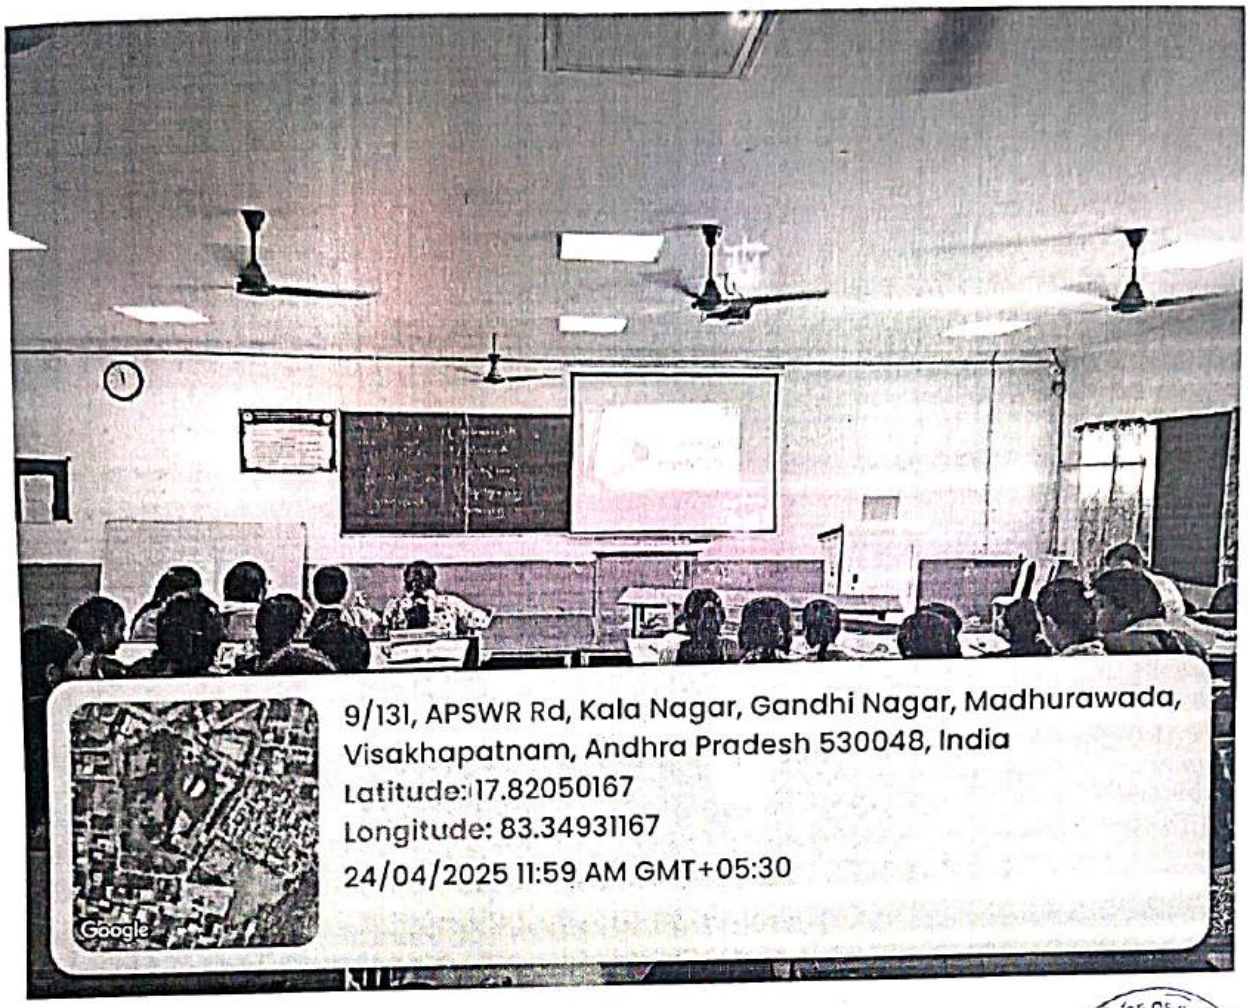

Outcome of the Event:

The session improved students' understanding of the role of trademarks in innovation and entrepreneurship. It motivated participants to explore how IP protection extends beyond patents to include brand value and market differentiation.

Conclusion:

The event was successfully conducted in Room No. 101 with active participation from 53 students of 2nd Year CSE, Section–I. It provided valuable insights into trademark protection, aligning with the objectives of IP Utsav 2025.

INSTITUTION'S INNOVATION COUNCIL

Significance of IP Protection and Commercialization

Date & Time:
25th April 2025 (Friday), 11:30 AM – 01:00 PM, Online Mode

Organized by:
Institute Innovation Council (IIC), GVPCEW in association with Ministry of Education Innovation Cell

Resource Person:
Dr. Sripati Rao Kulkarni, Principal Scientist, CSIR, India

Objective of the Event:

The session aimed to create awareness about the importance of Intellectual Property (IP) protection and its role in commercialization. It was organized as part of IP Utsav held from 21st to 26th April 2025.

Event Description:

The Institute Innovation Council (IIC), GVPCEW organized an online session on Significance of IP Protection and Commercialization under the Ministry of Education Innovation Cell's IP Utsav 2025. The distinguished resource person, Dr. Sripati Rao Kulkarni, Principal Scientist, CSIR, India, delivered an insightful talk highlighting the growing importance of IP in fostering innovation and entrepreneurship. He elaborated on various aspects of IP rights, patent filing procedures, challenges in IP management, and the pathways for commercialization of research outcomes.

Key Highlights:

- Importance of safeguarding intellectual property in research and innovation.
- Overview of patent filing procedures and legal aspects.
- Strategies for successful commercialization of IP in India.
- Role of students and young innovators in strengthening the IP ecosystem.

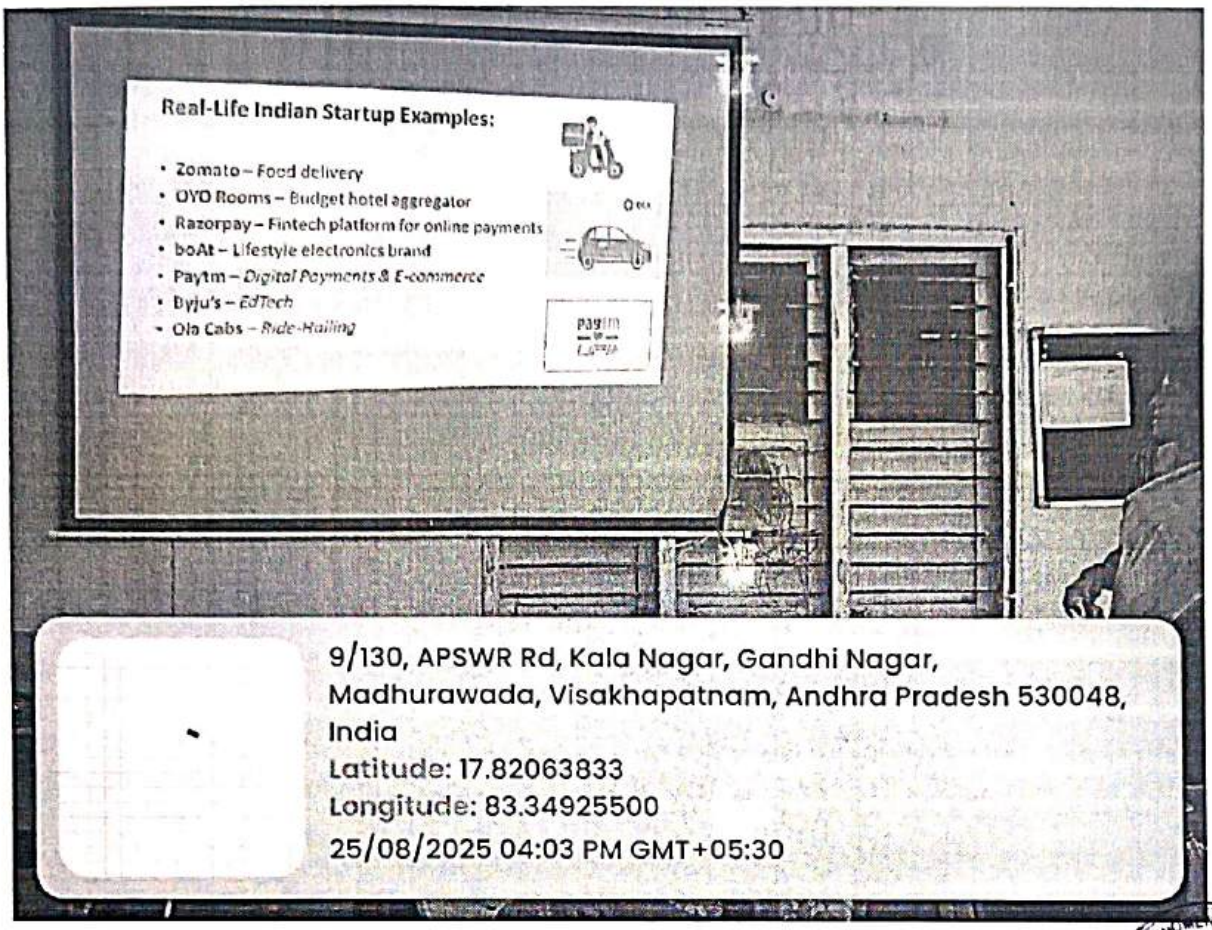

Outcome of the Event:

The session enhanced students' understanding of intellectual property rights, patenting process, and commercialization opportunities. It motivated participants to value innovation, protect their creative work, and explore entrepreneurial pathways.

Conclusion:

The event was successfully conducted with active participation from 53 students of 2nd Year ECE, Section–1. It provided valuable insights into IP protection and its relevance to innovation-driven growth, aligning with the objectives of IP Utsav 2025.

