A 3-DAY WORKSHOP

TOPIC: A 3-Day Workshop on "DEVOPS Using GitHub Actions"

RESOURCE PERSON:

Mr. Krishna Mohan Koyya, Managing Director and CEO, Koyya Enterprises Private Limited, Bengaluru

NO. OF PARTICIPANTS:

BRIEF SUMMARY:

The Department of Computer Science and Engineering organized a **Three-Day Workshop on "DevOps Using GitHub Actions"**, conducted by **Mr. Krishna Mohan Koyya**, Managing Director and CEO of **Koyya Enterprises Private Limited, Bengaluru**.

The workshop aimed to provide students with hands-on experience in DevOps automation and continuous integration/continuous deployment (CI/CD) using **GitHub Actions**.

On **Day 1**, the session began with an introduction to **DevOps principles**, version control systems, and the role of GitHub in collaborative software development. Mr. Krishna Mohan explained the need for automation in modern software engineering and demonstrated the setup of repositories, branches, and workflows.

On **Day 2**, participants engaged in practical exercises focusing on **CI/CD pipelines**, workflow syntax, and YAML configuration files. The resource person guided students through real-time demonstrations of building, testing, and deploying applications automatically using GitHub Actions. Students also learned about triggers, runners, and environment secrets for secure and efficient automation.

On **Day 3**, the workshop focused on **advanced DevOps practices**, including integration with cloud platforms, monitoring, and deployment strategies. The session highlighted best practices for pipeline optimization and teamwork in large-scale projects. A live demonstration showcased how GitHub Actions can streamline software delivery processes.

The workshop concluded with an **interactive Q&A session**, where participants discussed real-world DevOps challenges and solutions.

Overall, the three-day workshop provided a **comprehensive understanding of DevOps practices and GitHub Actions**. Participants gained valuable hands-on experience in automating development workflows and continuous deployment. The session effectively enhanced students' skills in collaborative software engineering and encouraged them to adopt DevOps methodologies in academic and professional projects.

**Report on One-Week Professional Development Programme on Workplace
Communication Skills**

A one-week Professional Development Programme on Workplace Communication Skills was organized for the non-teaching staff at Gayatri Vidya Parishad College of Engineering for Women (A) from 21 April 2025 to 26 April 2025. The programme was conducted in the Language Lab with the objective of enhancing workplace communication, interpersonal skills, and professional etiquette among the non-teaching staff.

The course aimed to improve verbal and non-verbal communication, listening skills, confidence in workplace interactions, and effective handling of students, faculty, and visitors. The sessions were designed to be practical and interactive, focusing on real-life situations faced by non-teaching staff in their day-to-day responsibilities.

The programme was scheduled from 3:30 pm to 4:30 pm from Monday to Friday, and on Saturday, the sessions were conducted from 10:00 am to 3:00 pm. This schedule enabled the participants to attend the sessions without disturbing their regular work duties.

The training programme covered topics such as effective workplace communication, professional etiquette, telephone and email manners, interpersonal skills, emotional intelligence, active listening, conflict management, and basic English for workplace use. The sessions included interactive activities, and short practice exercises to facilitate better understanding and active participation.

The programme was coordinated by Ms. B. Ramadevi, Assistant Professor of English, BS&H Department. The sessions were well received by the participants, who actively engaged in discussions and practical activities throughout the week.

The programme successfully achieved its objectives and contributed positively to the professional development of the non-teaching staff of the institution.
