NOTICE

Sub: Implementation of Plastic Ban in the Premises of Gayatri Vidya Parishad College of Engineering for Women (GVPCEW)

In adherence to the directives issued by the Government of India and AICTE/UGC, Gayatri Vidya Parishad College of Engineering for Women hereby announces the **immediate implementation of a complete ban on the use of plastic within the college premises**. All students, staff, and visitors are required to strictly follow the guidelines mentioned below:

1. **Single-use plastics are strictly prohibited** across the campus, including academic blocks, canteens, hostels, and during all institutional activities such as conferences, seminars, workshops, meetings, and events.
2. Members of the college community are advised **not to bring non-biodegradable plastic items** onto the campus.
3. Students and staff are encouraged to make use of the **water purifying units installed at designated locations** and are discouraged from using plastic water bottles. The use of **eco-friendly alternatives** such as refillable water bottles, cloth bags, and paper bags is strongly recommended.
4. The use of **ink pens is encouraged** to reduce plastic waste generated by disposable ballpoint pens.
5. Food and drinking water should be carried in **stainless steel utensils**, and the use and disposal of plastic containers and materials must be avoided.

Strict compliance with this notice is expected to support the institution's commitment to environmental sustainability and a green campus.