INSTITUTION'S INNOVATION COUNCIL

Patent to Product (Srujanta Se Samrudhi)

Organized by:

Institute Innovation Council (IIC), GVPCEW in association with Ministry of Education Innovation Cell

Date & Time:
26th April 2025 (Saturday), 11:30 AM – 01:00 PM, Online Mode

Resource Persons:

- **Dr. Dara Ajay**, Head – Technology Transfer Office, IP Management Cell, IIT Madras
- **Sh. Jai Veer**, Assistant Controller of Patents & Designs, Ministry of Commerce and Industry, Government of India

Objective of the Event:

The session aimed to highlight the process of transforming patents into marketable products and to emphasize the role of intellectual property in innovation-driven growth. It was organized as part of IP Utsav held from 21st to 26th April 2025.

Event Description:

The Institute Innovation Council (IIC), GVPCEW conducted an online session on Patent to Product (Srujanta Se Samrudhi) under the Ministry of Education Innovation Cell's IP Utsav 2025. The resource persons, Dr. Dara Ajay and Sh. Jai Veer, shared their expertise on the transition of patented research into commercially viable products. Dr. Ajay discussed technology transfer mechanisms, industry collaborations, and best practices in IP management from the perspective of academia. Sh. Jai Veer provided insights into the role of the Patent Office in facilitating innovation, IP protection, and the regulatory framework supporting commercialization in India.

Key Highlights:

- Importance of converting patents into practical, market-ready products.
- Insights into technology transfer, licensing, and industry partnerships.
- Patent office procedures and government initiatives supporting innovators.
- Role of academia, researchers, and students in strengthening the IP–innovation ecosystem.

Outcome of the Event:

The session deepened participants' understanding of the innovation-to-market journey. Students gained valuable exposure to the importance of patents beyond research and their role in entrepreneurial growth.

INTERNAL QUALITY ASSURANCE CELL (IQAC)

In Continuation to this office circular dated 15/02/2022, following is the REVISED list of IQAC members w.e.f. 15th February 2024.

S.No.	Name & Designation	IQAC Designation
1	Dr. Raj Kumar Goswami, Principal, GVPW	Chairman
2	Dr.P.Devendra, Assoc.Prof, Dept.of EEE, GVPW	Member Coordinator
3	Sri D.V.S. Kameswara Rao, Member, Gayatri Vidya Parishad	Management Member
4	Dr. G Sudheer, Vice-Principal, GVPW	Member
5	Sri G. Sitarama Brahmam, Sr. Data Scientist, TCS	Member
6	Sri Sitarma Penumetsa, General Manager, CTO, Candela Technologies	Member
7	Dr.Ravi Saripalle, Director, Center for Innovation and Incubation GVPCE(A)	Member
8	Dr.S.Atchuta Ramam, Dean, Administration, GVPCE(A)	Member
9	Ms.M.Manikumari, Asst Prof, Dept of ECE, GVPW	Member
10	Dr.K.P.Naidu, Asst Prof, Dept of CSE(AI&ML), GVPW	Member
11	Dr.N.Sharmili, Assoc.Prof, Dept.of CSE, GVPW	Member
12	Ms.M.Deepthi, Asst Prof, Dept of IT, GVPW	Member
13	Ms.B.Bharathi, Asst Prof, Dept of BSH (Mathematics) GVPW	Member
14	Ms Ch Sirisha, Asst Prof, Dept of ECE, GVPW	Member
15	Mr.M.Krishna, Asst Prof, Dept of EEE, GVPW	Member
16	Mr.Seela Srikanth, Accounts Manager, GVPW	Member
17	Ms.Lateefa Shiek, Alumni & Asst.Prof, Dept.of CSE. GVPCE(A)	Alumni Member
18	Ms.P.Abhilasha, Alumni & Centre Director, Admium Overseas Education Consultancy, Bhimavaram	Alumni Member

Date: 15/02/2024

IQAC/1/2024-2025 Date:01.07.2024

Minutes of Meeting

Minutes of Meeting held on 01.07.2024
Venue: Seminar hall **Time:** 3:30PM

Agenda:
1. Activity Plan for the Academic year 2024-2025
2. Activities related to Autonomous Status
3. Consideration of DAC report

The meeting started with a brief note of welcome by the chairman, IQAC

Item No.1
Activity Plan for the Academic year 2024-2025
Resolution No.1
It was decided to plan academic calendar and activities in line with the academic calendars of affiliating universities-JNTUK, Kakinada and Andhra University, Visakhapatnam.

Item No.2
Activities related to Autonomous Status
Resolution No.2
(i) Form an Academic council in line with the guidelines of UGC
(ii)IQAC resolved to finalize the academic rules and regulations for presentation and approval by the academic council.
(iii)Finalize the list of possible BOS members for approval by academic council.

Item No.3
Consideration of DAC report
Resolution No.3
The IQAC considered the reports submitted by the Department Advisory Committees (DACs) of all departments and, after due deliberation, resolved the following:
(i)The possible course structure for the First-year students under autonomous stream.
(ii)The elective courses to be opted in Third and Fourth year for students of Andhra university and JNTUK.

IQAC/2/2024-2025 Date:30.07.2024

Minutes of Meeting

Minutes of Meeting held on 30.07.2024
Venue: Seminar hall **Time:** 3:30PM

Agenda:
1. Circulation of Rules and Regulations R24
2. Submission of Draft Course Structure and Syllabus for B.Tech and M.Tech 1st Year under the Autonomous stream.
3. Formation of guidelines for conduct of BOS meeting

The meeting started with a brief note of welcome by the chairman IQAC

Item No.1
Circulation of Rules and Regulations R24
Resolution No.1
It was resolved to widely disseminate the approved Academic Rules and Regulations R24 framed for the autonomous stream.

Item No.2
Submission of Draft Course Structure and Syllabus for B.Tech and M.Tech 1st Year under the Autonomous stream.
Resolution No.2
After confirming that the draft course structure and syllabus of all departments aligns with the guidelines of AICTE, APSCHE, Affiliating University and the Vision and Mission of the institute, the IQAC resolved to forward the same to the respective Boards of Studies (BoS) for their recommendations.

Item No.3
Formation of guidelines for conduct of BOS meeting
Resolution No.3
The IQAC resolved to conduct the forthcoming First BOS meeting of all departments in hybrid mode to ensure wider participation of external experts and members who are unable to attend physically. Further, the necessary arrangements to be made have been approved.

Minutes of Meeting

Minutes of Meeting held on 07.10.2024
Venue: Seminar hall **Time:** 3:30PM

Agenda:
1. Activities related to Autonomous Status.

The meeting started with a brief note of welcome by the chairman IQAC

Item No.1
Activities related to Autonomous Status.

Resolution No.1

(i) Resolved to make Minor changes in Academic rules and regulations R24 for B.Tech program as per the suggestions received during the first academic council meeting to stay in line with the guidelines of AICTE.

(ii) Resolved to incorporate the changes in the First-Year course structure and syllabus as per the suggestions provided in the First BoS meetings of the respective departments.

(iii) The IQAC intends to conduct FDPs based on the curriculum approved by BOS of different departments to improve the quality of teaching-learning process.

(iv) The IQAC has resolved to conduct the academic audit of all departments in the month of December.

(v) It was decided to conduct the second Academic Council meeting in hybrid mode to seek the approval of the changes made in (i) the Rules and Regulations (R24) and (ii) the syllabi of all departments.

Minutes of Meeting

Minutes of Meeting held on 23.12.2024
Venue: Seminar hall **Time**: 2:30PM

Agenda:
1. Approval of draft copy of AQAR 2023-2024.
2. Preparation of course structure and syllabus for the autonomous batch.

The meeting started with a brief note of welcome by the chairman IQAC

Item No.1
Approval of draft copy of AQAR 2023-2024.

The central coordinators of different criterion presented the data corresponding to each criterion.

Criterion 1	Dr.L.Ganesh and Ms.BVS Renuka devi
Criterion 2	Dr.ASV Vijayalakshmi
Criterion 3	Dr.V.Lakshmana Rao
Criterion 4	Dr.B.Vijaya Lakshmi
Criterion 5	Dr.T.Poornakantha
Criterion 6	Dr.K.L.Sai Prasad
Criterion 7	Dr.N.Sharmili

The suggestions put forward by the members of IQAC were incorporated in the document.

Resolution No.1
The IQAC approved the draft copy of AQAR for submission to NAAC.

Item No.2
Preparation of course structure and syllabus for the autonomous batch.
Resolution No.2
The IQAC advised all departments to prepare the course structure and syllabi for B.Tech II, III, and IV years, and M.Tech II year programs under the autonomous stream, in accordance with the AICTE Model Curriculum, APSCHE guidelines, NEP-2020 framework and as per industry requirements.

Empowering Minds in Exploring Thoughts

Orientation of club and Problem-solving sessions

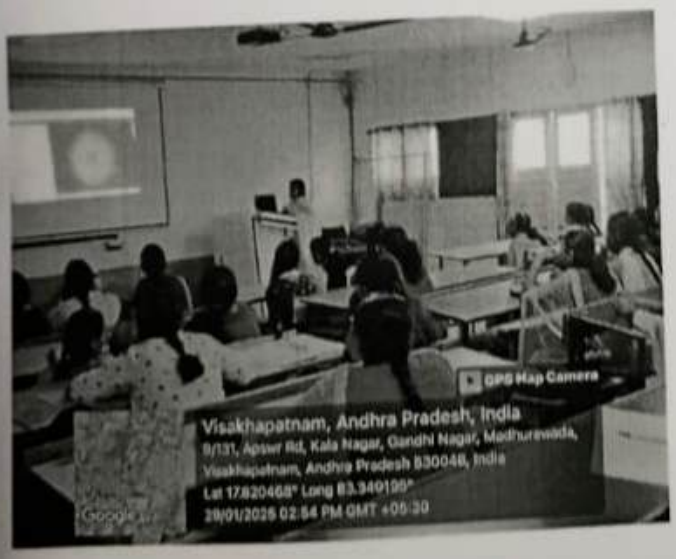

Dates: 28th to 31st January 2025

The Mathematical Sciences Club (MSC) organized an orientation program for all first-year students from 28th to 31st January 2025. The orientation introduced students to the club's objectives, activities, and opportunities for engagement, led by senior MSC members.

As part of the program, a problem-solving exam was conducted, focusing on mathematics and critical thinking. The sessions aimed to assess and enhance students' analytical abilities while fostering interest in mathematical problem-solving from the outset of their academic journey.

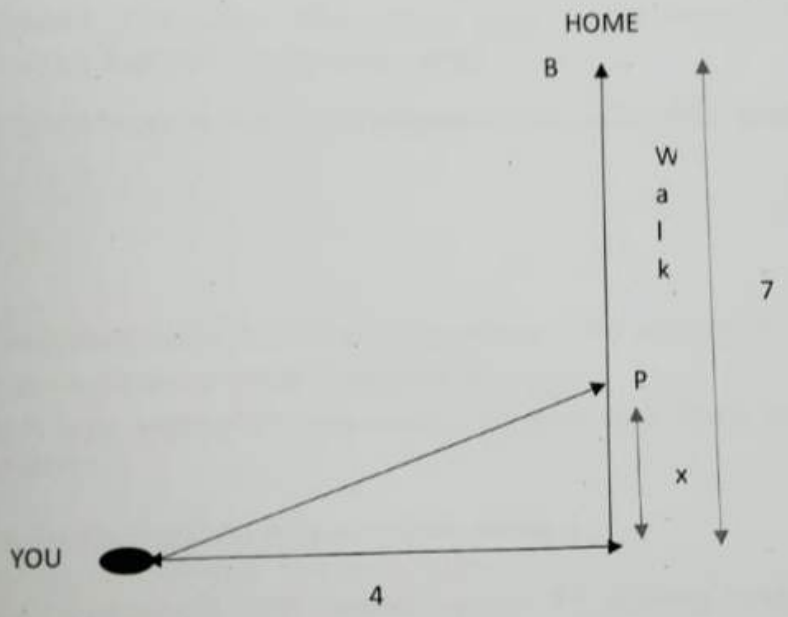

A Sreedevi

Mathematical Sciences Club

Day - 1 28/01/2025

Question. You need to reach home as quickly as possible, but you are in a rowboat on a lake 4 miles from shore and your home is 7 miles up the shore. If you can row at 3 miles per hour and walk at 5 miles per hour, toward which point on the shore should you row?

Solution. Let x representing the distance along the shore from point A, the nearest point on the shore to your boat, to point P, the point you row toward.

T = total time = (rowing time from boat to P) + (walking time from P to B)
= distance from boat to P rate rowing boat + distance from P to B rate walking along shore

$$= \frac{\sqrt{x^2+16}}{3} + \frac{7-x}{5}$$

$$T' = 0 \Rightarrow \frac{x}{3\sqrt{x^2+16}} - \frac{1}{5} \Rightarrow x = 3$$

$T'' > 0$ at x=3

The quickest way home is to aim for a point P that is 3 miles down the shore, row directly to P, and then walk along the shore to home.

Q. The height of a tree increases at a rate of 2 ft per year and the radius increases at 0.1 ft per year. What rate is the volume of timber increasing at when the height is 20 ft and the radius is 1.5 ft.

Ans. 32.99 ft /year

Q. A horse and a mule, both heavily loaded, were going side by side. The horse complained of its heavy load and said 'If I take one sack off your back, my load will become twice as heavy as yours. But if you remove one sack from my back, your load will be the same as mine.' How many sacks was the horse carrying and how many sacks the mule?

Ans. Horse 7, Mule 5.

Q. Find a two-digit number with the following properties. The tens digit is less by 4 than the unit's digit. If we subtract the desired number from the same digits written in the reverse order, we get 27.

Ans. Not possible

Q. Thirteen loudspeakers are set up along a straight line in two groups: one group consists of 4 loudspeakers, and the other group consists of 9 loudspeakers. The two groups are separated by a distance of 50 meters. Where should a person stand along the line such that the loudness of the sound from both groups is the same?

Hint: Sound Intensity is inversely proportional to square of the distance.

Ans: 20

The loudness of sound is inversely proportional to the square of the distance from the source. That means for any group of loudspeakers: $L \propto \frac{N}{d^2}$
where N is the number of loudspeakers in the group, and d is the distance from the observer to the group.

Let the person stand at a distance x from **Group 1**.
Therefore, the distance to **Group 2** will be $50 - x$.
For the loudness to be equal from both groups, the following equation must hold:

$$\frac{4}{x^2} = \frac{9}{(50-x)^2}$$
$$x^2 + 80x - 2000 = 0$$
$$x = 20$$

Day - 2

Question.1. Find the area of the rectangle with the most area that can be inscribed in a semi-circle of radius r.

Ans : r^2

Question.2. Four brothers have 45 rupees. If the money of the first is increased by 2 rupees, the money of the second is decreased by 2 rupees, the money of the third is doubled and the money of the fourth is halved, then all of them will have the same amount of money. How much does each have?

Ans. 8, 12, 5, 20

Question.3. Three sisters came to the market with chickens to sell. One brought 10, another 16 and the third 26. They sold a portion of their chickens by noon at the same price. In the afternoon, afraid that not all the chickens would be sold, they reduced the price and disposed of the remaining stock all at the same price. At the end of the day, each sister had obtained the same amount of money from the sale: 3500 rupees. What was the price in the forenoon and in the afternoon?

Ans: 375, 125

Question.4.

Find three successive numbers such that the square of the middle number is greater by unity than the product of the other two numbers.

Ans True for every x

Day - 3

Questions for member selection from first year students:

Question.1. You have a given length of fence. Using the wall of a house as one side of a rectangular fence, how would you place the fence around the other three sides in order to enclose the largest possible area?

Ans. Place half the fence parallel to the house.

Question.2. An ice cube is melting in a room at a constant rate. As it melts, the volume of the ice decreases over time. The radius of the ice cube is shrinking at a rate of 0.2 cm per minute. How fast is the volume of the ice cube decreasing when the radius is 5 cm? (Assume the ice cube is perfectly cubic.)

Ans : $20\,\pi$ cm^3/min

Question.3. A meeting gathered and someone counted the total number of handshakes to be 66. How many people were there at the meeting?

Ans: 12

Question.4. Thirteen loudspeakers are set up along a straight line in two groups: one group consists of 4 loudspeakers, and the other group consists of 9 loudspeakers. The two groups are separated by a distance of 50 meters. Where should a person stand along the line such that the loudness of the sound from both groups is the same?

Hint: Sound Intensity is inversely proportional to square of the distance.

Empowering Minds in Exploring Thoughts

Day - 4

Questions for member selection from first year students:

Question.1. You have 100 meters of fencing and wish to enclose a rectangular garden using a wall of your house as one side of the enclosure. How should you place the fence around the remaining three sides to maximize the area of the garden?

Ans: 50 meters parallel to the wall and 25 meters perpendicular to the wall.

Question.2. There are two palm trees, one opposite the other on each side of a river. One is 30 meters high, the other 20 meters. The distance between the foot of the trees is 50 meters. A bird is perched on the top of each tree. All of a sudden, the birds see a fish come to the surface of the river between the palm trees. They dive at the same time and reach the fish at the same time. Find the distance between the foot of the taller tree and the fish?

Ans. 20 mts

Question.3. An ice cream cone consists of a conical portion of radius r and height h, with a spherical scoop of radius r on top. The ice cream is melting such that the radius shrinks at a rate of 0.2 cm/min and the height decreases at a rate of 0.5 cm/min, find the rate at which the total volume is decreasing when $r = 5\ cm$ and $h = 10\ cm$.

Ans: 96.88 cm^3/min

Question.4. Three sisters came to the market with chickens to sell. One brought 10, another 16 and the third 26. They sold a portion of their chickens by noon at the same price. In the afternoon, afraid that not all the chickens would be sold, they reduced the price and disposed of the remaining stock all at the same price. At the end of the day, each sister had obtained the same amount of money from the sale: 3500 rupees. What was the price in the forenoon and in the afternoon?

Ans: 600, 100

CIRCULAR

1. The Mathematical Sciences club is celebrating National Mathematics Day to commemorate the Birth Anniversary of Sri. Srinivasa Ramanujan, the legendary Indian Mathematician.
2. We are happy to inform that a special lecture is arranged on "Sri Srinivasa Ramanujan- A sphere of influence in Science and Engineering" by Prof. Dr. G. Sudheer, on 24th December 2024 from 10.30 AM to 11.30 AM in the college auditorium.
3. All students are encouraged to attend the lecture.

Report on National Mathematics Day Celebration -2024

The Mathematical Sciences Club of Gayatri Vidaya Parishad College for Women commemorated National Mathematics Day on 24th December, 2024 to honor the birth anniversary of Sri Srinivasa Ramanujan. This annual celebration recognizes Ramanujan's groundbreaking contributions to mathematics and their enduring impact on science and engineering.

A special lecture titled "Sri Srinivasa Ramanujan – A Sphere of Influence in Science and Engineering" was organized in the college auditorium from 10:30 AM to 11:30 AM. The session was delivered by Prof. Dr. G. Sudheer, a distinguished academician in the field.

The lecture delved into Ramanujan's major mathematical achievements, including:

- Number Theory and Partitions: Ramanujan's work on the partition function and number theory revolutionized the understanding of integer properties, influencing both theoretical and applied mathematics.
- Infinite Series and Pi: His discovery of rapidly converging infinite series for π\piπ has had practical implications in computational mathematics, enabling high-precision calculations essential in engineering and scientific research.
- Modular Forms and Continued Fractions: Ramanujan's research on modular forms and continued fractions laid the groundwork for modern developments in algebraic geometry, complex analysis, and algorithmic computation, with direct applications in engineering and computer science.
- Influence on Science and Engineering: The lecture highlighted how Ramanujan's mathematical insights underpin many modern technologies, from cryptography to signal processing, demonstrating the seamless integration of pure mathematics into engineering solutions.

The event fostered an interactive environment, with students posing insightful questions about the relevance of Ramanujan's theories in contemporary scientific advancements. Prof. Sudheer encouraged students to pursue mathematical research and illustrated how Ramanujan's legacy continues to inspire innovation across disciplines.

MATHEMATICAL SCIENCES CLUB

Empowering Minds in Exploring Thoughts

Report of the Inaugural Event

Date: 29th November 2024 | Time: 3:00 PM | Venue: Auditorium, GVPCEW

The Mathematical Sciences Club of Gayatri Vidya Parishad College of Engineering for Women was formally inaugurated on 29th November 2024 at 3:00 PM for the academic year 2024 – 2025, in the college auditorium.

The program commenced with a welcome note and prayer song, followed by the reports given by the student members of the club.

Ms. P. Sri Charitha Reddy, the incumbent President, gave a brief introduction to the objectives of the club.

Ms. R. Sri Bhavya, the incumbent Secretary, presented a comprehensive report on the events conducted by club in the previous academic year. These included a Poster Presentation, Open Challenge, PowerPoint Presentation on Mathematics in Engineering, a Math Hackathon, and Guest Lectures and Expert talks.

The principal commended the club's efforts in promoting mathematical excellence, and a badging ceremony introduced the new student team.

Mrs. P. Sarada Devi, Lecturer, St. Xavier's College, Mumbai, delivered a thought-provoking lecture on the historical significance of mathematics. Mrs. P. Sarada Devi, offered a unique perspective on the history and lesser-known facts about Indian mathematics. She shed light on ancient Indian contributions such as the concept of zero, the decimal system, and works of the mathematicians Aryabhata, Bhaskara, and Srinivasa Ramanujan. Her talk inspired students to take pride in India's mathematical heritage.

Chief Guest, Prof. Dr. Nistala V. E. S. Murthy, delivered a captivating lecture on the importance of mathematics in real life. He emphasized how mathematical modelling, optimization, and statistical methods play a critical role in solving real-world problems in engineering, economics, health, and technology. His examples from transportation networks, healthcare analytics, and artificial intelligence were appreciated by the students.

Prof. Dr. P. S. Avadhani, the Special Invitee, encouraged the students to take part in interdisciplinary research and emphasized the versatility of mathematical knowledge across various domains.

The event concluded with a prize distribution ceremony, recognizing winners of the Poster Presentation and Open Challenge Competitions, as well as students with outstanding academic performance in Mathematics-I and II.

The program concluded with a heartfelt vote of thanks by Ms. G. Sri Harini, Vice-President of the club, who expressed gratitude to the guests, faculty, and fellow students for their presence and support.

The inauguration set a vibrant tone for future endeavours of the Mathematical Sciences Club. With enthusiastic participation from students and inspirational talks by esteemed guests, the event successfully reinforced the value and relevance of mathematics in both academic and practical spheres.

Mathematical Sciences Club

GAYATRI VIDYA PARISHAD
COLLEGE OF ENGINEERING FOR
WOMEN
(AUTONOMOUS)

MATHEMATICAL SCIENCES CLUB
G.V.P.C.E.W

WE CORDIALLY INVITE YOU

TO THE INAUGURATION OF THE

MATHEMATICAL SCIENCES CLUB

The following distinguished members have kindly consented to grace the event

Special Invitee: *Prof. Dr. P. S. Avadhani*

Guest of Honor: *Mrs. P. Sarada Devi*

Chief Guest: *Prof. Dr. Nistala V. E. S. Murthy*

&

Prof. Dr. R. K. Goswami has kindly consented to preside over the event.

NOVEMBER

FRIDAY **29** AT 03:00 PM

2024

VENUE: *AUDITORIUM, GVPCEW*

We look forward to your presence and enthusiastic participation.

INAUGURATION PROGRAM SCHEDULE

Welcome note & Inviting Guests on to the Dias	3.00 PM
Prayer Song	3.12 PM
Brief on MSC by Incumbent President P. Sri Charitha Reddy	3.14 PM
Report by Incumbent Secretary R. Sri Bhavya	3.17 PM
Message by the Principal Prof. R.K Goswami	3.20 PM
Badging Ceremony	3.23 PM
Introduction of the Special Invitee	3.33 PM
Message by Special Invitee- Prof. P. S. Avadhani	3.35 PM
Introduction of the Guest of Honor	3.45 PM
Message by Guest of Honor-Mrs. P. Sarada Devi	3.47 PM
Introduction of the Chief Guest	4.02 PM
Message by Chief Guest- Prof. Dr. Nistala V. E. S. Murthy	4.04 PM
Prize Distribution to the winners of the events	4.20 PM
Distribution of certificates to toppers in Mathematics I & II	4.25 PM
Felicitation	4.40 PM
Vote of Thanks by Incumbent Vice-President G.Sri Harini	4.50 PM

MATHEMATICAL SCIENCES CLUB

Empowering Minds in Exploring Thoughts

21st November 2024

CIRCULAR

Mathematical Sciences Club is excited to announce the following events that aim to showcase the application of mathematics in engineering and to stimulate the problem-solving skills there by enhance the ability to think critically and creatively in all scientific fields and computations.

Events:

1. **Open Challenge Problem Competition**

   Guidelines:

   - The competition will consist of a series of challenging mathematical problems from different areas of mathematics.
   - Problems will be posted on the college website and sent to registered students through mail on 23-11-2024 at 8.00 PM.
   - Students should take part individually in the competition.
   - Solution must be submitted in person to Dr. A. Suseelatha on or before 12.00 Noon on 26-11-2024.
   - Solutions must be presented in a clear, logical, and well-explained manner and need to be presented orally if necessary.

   Registration Link: https://tinyurl.com/4ccawut4

   Registration Deadline: on or before 04.00 PM, 23-11-2024.

2. **Poster Presentation on**

   1. **Role of Mathematics in the advancements of Technology.**
   2. **Application of Mathematics in Engineering.**

   Event Date: 27-11-2024

   Timings: For I year: 10.00 AM to 12:30 PM.

   For II &III year: 2.00 PM to 4.30 PM.

   Venue: Auditorium

Guidelines:

- Posters should be designed on an A3-sized paper.
- Maximum number of students permitted in a team is 2.

Registration Link: **https://tinyurl.com/mr8xbnfd**

Registration Deadline: on or before 12.00 Noon, 26-11-2024.

Prizes:

- Attractive prizes will be awarded to the winners of both competitions.
- e-Certificates of Participation will be provided to all participants.

We encourage all students with an interest in mathematics to participate and showcase

MATHEMATICAL SCIENCES CLUB

Empowering Minds in Exploring Thoughts

Report of the Events Conducted during November 2024

ematical Sciences Club (MSC) of Gayatri Vidya Parishad College of Engineering for Women lly conducted Open Challenge Problem Competition and the Poster Presentation in the November 2024. These events were aimed at encouraging students to apply mathematics g Engineering problems, to stimulate problem-solving skills and to explore and present the ions of mathematics in technology and science.

allenge Problem Competition:

n Challenge Problem competition was conducted on 23-11-2024 where students were given oblem statements to solve within 48 hours. The challenge was conducted in an open-book format, g students to refer to any books, online resources, and make use of AI tools such as ChatGPT. This flexibility to simulate a modern problem-solving environment, where resourcefulness and critical thinking are al. The challenges encompassed various domains of mathematics, designed to evaluate tical reasoning, problem-solving abilities, and programming skills.

event witnessed enthusiastic participation from students across various departments, casing a strong interest in mathematical challenges. The competition served as an excellent orm for students to push their intellectual boundaries and gain exposure to advanced ematical problem-solving beyond the classroom.

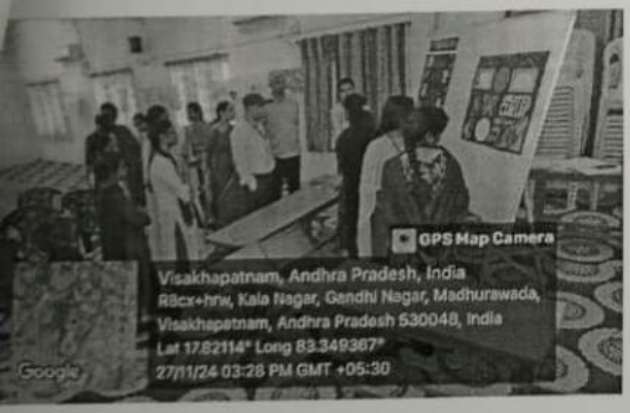

ation:

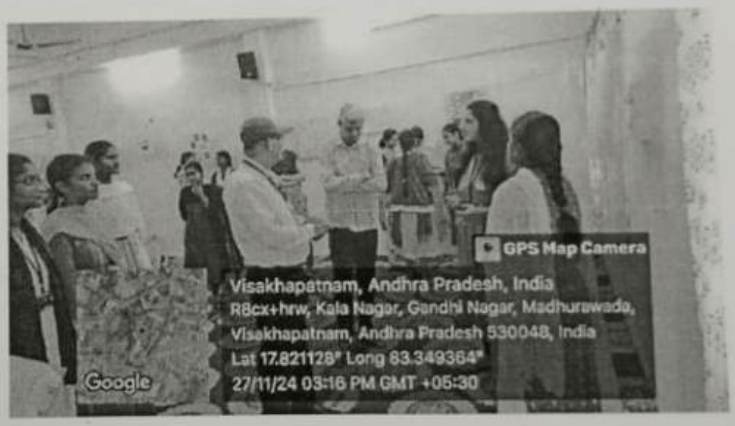

sentation competition was organized on 27-11-2024, where students created and osters on the following topics:

Role of Mathematics in the advancements of Technology.

Application of Mathematics in Engineering.

s participated, showcasing their creativity and understanding of these crucial subjects. The rovided a platform for students to creatively express their understanding of mathematical ts and their relevance in solving real-world problems. The event provided a platform for its to enhance their analytical and presentation skills. It also encouraged collaborative learning novative thinking in the field of mathematics.

23rd November 2024

Open Challenge

Answer the following Questions

1. A portable document format page of a scanned document is supplied. During the scan, there is a small tilt. The problem is to
   (i) Use a suitable Mathematical transformation to remove the tilt. Show the scanned page without tilt.
   (ii) Use suitable techniques to separate (a) figures (b) Mathematical equations (c) Table and the row-wise text in the table.

   The entire problem can be solved using any programming language but the implementation is to be shown.

   Note: PDF is attached.

2. A company sells item (item1) in three regions (region 1, region 2, region 3). The demand (weekly) for the item is given in the data set. The time is given in the format MM/DD/YYYY. In case of weeks where there is no demand the sales have been accumulated (2 weeks/3 weeks/4 weeks) and shown.
   The problem is to predict the demand for the next two/three weeks in each region.

   Note: Data set is attached.

Instructions to submit the solution:

- Name the documents in the format <roll number>_<name> (Ex. 322303210001_gvpcew1, 322303210001_gvpcew2 etc..)
- Please mention name and roll number in the body of the mail while sending the solutions.
- The solutions along with the codes are to be mailed to msc@gvpcew.ac.in **on or before 12.00 Noon, 26/11/2024.**

MATHEMATICAL SCIENCES CLUB

Gayatri Vidya Parishad College of Engineering for Women

(Autonomous)

MATHEMATICAL SCIENCES CLUB

ayatri Vidya Parishad:

Vidya Parishad is an Educational established in 1988 by a group of micians, Educationists and essionals of the city of Visakhapatnam, dhra Pradesh, with the objective of dressing the higher education needs of he region with focus on imparting value-based education. It is a nonprofit organization established with a service motive, committed to developing education in India, as an educational society on September 28th 1988 with the stated aim "to promote, establish, maintain and assist or aid in maintaining educational and other institutions with a view to impart education in all branches in general and in Advanced Technology, Management, Education and Science (including Healthcare) in particular and thus to facilitate securing gainful employment for the youth of the country."

Beautiful mathematical formulas

$$e^{i\pi} = -1$$

$$V - E + F = \chi \, dF = 0,$$

$$-\delta F = J$$

$$x^2 + y^2 = z^2 \ (Pythagoras)$$

$$\frac{d}{dx}\int_a^x f(t)\,dt = f(x)$$

$$\int f d\mu = \lim_{n\to\infty} \frac{1}{n+1} \sum_{k=0}^{n} f \circ T^k$$

$$ih\frac{\partial \varphi}{\partial t} = (ih\nabla + eA)^2 \varphi + V\varphi$$

Can you solve this?

$$\frac{1}{1-\frac{1}{2}\frac{d}{dx}} \cos(x) = ?$$

Aryabhatiya: Aryabhata is best known for his major work, the "Aryabhatiya," a Sanskrit text consisting of 121 verses. This work covers a wide range of topics in mathematics and astronomy. In the "Aryabhatiya," Aryabhata introduced innovative mathematical concepts and techniques.

Ancient Indian Mathematician and Their Salient Contributions

Detail of the Work/ Mathematician	Period, Location	Salient Contributions
Vedic Texts	3000BCE or earlier	The earliest recorded mathematical knowledge, number system, Pythagorean type triplets; Decimal system of naming numbers, the concept of infinity.
Sulba-sutras-Baudhayana, Apasthamba, Katyayana and Manava Sulba-sutras	800-600 BCE	Earliest text of geometry; Approximate value of the square root of 2, and π. Exact procedures for the construction and transformations of squares, rectangles, trapezia, ect.

2. Program Invitation:

A formal Program Invitation was sent to all community members, students, and teachers, inviting them to join in the Gita Jayanti celebration. The invitation highlighted the significance of the day, emphasizing the spiritual importance of the Bhagavad Gita. It encouraged everyone to participate in the recitations and to reflect on the timeless wisdom of the sacred text. The invitation sparked enthusiasm and anticipation for the event.

3. Program Pictures:

The Program Pictures captured the essence of the celebration, documenting the key moments of the day. The images showcased students actively engaging in the recitations, the vibrant atmosphere, and the collective spirit of devotion shared by all present. These pictures serve as a lasting memory of the event, highlighting the joy and reverence that filled the venue throughout the celebration.

Program Pictures:

A vibrant collection of photographs captured the essence of the Guru Purnima celebration. These pictures showcased the joy, reverence, and cultural richness of the event, including moments of the Chief Guest's felicitation, performances, and audience interactions. Each image serves as a cherished memory of this remarkable day.

Honorable Chief Guest:

The event was graced by the presence of the esteemed Chief Guest, Dr. Vedula Subramanyam Garu, a revered scholar and guide whose contributions to education and culture have been monumental. His presence added immense value to the occasion, making it a truly memorable celebration.

Scanned with OKEN Scanner

Felicitation Chief Guest:

A special felicitation ceremony was organized to honor Dr. Vedula Subramanyam Garu. He was presented with a memento and a shawl as tokens of respect and admiration. The gesture symbolized the community's deep appreciation for his wisdom, guidance, and lifelong dedication to nurturing talent and promoting knowledge.

Scanned with OKEN Scanner

Conclusion:

The Guru Purnima event concluded on a high note with heartfelt gratitude expressed towards all the teachers, mentors, and the Chief Guest. The attendees left inspired, carrying forward the values of respect and learning instilled by their gurus. The event was a resounding success, fostering a renewed sense of reverence for the timeless bond between a guru and their disciple.

Gayatri Vidya Parishad College
Of Engineering For Womens(A)
invites you to celebrate

Bhagvath Geeta Parayana

DECEMBER 11, 2024

4 PM | GVPCEW(A) Auditorium

WE WELCOME ALL OF YOU TO
CHANT THE GEETA SLOKAS

Scanned with OKEN Scanner

On December 22, 2024, the campus of Gayatri Vidya Parishad College of Engineering for Women (GVPCEW) was filled with divine resonance as nearly 100 students participated in the sacred recitation of the Bhagavad Gita, as part of the Bhagavad Gita Parayana event. This spiritually enriching program was organized under the banner of Nadabharathi, the vibrant cultural club of GVPCEW, which is committed to promoting Indian heritage, values, and traditions.

The rhythmic and melodious chanting of the Gita shlokas created a deeply serene and uplifting atmosphere. Students recited the verses with remarkable clarity, devotion, and discipline, embodying the spirit of the timeless teachings of Lord Krishna. Their enthusiastic participation reflected a heartfelt reverence for the spiritual wisdom embedded in the sacred text.

Through this initiative, Nadabharathi aimed to instill in students the virtues of devotion, inner peace, and ethical living. The event not only fortified the students' moral and spiritual foundation but also encouraged them to integrate the teachings of the Gita into their everyday lives.

Gayatri Vidya Parishad takes immense pride in fostering such meaningful cultural and spiritual experiences. The Bhagavad Gita Parayana was not merely a recitation—it was a profound journey of introspection, learning, and devotion. Organized seamlessly by Nadabharathi, the event left an indelible impact on both participants and attendees, making it a truly memorable and inspirational occasion.

76th Republic Day Celebration at Gayatri Vidya Parishad

On January 26, 2025, we proudly celebrated the 76th Republic Day, marking the adoption of the Indian Constitution and the country's transition to a republic on January 26, 1950. The event was filled with patriotic fervor, unity, and a deep sense of national pride. Students showcased their love for the country through soulful patriotic songs, inspiring speeches, and cultural performances, making the occasion truly memorable.

The celebration commenced with the hoisting of the national flag on our campus by Prof. Dr. Ing. P. S. Rao, President, Gayatri Vidya Parishad, in the esteemed presence of Prof. P. Somaraju, Secretary, Prof. A. S. N. Prasad, former President, Gayatri Vidya Parishad, Prof. (Dr.) R. K. Goswami, Principal, and Prof. (Dr.) G. Sudheer, Vice-Principal of GVP College of Engineering for Women. The unfurling of the flag was followed by the national anthem, filling the atmosphere with a sense of unity and patriotism.

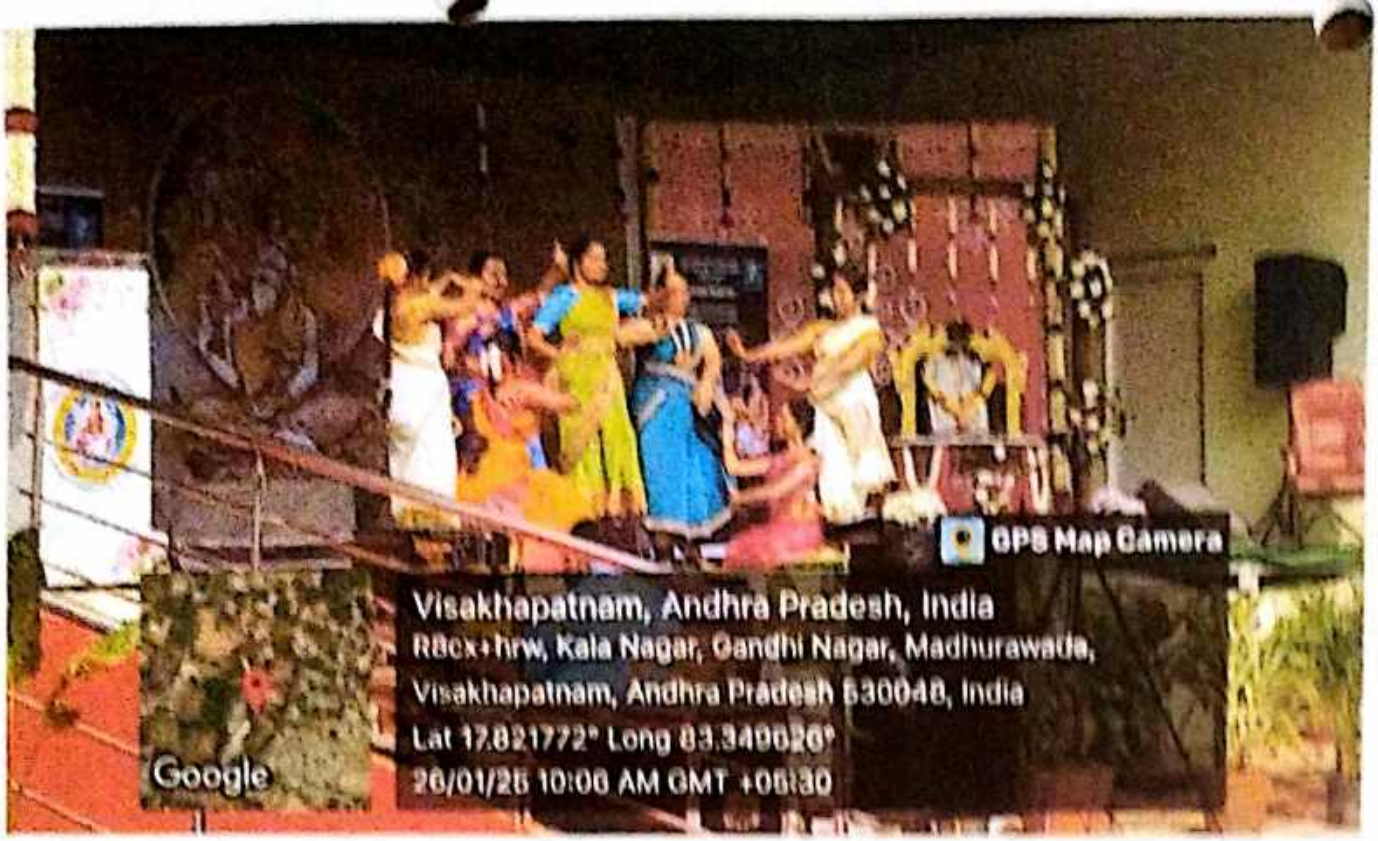

Adding to the grandeur of the event, students from the Nada Bharathi Culture Club of the college came forward to showcase their talents through various traditional and contemporary art forms. Their performances reflected the rich cultural heritage of India, capturing the essence of unity in diversity. From classical dance performances to musical renditions, the students beautifully expressed their love for the nation through art and creativity.

In his inspiring address, Prof. Dr. Ing. P. S. Rao encouraged the faculty, staff, and students to actively contribute to nation-building, emphasizing the role of education, discipline, and cultural awareness in shaping a progressive and enlightened India. His words served as a reminder of our collective responsibility to uphold the values of our democracy.

INAUGURAL OF NADABHARATHI

26th January, 2025

Scanned with OKEN Scanner

The much-awaited inaugural event of Nadabharathi was held on January 26, 2025, at Gayatri Vidya Parishad College of Engineering for Women. This grand occasion was a testament to the institution's commitment to preserving and promoting the rich heritage of Indian classical music and dance. The event was marked by an exquisite rendition of the Tyagaraja Pancharatna Kriti, "Jagadanandakaraka", performed by the talented singers and dancers of the college.

Scanned with OKEN Scanner

Under the expert guidance of Ms. V.Vijayasree and Ms. V. Sree Vidhya, the students delivered a soul-stirring performance of Jagadanandakaraka, one of the five Pancharatna Kritis composed by Saint Tyagaraja in praise of Lord Rama. This kriti, set in the raga Nattai, is known for its energetic and celebratory nature, making it a perfect choice for the inaugural event.

Scanned with OKEN Scanner

Overall, the Nadabharathi inaugural event left a lasting impression on all attendees, setting a high standard for future events and inspiring students to continue their journey in the world of classical music and dance.

Prahlada Bhakthi Vijayam

January 27th, 2025

Scanned with OKEN Scanner

On the third day of the Srimad Bhagavatam Pravachanam by the esteemed scholar Dr. Chaganti Koteswara Rao Garu, the students of Gayatri Vidya Parishad College of Engineering for Women (GVPCEW), under the banner of Nadabharathi, the college's Cultural Club, presented a captivating Geya Natakam (musical drama) titled Prahlada Bhakthi Vijayam.

This spiritually enriching performance was conducted under the expert guidance of experienced instructors – M.A. Gold Medalist Ms. V. Vijayasree, Ms. V. Sree Vidhya, and Dr. B. Bharathi. The students brought to life various characters from the revered Telugu musical drama, showcasing their artistic prowess, expressive abilities, and sincere devotion.

Through graceful expressions, evocative music, and heartfelt storytelling, the performance depicted the legendary tale of Prahlada, a staunch devotee of Lord Vishnu, whose unwavering faith triumphed over tyranny and adversity. The act was a beautiful confluence of devotion, drama, and classical artistry.

This initiative by Nadabharathi not only highlighted the students' dedication and passion for Indian classical arts but also reinforced the club's mission of preserving and promoting spiritual and cultural traditions. The performance left a deep impression on the audience, making it a memorable and spiritually uplifting highlight of the Pravachanam series.

The Geya Natakam of Prahlada Bhakthi Vijayam was a significant event organized by Nadabharathi, the Cultural Club of GVPCEW, that not only showcased the students' artistic talents but also emphasized the importance of preserving and promoting India's rich cultural heritage. It served as a fitting tribute to the timeless story of Prahlada and his unwavering devotion to Lord Vishnu. For the students involved, the event offered a unique platform to enhance their artistic skills, build confidence, and foster teamwork and collaboration.

RAMADASU JAYANTI

25th February, 2025

Scanned with OKEN Scanner

On February 25, 2025, Gayatri Vidya Parishad College of Engineering for Women (GVPCEW) celebrated Ramadasu Jayanti under the auspices of Nadabharathi, the college's cultural wing committed to promoting Indian classical arts. The event was graced by the esteemed presence of Pravachana Chakravarthi Dr. Chaganti Koteswara Rao, a renowned scholar and orator. Ramadasu Jayanti commemorates the legacy of Kancharla Gopanna, widely known as Bhadrachala Ramadasu, a 17th-century devotee of Lord Rama and a prolific Carnatic composer. His devotional compositions, especially the Navaratna Keertanas, are revered for their spiritual depth and melodic beauty.

Scanned with OKEN Scanner

Ramadasu Navaratna Keertanas :

- Adigo Bhadradri
- Sri Rama Namame
- Paluke Bangaramayena
- Sri Ramula Divya Nama
- Ramajogi mandu konare
- Taraka Mantramu
- Hari Hari Rama
- Takkuvemi Manaku
- Kantinedu Ma Ramula

Scanned with OKEN Scanner

Over 40 students from GVPCEW rendered the Ramadasu Navaratna Keertanas, showcasing their musical talents and deep reverence for the composer. The performances were meticulously prepared under the esteemed guidance of Ms. V. Sree Vidhya, Dr. Krishna Kiran, and Mr. Srinivas Sharma, whose expertise ensured the authenticity and emotive expression of the renditions.

Scanned with OKEN Scanner

Each keertana was performed with accuracy in notes, expression, and rhythm, showcasing the students' dedication and practice. Their rendition beautifully conveyed the devotion and deep meaning of Ramadasu's compositions.

Scanned with OKEN Scanner

In acknowledgment of their dedication and participation, all student performers were awarded certificates, serving as a testament to their commitment to preserving and promoting India's rich musical heritage.

Naada Bharati College Culture Club Students Shine at Dr. Chaganti Koteswara Rao Garu's Sampoorna Ramayana Pravachanam

The students of Nadabharathi, the Cultural Club of Gayatri Vidya Parishad College of Engineering for Women, had the esteemed privilege of presenting their classical art forms in the divine presence of Dr. Chaganti Koteswara Rao Garu during the 42-day Sampoorna Ramayana Pravachanam. Organized through Nadabharathi, these performances were a reflection of the club's commitment to nurturing Indian classical arts and culture among students. The students' graceful and disciplined presentations not only showcased their deep dedication to traditional art forms but also added a layer of devotional and spiritual richness to the event, leaving a lasting impression on the audience.

Deepti, a first-year student, performed "Takku Emi Manaku", a divine Keerthana that emphasizes detachment from material desires and devotion to the Almighty.

Scanned with OKEN Scanner

Madalasa, a third-year student, performed "Akhilandeswari" from Saptapadi, a graceful Bharatanatyam piece dedicated to Goddess Akhilandeshwari, symbolizing divine energy and spiritual enlightenment.

Kamalini, also from the first year, presented "Ramayana Shabdham", a powerful and rhythmic composition that narrates the essence of Lord Rama's glory, performed through Kuchipudi, blending storytelling with intricate footwork.

Scanned with OKEN Scanner

Performing in such a revered gathering was an immense honor for the students, as Dr. Chaganti Koteswara Rao Garu is a distinguished scholar known for his profound knowledge and spiritual discourses. The students received certificates of appreciation, recognizing their dedication and contribution to the cultural and spiritual enrichment of the event.

This performance was a testament to the cultural and artistic excellence of Naada Bharati Club, inspiring students to uphold and promote India's rich heritage through classical art forms.

INDIAN SPORTS, CULTURE AND COGNITIVE SKILL DEVELOPMENT SQUARE

భారతీయ క్రీడా, సంస్కృతి, అభిజ్ఞాన నైపుణ్యాల ప్రాంగణము

"PRAVACHANA CHAKARVATHI", "VACHASPATHI" Brahmasri Dr. CAHAGANTI KOTESWARA RAO garu is going to give a comprehensive view of "Sampoorna Ramayana" from 25th January 2025 to 6th March 2025.

The narrative of Sampoorna Ramayana is rich with complex situations that require critical thinking and problem-solving.

Sampoorna Ramayana serves as a profound resource for developing cognitive skills, learning skills, and creative intelligence. Through its narratives, moral dilemmas, and character journeys, learners are equipped with critical thinking and problem-solving abilities. Additionally, the life lessons derived from the characters enhance learning skills, while the storytelling and artistic expressions foster creativity.

The teachings of the Sampoorna Ramayana remain relevant in contemporary education, emphasizing the importance of holistic development. By integrating the lessons from this epic into educational frameworks, educators can nurture well-rounded individuals equipped with the cognitive, learning, and creative skills necessary for success in an ever-evolving world. The Ramayana not only enriches the mind but also inspires the heart, making it an invaluable asset in the pursuit of knowledge and personal growth.

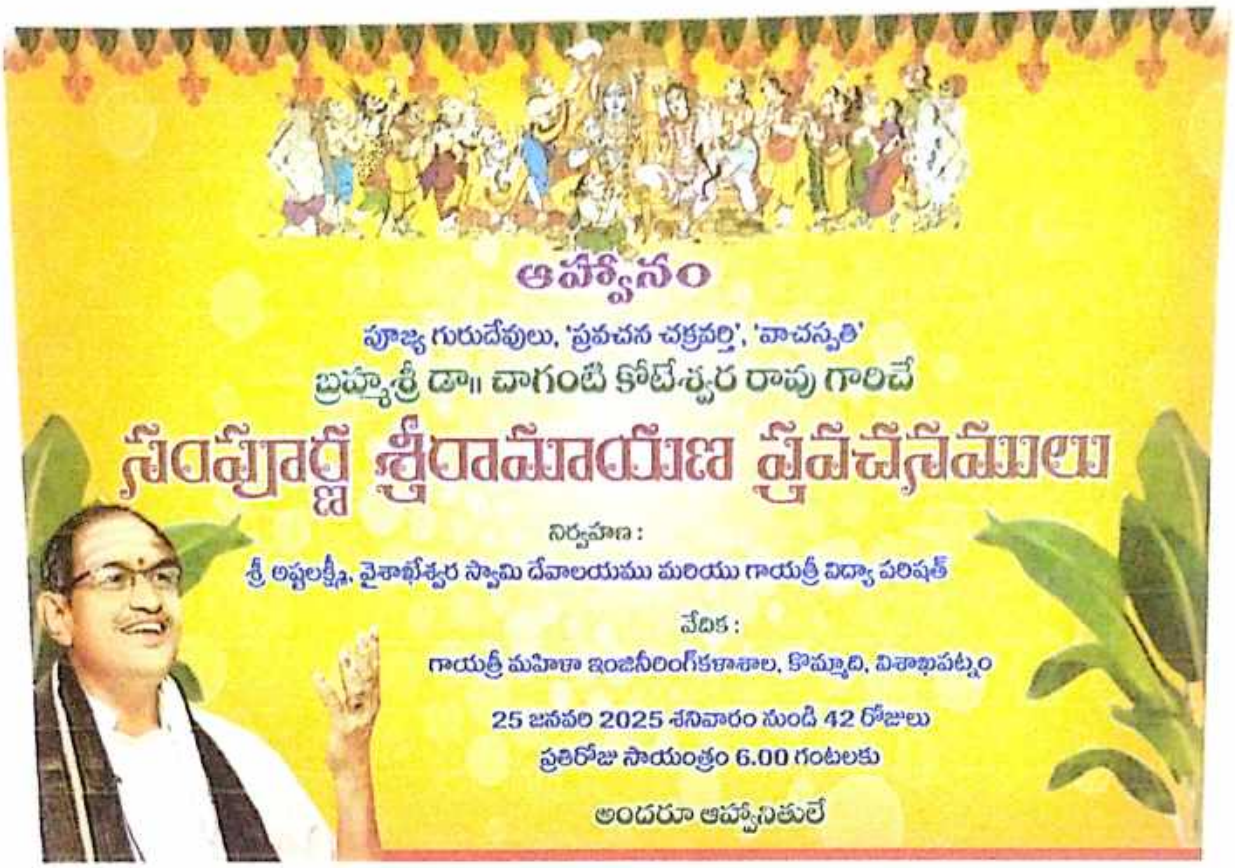

The life skills depicted in the Sampoorna Ramayana, such as teamwork, leadership, and resilience, are directly applicable to real-world scenarios. By understanding and applying these lessons, learners can improve their interpersonal skills and adapt to various social contexts.

The storytelling aspect of the Sampoorna Ramayana serves as a powerful medium for fostering creativity. The vivid imagery and rich descriptions within the text inspire readers to visualize scenes and characters, stimulating their imagination.

All the students, faculty and staff are required to utilize the unique opportunity and attend the discourses.

Transport facility after 8.00 PM to the City is available to the desirous students.

REPORT ON THE INTERACTION SESSION WITH MR. VIDYA SHANKAR BOLLAVA

DATE: 7TH APRIL 2025

Venue: Seminar Hall

Scanned with OKEN Scanner

On 7th April 2025, the students and faculty of Nadabharathi Cultural Club, Gayatri Vidya Parishad College of Engineering for Women had the privilege of interacting with Mr. Vidya Shankar Bollava, a distinguished Carnatic musician and engineering professional from Mangalore, Karnataka. The session was organized as part of a holistic development initiative to inspire students in balancing academic and extracurricular pursuits.

Scanned with OKEN Scanner

PROFILE OF THE GUEST

Mr. Vidya Shankar Bollava is a renowned figure in the field of Carnatic music, known for his soulful renditions and deep knowledge of South Indian classical traditions. In addition to his musical accomplishments, he is an engineering graduate from the prestigious B.M.S.College of Engineering, Bengaluru. He is currently employed at Semnox Pvt.Ltd., a technology firm where he balances his professional responsibilities with his passion for music.

Scanned with OKEN Scanner

Mr. Bollava's session was centered around the theme of "Managing Technical Skills and Extracurricular Activities". He began by sharing his personal journey of how he successfully pursued his dual passions—engineering and Carnatic music—demonstrating that excellence in both domains is achievable with discipline, clarity, and time management.

He emphasized the importance of developing both technical competencies and artistic inclinations, stating that these seemingly distinct areas often complement each other in fostering creativity, analytical thinking, and emotional balance.

Scanned with OKEN Scanner

To conclude the session, Mr. Bollava rendered the Tyagaraja Kriti "Manavyalakincharaadate" in a soul-stirring performance. His rendition was deeply appreciated by the audience and left a lasting impression on both students and faculty.

ANNUAL DAY REPORT - 2025

The annual event held on 21st March at 4:00 PM in the Open Air Auditorium was a lively celebration attended by students, faculty, and dignitaries. Chief Guest Ms. Lakshmi Mukkavilli and Guest of Honor Dr. Dwaram Venkata Krishna Ganesh, along with presiding dignitary Sri D. Dakshinamurthy, were welcomed with an NCC ceremonial march, lamp lighting, and felicitations. In their speeches, Ms. Lakshmi stressed integrity and adaptability, while Dr. Ganesh highlighted the role of culture, art, and discipline in personal growth.

The program featured classical dance, group singing, skits, and modern dance, reflecting the students' talent and enthusiasm. Academic and activity-based achievers were honored with awards and certificates, celebrating their accomplishments. The event concluded with the National Anthem, bringing an inspiring and memorable evening to a close.

Report on
NCC Cadets Volunteering during 'Sampoorna Ramayana' Pravacham and SitaKalyanam

A group of NCC cadets from GVP College of Engineering for Women (Autonomous) volunteered during the "Sampoorna Ramayana" Pravacham and the divine Sita Kalyanam delivered by Sri ChangantiKoteswara Rao Garu on 8th March 2025 at the college campus. The program aimed to enrich cultural and spiritual awareness among students and staff, with Sri Changanti captivating the audience through his devotional storytelling and deep interpretation of the Ramayana.The NCC cadets played a key role in maintaining discipline, guiding attendees, managing stage arrangements, and ensuring smooth coordination throughout the event. Their dedicated service contributed significantly to the program's success. The serene atmosphere, devotional recitations, and the concluding ceremony of Sita Kalyanam created a meaningful spiritual experience, reflecting the cadets' commitment to duty, discipline, and service.

REPUBLIC DAY CELEBRATIONS – 2025

GVPCEW celebrated the 75th Republic Day on January 26, 2025, with great patriotic spirit. The Chief Guest, Prof. P.S. Rao, President of Gayatri Vidya Parishad, was ceremoniously escorted by two NCC cadets dressed as pilots. The NCC contingent impressed the audience with their disciplined marching, and the flag hoisting was marked by the command of Rastriya Salute, offered with deep respect. The cultural program included graceful classical dance performances by students and a soulful patriotic song by a faculty member, which added vibrancy and emotion to the celebration.

The Chief Guest, Principal, and faculty delivered inspiring speeches on the significance of Republic Day and the responsibility of youth in nation-building. NCC cadets had the opportunity to interact with the Chief Guest and received appreciation for their exemplary discipline. The event concluded with the National Anthem, leaving the campus filled with pride and patriotism. The celebration truly reflected unity, discipline, and love for the nation, echoed by spirited chants of Bharat Mata Ki Jai.

76th NCC Day Celebration Report

The cadets of 6(A) AIR SQN NCC from GVP and LB College celebrated the 76th NCC Day on November 24, 2024, at the GVP Dwarka Nagar Campus with great pride. The event featured cultural performances and active participation from cadets, guided by the presence of the ANO, CO, and PI staff. Selected cadets also rendered service by performing the Guard of Honour at the Victory Sea Memorial, showcasing exceptional discipline and respect. Throughout the celebration, cadets displayed strong coordination, responsibility, and enthusiasm, contributing significantly to the smooth conduct of the programme.

The event offered valuable opportunities for cadets to interact with senior officers and gain insights into leadership, discipline, and national service. Motivational messages emphasized the importance of unity, punctuality, and teamwork—the core values of NCC. The celebration concluded on a patriotic note, inspiring cadets to continue serving with dedication and honour. Overall, the 76th NCC Day reinforced the legacy of the National Cadet Corps and strengthened the cadets' commitment to becoming responsible citizens and future leaders.

NCC Cadet Enrollment, 2024 for GVP students at GVP Rushikonda Campus, Visakhapatnam

The NCC Cadet Enrollment for 2024 was held on 12 September 2024 at the GVP Rushikonda Campus, Visakhapatnam, under the supervision of the 6(A) AIR SQN NCC Unit. The enrollment process witnessed active participation from students across various GVP institutions. From GVP College of Engineering for Women (Autonomous), five cadets were successfully selected, marking a proud moment for the college. The selection process included physical tests, document verification, and interaction rounds, through which the selected cadets demonstrated discipline, potential, andenthusiasm for NCC training.

The event was efficiently conducted with the guidance of the ANO, PI staff, and senior cadets, who ensured smooth coordination throughout the process. The selected cadets will now begin their NCC journey, which will include regular parades, drills, training sessions, and participation in various college and national-level activities. Their selection not only highlights their individual commitment but also reflects the growing interest and contribution of GVPCEW(A) students to the National Cadet Corps.

National Cadet Corps (NCC) – Selection Report 2024

- The NCC Selection Drive for the academic year 2024–25 was successfully organized in one phase at GVP College for Degree & P.G. Courses, Rushikonda on 12 September 2024.
- The event aimed to identify enthusiastic, disciplined, and service-minded students eager to be a part of the 6(A) Air Squadron NCC unit, Visakhapatnam.

PHASE DETAILS	APPROVED FOR ENROLLMENT
Date:12 September 2024 **Partcipants: 49** students **Students Selected: 5** **Approved for Enrollment:**5	1.Aamina.N.S –II Year, CSE-1 2.Heavenly Sami Roy –II Year, ECE 3.V.Dhanusri –I Year, EEE 4.V.Kaivalya –II Year,CSM-1 5.Sarayu Akshaya –I Year,ECE

♦The selection procedure included a series of stages such as medical examinations, physical fitness tests, personal interviews, and assessments on general awareness and basic NCC knowledge.

♦Candidates were evaluated not only for their physical endurance but also for their leadership potential, communication skills, and sense of responsibility—qualities essential for future NCC cadets.

♦The entire process was conducted under the supervision of the Associate NCC Officer, PI staff, and faculty coordinators, ensuring a fair, transparent, and well-disciplined selection.

3. The IGC-VSC camp is a highly significant event in the NCC calendar, fostering leadership qualities, discipline, teamwork, and a sense of national pride among the cadets. Participation in this camp provides an unparalleled opportunity for the cadets to develop their skills in various domains like aviation, Aeromodelling, shooting, and physical fitness. It also enhances their ability to perform under challenging conditions, thereby preparing them for future responsibilities within and outside the NCC framework.

4. In light of the immense benefits that the cadets will gain from this camp, it is requested that the above cadets be spared from their regular classes during the camp period. Additionally, it is also requested to consider their absentees from classes as **'Present'** and make arrangements for any examinations they might miss to be conducted after the completion of the camp.

5. This unit believes that the experience and learning these cadets will bring back to the college will greatly enrich the NCC unit and contribute positively to the college's reputation.

6. This is for your information and necessary action, please.

The IGC-VSC camp is a highly significant event in the NCC calendar, fostering leadership qualities, discipline, teamwork, and a sense of national pride among the cadets. Participation in this camp provides an unparalleled opportunity for the cadets to develop their skills in various domains like aviation, Aeromodelling, shooting, and physical fitness. It also enhances their ability to perform under challenging conditions, thereby preparing them for future responsibilities within and outside the NCC framework.

4. In light of the immense benefits that the cadets will gain from this camp, it is requested that the above cadets be spared from their regular classes during the camp period. Additionally, it is also requested to consider their absentees from classes as **'Present'** and make arrangements for any examinations they might miss to be conducted after the completion of the camp.

5. This unit believes that the experience and learning these cadets will bring back to the college will greatly enrich the NCC unit and contribute positively to the college's reputation.

6. This is for your information and necessary action, please.

Report on National Youth Day 2025: NSS and Youth Unite in Celebration of Swami Vivekananda's Legacy in Vizag

"Strength is life, weakness is death."

No. of Volunteers Involved: 34 **12-02-2025**

The Ramakrishna Mission Ashrama in Visakhapatnam conducted a grand "Vivekananda Shobha Yatra" on February 7, 2025, in celebration of National Youth Day. The event drew over 5,000 students from 35 degree and PG colleges, 10 engineering institutions, and various schools. The rally began at the Government Women's Degree College, Daba Gardens, and was flagged off by key dignitaries including the Vice-Chancellor of DSNLU and the District Collector. Students marched energetically with placards and dressed as Swami Vivekananda and Bharata Mata, spreading his timeless message of youth empowerment and national pride.

GVP COLLEGE OF ENGINEERING FOR WOMEN NSS Unit-1 VISAKHAPATNAM

The procession passed through major areas, including the Central Revenue Staff Quarters, where it was joined by Customs and GST officials, IRS officers, and the Divisional Railway Manager, showcasing strong public and official support. The rally concluded at the Ashrama campus, where students were gifted a copy of Positive Thinking, a compilation of Swami Vivekananda's messages, and were served prasad. The event was planned in coordination with NSS and NCC officers and was widely covered by the media. The Shobha Yatra was appreciated for its organization, spirited participation, and for effectively promoting the values of Swami Vivekananda among the youth.

Report on Raising Awareness on Drug Abuse: Combating the Growing Threat of Drug Abuse Among Youth

"Drug Abuse Destroys – Awareness Saves"

No. of Volunteers Involved: 5 **22-03-2025**

No. of Students Involved: 40

Drug abuse is a serious issue that affects individuals, families, and communities. It refers to the harmful or excessive use of drugs, including alcohol, prescription medications, and illegal substances. Drug abuse can lead to physical and mental health problems, addiction, poor academic or job performance, and strained relationships. It often begins with curiosity or peer pressure, especially among young people. Raising awareness, providing support, and encouraging healthy lifestyle choices are key to prevention. Rehabilitation and counseling can help those affected recover and rebuild their lives. Combating drug abuse requires a united effort from families, schools, and society.

NSS Unit-1

GAYATRI VIDYA PARISHAD COLLEGE OF ENGINEERING FOR WOMEN

EEE Branch Accredited by NBA (2023-2026)
Accredited by NAAC with grade 'A' from 2022 to 2027

On **22 March 2025**, Visakhapatnam City Police, under the leadership of Commissioner **Shankhabrata Bagchi**, launched the pioneering **Nava Samaja Nirmanam** programme—the first of its kind in Andhra Pradesh—targeting youth engagement and social awareness. The initiative brought together over **2,000 students**, including members of Andhra University such as the Vice-Chancellor, to confront pressing issues like drug abuse, cybercrime, and violence against women. Through interactive sessions, the programme provided practical guidance on identifying, responding to, and reporting these challenges. It also featured an essay-writing competition, rewarding students whose written pieces demonstrated depth in understanding and advocacy. By blending awareness with actionable strategies, Nava Samaja Nirmanam positioned students as informed guardians of community safety. This comprehensive approach not only fostered civic responsibility but also strengthened police–student partnerships, setting the stage for future outreach efforts aimed at nurturing a safer, more aware generation in Visakhapatnam.

Report on Daan Utsav : Clothes Donation Drive by NSS Volunteers of GVP Women's Engineering College Brightens Lives of Children

"Giving is the greatest act of grace"

No. of Volunteers Involved: 5 **07-04-2025**

Daan Utsav is an initiative focused on the act of giving and sharing with those in need. On 7th April 2025, the NSS volunteers of Gayatri Vidya Parishad College of Engineering for Women organized a donation drive where they collected and distributed clothes and other essentials to underprivileged children. Additionally, the volunteers extended their support to **Aruku Kasipatnam Chinnamma**, a dedicated teacher who has significantly contributed to the community. This event was a meaningful expression of compassion and service, aimed at uplifting the lives of children and honoring the commitment of a valued educator.

During Daa Utsav, volunteers engaged in various activities aimed at spreading awareness and celebrating the spirit of giving and service. The event fostered community participation and reflected the college's dedication to nurturing socially responsible students. The recognition of Aruku Kasipatnam Chinnamma highlighted the importance of educators in shaping lives and inspiring social change.

Report on HPV Vaccine Awareness Campaign: A Collaborative Initiative to raise awareness and promote protection through the HPV vaccine.

"United for a healthier tomorrow"

02-05-2025

No. of Students Involved: 208

Human Papillomavirus (HPV) is a common viral infection with the potential to cause cervical, anal, oropharyngeal, and other cancers. Despite the availability of a safe and effective vaccine, misinformation and lack of awareness contribute to low vaccination rates in many regions. To combat this, a multi-stakeholder awareness campaign was designed and implemented.

The HPV Vaccine Awareness Campaign was conducted on **2nd May 2025** by students of **GVP Medical College** as part of a public health outreach initiative. The event took place at **Gayatri Vidya Parishad College of Engineering for Women**, where medical students engaged with engineering students through informative sessions, interactive discussions, and educational materials. The campaign aimed to raise awareness about the risks associated with Human Papillomavirus (HPV) and the importance of early vaccination in preventing cervical and other HPV-related cancers. The initiative fostered a collaborative environment, encouraging young women to make informed health decisions and empowering them with accurate, science-based information about the HPV vaccine.

Report on Yoga Day: GVP College Celebrates International Yoga Day 2025 with Enthusiastic Participation

"Yoga is not just a workout; it's a celebration of life, health, and unity."

No. of Volunteers Involved: 10

21-06-2025

No. of Students Involved: 50

In India, **International Yoga Day 2025** was celebrated with grandeur and enthusiasm on **June 21, 2025**. The event marked the **11th anniversary** of this global observance, with the theme **"Yoga for One Earth, One Health."** Across the nation, various yoga sessions were organized to promote wellness, mental peace, and environmental consciousness. The **Andhra Pradesh government** hosted a grand yoga session in **Visakhapatnam**, aiming to break the **Guinness World Record** for the largest yoga gathering. This event attracted a massive turnout, with over **250,000 participants** performing yoga at a single venue.

On **20th June 2025** and **21st June 2025**, **Gayatri Vidya Parishad College of Engineering for Women** celebrated **International Yoga Day 2025** by hosting two yoga sessions. The first session was held on the **20th of June**, followed by another early morning session on **21st June 2025**, starting at **6:30 AM**. Both sessions were conducted under the able supervision of the **Principal, Dr. R.K. Goswami**, and the **Vice-Principal, Sudheer Garu**, ensuring smooth coordination and guidance. The sessions witnessed the active participation of the **Secretary, Dr. P. Somaraju Garu**, who joined the participants and added immense joy and enthusiasm to the event. The campus was filled with energy as students and faculty members came together to embrace yoga's health benefits, making the event a memorable celebration of wellness and unity.
